Setup and Assembly

The DOMICON L-Shaped Gaming Desk MK-1 is designed for quick assembly. Follow these steps for a smooth setup process.

Quick Installation

Assembly typically takes approximately 40 minutes. No specialized tools or professional skills are required. Ensure all components are present before beginning assembly.

Components Checklist

Before starting, verify that all parts listed in the packaging are included and undamaged. Refer to the included assembly diagram for part identification.

Assembly Steps

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Frame:** Connect the main frame components according to the provided diagram. Ensure all screws are tightened securely but do not overtighten.
3. **Attach Desktop Panels:** Secure the L-shaped desktop panels to the assembled frame. Pay attention to the orientation for the desired L-shape configuration.
4. **Install Adjustable Monitor Stand:** Attach the adjustable monitor stand to the designated area on the desktop. This stand offers 4 levels of height adjustment (7.48 inches to 5.51 inches).
5. **Mount Power Outlet:** Secure the multi-functional power strip to the desk. Ensure the power cord is routed safely.
6. **Install Storage Drawer and Bag:** Attach the spacious storage drawer and the side storage bag. These are designed to keep your gaming area organized.
7. **Final Check:** Verify all connections are secure and the desk is stable before placing any equipment on it.

Operating Instructions

Your DOMICON L-Shaped Gaming Desk MK-1 comes with several integrated features to enhance your gaming or work experience.

Adjustable Monitor Stand

The monitor stand can be adjusted to 4 different height levels (ranging from 7.48 inches to 5.51 inches) to optimize your viewing angle and posture. To adjust, loosen the securing knobs, raise or lower the stand to your desired height, and then re-tighten the knobs firmly.

Multi-functional Power Outlet

The desk features a built-in power outlet with a 6.6-foot power cord, 2 USB ports (5V/2A), and 4 AC outlets (125V/12A). This allows for convenient connection and charging of your gaming devices, peripherals, and other electronics directly from your desk. Always ensure devices are compatible with the provided power specifications.

Maintenance

Proper maintenance ensures the longevity and appearance of your DOMICON L-Shaped Gaming Desk MK-1.

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the carbon fiber texture or painted finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the desk material.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if necessary to maintain desk stability.
- **Cable Management:** Regularly organize cables to prevent tangling and reduce strain on the power outlet and connected devices.

Troubleshooting

This section addresses common issues you might encounter with your DOMICON L-Shaped Gaming Desk MK-1.

- **Desk Wobbles:**
  - Ensure all assembly screws are fully tightened.
  - Check if the desk is on an even surface. Adjust leveling feet if present.
- **RGB Lights Not Working:**
  - Verify the LED strips are correctly plugged into the power outlet.
  - Check if the power outlet itself is receiving power from the wall socket.
  - Ensure the control button or remote has working batteries (if applicable).
- **Power Outlet Not Functioning:**
  - Confirm the desk's power cord is securely plugged into a functional wall outlet.
  - Check if the power strip's circuit breaker (if present) has tripped. Reset if necessary.
  - Test with a different device to rule out device-specific issues.
- **Monitor Stand Difficult to Adjust:**
  - Ensure the securing knobs are sufficiently loosened before attempting to adjust the height.
  - Do not force the adjustment; if resistance is met, re-check the mechanism for obstructions.
