## SAFETY INFORMATION

---

To ensure safe operation and prevent damage, observe the following safety guidelines:

- **FCC Certified:** This charger has passed FCC testing, ensuring compliance with safety standards.
- **Built-in Protections:** Features Over Voltage Protection (OVP), Over Current Protection (OCP), and Short-circuit Protection (SCP) to safeguard your devices.
- **Flame Retardant:** Constructed with V-0 grade flame retardant materials for enhanced safety.
- **Avoid Water:** Do not expose the charger to water or moisture.
- **Proper Ventilation:** Use the charger in a well-ventilated area to prevent overheating.
- **No Disassembly:** Do not attempt to disassemble or modify the charger. Refer all servicing to qualified personnel.
- **Inspect Regularly:** Periodically check the charger and cable for any signs of damage. Discontinue use if damage is observed.

## COMPATIBILITY

This PKPOWER AC Adapter Charger is compatible with a range of QFX portable party speakers, including but not limited to:

- QFX PBX-61138 (12-inch Rechargeable Party Speaker)
- QFX PBX-5
- QFX PBX-8
- QFX PBX-10700
- QFX PBX-2000
- QFX PBX-2100
- QFX PBX-21001
- QFX PBX-2100BL
- QFX PBX-2100RD
- QFX PBX-710700BTL
- QFX PBX-2002 Bluetooth Rechargeable Battery Powered Party PA Speaker Quantum

Always verify the power requirements of your specific speaker model to ensure compatibility with the charger's 9V DC output.

# Compatible

with QFX PBX-8 PBX-2000 PBX-2002 PBX-2100 PBX-10700 and more

## SETUP

Follow these steps to set up your PKPOWER AC Adapter Charger:

1. **Unpack:** Carefully remove the charger from its packaging.
2. **Speaker Preparation:** Ensure your QFX portable party speaker is turned off before connecting the charger.
3. **Connect to Speaker:** Insert the DC output plug of the charger firmly into the charging port of your QFX speaker.
4. **Connect to Power Outlet:** Plug the AC input end of the charger into a standard 100-240V wall outlet.
5. **Verify Connection:** Confirm that both connections are secure.

# PRODUCT APPLICATION

## OPERATING INSTRUCTIONS

---

Once properly set up, the charger will begin to power or charge your compatible QFX speaker:

- **Charging:** When connected, the charger will supply power to recharge the speaker's internal battery. Refer to your speaker's user manual for specific charging indicators and estimated charging times.
- **Direct Power:** The charger can also provide direct power to operate the speaker even if the battery is depleted or removed (if applicable to your speaker model).
- **Disconnection:** To disconnect, first unplug the charger from the wall outlet, then remove the DC plug from the speaker.

## MAINTENANCE

---

Proper care will extend the life of your PKPOWER AC Adapter Charger:

- **Cleaning:** Use a dry, soft cloth to clean the exterior of the charger. Do not use liquid cleaners or solvents.
- **Storage:** Store the charger in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Cable Care:** Avoid sharp bends or kinks in the power cord. Do not place heavy objects on the cable.
- **Environmental Conditions:** Do not operate the charger in excessively hot, cold, or humid environments.

## TROUBLESHOOTING

---

If you encounter issues with your charger, try the following solutions:

- **No Power to Speaker:**
  - Ensure the charger is securely plugged into both the wall outlet and the speaker.
  - Try plugging the charger into a different wall outlet to rule out a faulty outlet.
  - Check the speaker's power switch and battery status.

- **Speaker Not Charging:**

- Verify that your speaker model is listed as compatible and requires a 9V DC input.
- Inspect the charger's cable and connectors for any visible damage.
- Ensure the speaker's charging port is clean and free of debris.

- **Charger Overheating:**

- Immediately disconnect the charger from both the wall and the speaker.
- Ensure the charger is used in a well-ventilated area, not covered by cloths or other materials.
- If overheating persists, discontinue use and contact customer support.

## **WARRANTY AND SUPPORT**

---

**Warranty:** This PKPOWER AC Adapter Charger comes with a one-year warranty from the date of purchase, covering manufacturing defects.

**Customer Support:** For any questions, concerns, or technical assistance, please contact PKPOWER customer service. Our dedicated team aims to respond to all inquiries within 24 hours.
