Seyaom M2039: Light-Up Peach Blossom Pond Mini Building Block Kit Instruction Manual

Brand: Seyaom | Model: M2039

1. INTRODUCTION

Welcome to the world of intricate mini building blocks! This manual provides essential information for assembling, operating, and maintaining your Seyaom M2039 Light-Up Peach Blossom Pond Mini Building Block Kit. This set allows you to construct a beautiful Chinese architectural model, complete with a peach blossom pond and integrated lighting.

Please read these instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

2. PRODUCT OVERVIEW

The Seyaom M2039 kit is inspired by traditional Chinese architecture, featuring a serene peach blossom pond, waterfalls, covered bridges, boats, pavilions, and lush greenery. The set includes 2705 micro-bricks designed for a detailed and rewarding construction process. Once completed, the model includes integrated lighting to enhance its display.

3. SAFETY INFORMATION

- **Age Recommendation:** This kit is suitable for adults and teens aged 14 years and older.
- **Small Parts Warning:** The kit contains numerous small parts which may pose a choking hazard. Keep out of reach of young children.
- **Material Safety:** The building blocks are made from high-quality, non-toxic Acrylonitrile Butadiene Styrene (ABS) material.
- **Battery Safety:** The lighting components require 3 Lithium metal batteries. Ensure correct polarity when inserting batteries. Do not mix old and new batteries. Dispose of used batteries responsibly.

4. SETUP AND ASSEMBLY

Assembling this 2705-piece kit requires patience and attention to detail. Follow the steps below for a successful build:

1. **Unpack and Sort:** Carefully unpack all components. Due to the large number and small size of the micro-bricks, it is highly recommended to sort them by color and shape before starting assembly. This

will prevent loss and simplify the building process.

2. **Consult Instructions:** Refer to the detailed assembly instruction booklet included in your package. Each step is illustrated to guide you through the construction.
3. **Follow Sequence:** Build the model step-by-step as indicated in the manual. Do not skip steps.
4. **Light-Up Integration:** The lighting elements are integrated during the assembly process. Follow the specific instructions in the manual for installing the light wires and battery pack.
5. **Secure Connections:** Ensure all blocks are firmly connected to maintain the structural integrity of the model.

5. OPERATING INSTRUCTIONS

Once your Light-Up Peach Blossom Pond model is fully assembled, you can activate its illumination feature:

- **Battery Installation:** Locate the battery compartment, typically at the base of the model. Insert 3 Lithium metal batteries, ensuring they are correctly oriented according to the polarity markings (+/-).
- **Power On/Off:** The model features a small switch or button to turn the lights on and off. Refer to your specific instruction booklet for the exact location and operation of this control.
- **Enjoy the Display:** With the lights on, your Peach Blossom Pond model will glow, creating an elegant decorative piece.

6. MAINTENANCE

To keep your Seyaom M2039 model in excellent condition:

- **Cleaning:** Gently dust the model regularly with a soft, dry cloth or a soft brush to remove accumulated dust. Avoid using liquid cleaners, as they may damage the plastic or electronic components.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Battery Care:** If the model will not be used for an extended period, remove the batteries to prevent leakage and potential damage to the electronic components.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Missing pieces	Manufacturing error or accidental loss during unpacking/sorting.	Contact Seyaom customer support for unconditional replacement of missing parts.
Difficulty connecting blocks	Incorrect orientation, misalignment, or excessive force.	Ensure blocks are correctly aligned and gently pressed together. Refer to the instruction manual for proper placement. Avoid excessive force.
Lights not working	Incorrect battery installation, dead batteries, or loose wiring.	Check battery polarity and ensure batteries are fresh. Verify all light wiring connections are secure as per the assembly instructions.
Model unstable	Blocks not fully connected or incorrect assembly step.	Review the assembly steps to ensure all blocks are securely fastened and the structure is built according to the manual.

8. SPECIFICATIONS

- **Model Number:** M2039
- **Material:** Acrylonitrile Butadiene Styrene (ABS)
- **Number of Pieces:** 2705
- **Assembled Dimensions:** Approximately 15 x 15 x 20 cm (Length x Width x Height)
- **Theme:** Peach Blossom Pond and Cherry Treehouse (Chinese Architecture)
- **Special Features:** Integrated light-up elements, non-toxic materials.
- **Power Source:** 3 x Lithium metal batteries (included)
- **Educational Objective:** Cognitive skills, problem-solving, creativity, patience, visual development, spatial reasoning, pattern recognition, and decorative art.
