SPIDER-FOES AFFILIATION

"Bring me Spider-Man!"

Masked heroes make many enemies. From thwarted foes to would-be rivals, each defeat at the hands of the Web Warriors kindles the desire for revenge. With a common enemy to bring them together and a common goal to bind them, the Spider-Foes leap from misfit miscreants to a deadly cooperative. Can anything truly stop an alliance driven by revenge?

Recruit your own Spider-Foes for your games of *Marvel: Crisis Protocol* with the Spider-Foes Affiliation Pack. In this box, you will find highly detailed miniatures of Doctor Octopus, Green Goblin, Kraven the Hunter, and Lizard, as well as Stat Cards and Team Tactic Cards to match. Assemble your Squad and become a sinister force of reckoning!

ASSEMBLY INSTRUCTIONS

The miniatures in this pack are supplied unassembled and unpainted. Follow these general steps for assembly:

1. **Preparation:** Carefully remove all miniature components from their sprues using a hobby knife or clippers. Be mindful of small parts.
2. **Cleaning:** Gently clean any mold lines or excess plastic from the components using a hobby knife or fine-grit sandpaper.
3. **Assembly:** Refer to the included assembly guide (if any) or the product images for proper positioning of parts. Use plastic cement or super glue to attach components. Allow sufficient drying time.
4. **Basing:** Attach the assembled miniatures to their designated bases. Ensure a secure fit.
5. **Painting (Optional):** Once assembled, you may choose to paint your miniatures using acrylic hobby paints to enhance their appearance.

GAME INTEGRATION (OPERATING)

The Spider-Foes Affiliation Pack is an expansion for the Marvel: Crisis Protocol miniatures game. To use these characters in your games:

- **Character Stat Cards:** Each character comes with a dedicated stat card. These cards detail the character's abilities, attacks, defenses, and special rules. Familiarize yourself with these cards before play.
- **Affiliation Rules:** The Spider-Foes form a specific affiliation within the game. Consult the Marvel: Crisis Protocol Core Rulebook for detailed rules on building an affiliation team and utilizing affiliation abilities.
- **Team Building:** Integrate Green Goblin, Doctor Octopus, Kraven the Hunter, and Lizard into your roster according to the game's team-building rules. Their threat values and abilities will influence your overall strategy.
- **Tokens:** The included token sheet provides game tokens necessary for tracking status effects, objectives, and other in-game elements.

For comprehensive gameplay rules, refer to the official Marvel: Crisis Protocol Core Rulebook and any relevant errata or FAQs available from Atomic Mass Games.

MAINTENANCE

To ensure the longevity of your miniatures and game components:

- **Storage:** Store miniatures in a cool, dry place away from direct sunlight to prevent warping or paint fading. Consider using foam trays or display cases for protection.
- **Cleaning:** Dust miniatures gently with a soft brush. Avoid harsh chemicals or abrasive materials.
- **Handling:** Handle miniatures by their bases to prevent damage to delicate parts or paintwork.
- **Card Care:** Keep stat cards flat and protected from spills or creases. Card sleeves are recommended for extended use.

TROUBLESHOOTING

If you encounter issues with your Marvel: Crisis Protocol Spider-Foes Affiliation Pack:

- **Missing Components:** If any components are missing from your new, sealed pack, please contact Asmodee customer support with proof of purchase.
- **Assembly Difficulties:** Ensure you are using appropriate glues for plastic miniatures. If parts do not fit, gently trim excess plastic or flash. Do not force components.
- **Rules Clarification:** For questions regarding game rules or character abilities, consult the official Marvel: Crisis Protocol rulebooks, online resources, or community forums.
