leejdn Black Vanity Desk User Manual

Model: 808

Brand: leejdn

PRODUCT OVERVIEW

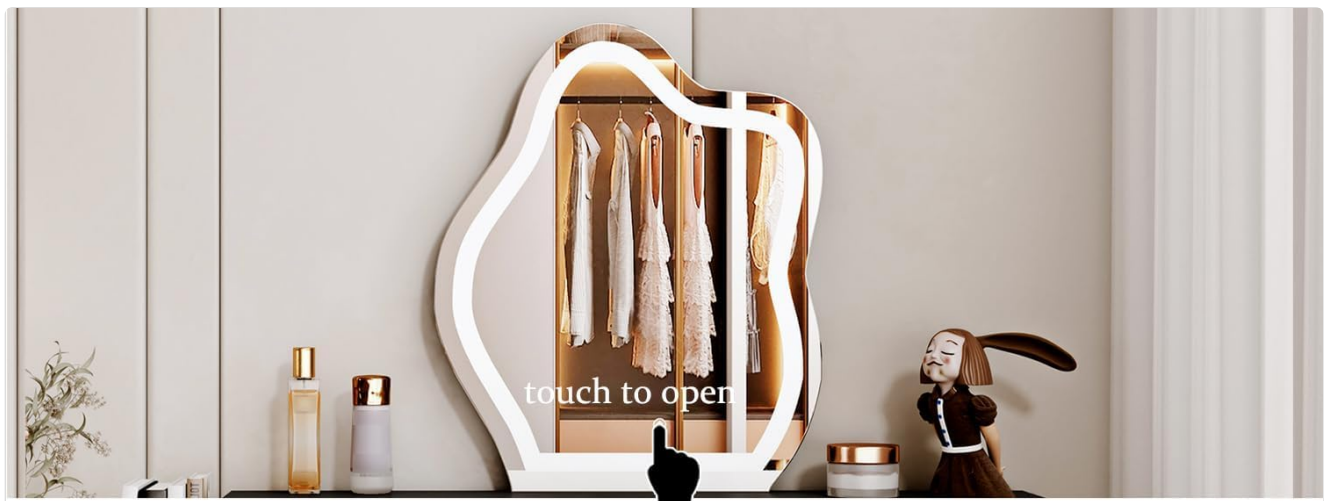

The leejdn Black Vanity Desk is a versatile and stylish furniture piece designed for makeup application and personal organization. It features a modern design with a dimmable LED mirror, ample storage, and flexible configuration options to suit various room layouts.

Image: Fully assembled Ieejdn Black Vanity Desk, showcasing its sleek design, mirror with integrated lighting, and the main desk area with drawers.

PRODUCT FEATURES

- **3-Color LED Dimmable Mirror:** The vanity desk includes a uniquely shaped mirror with integrated LED lighting. It offers three distinct light colors (natural, warm, and cool) and adjustable brightness to optimize your makeup application in various lighting conditions.

Three light modes can be adjusted at will

Touch the on/off button to adjust different light modes

Cool light

Warm light

Warm yellow light

Long press the on/off button to adjust the brightness of each type of light

Image: The vanity mirror displaying its three adjustable light modes: cool light, warm light, and warm yellow light, with a brightness adjustment scale.

- **Flexible Configuration:** The design allows for adjustable length and interchangeable positioning of the storage cabinet. This enables you to arrange the vanity to fit your specific space requirements, with the cabinet placed on either the left or right side.

On the left or right

storage cabinet on the left

- **Ample Storage:** Equipped with five drawers (three in the cabinet, two large in the main desk), this vanity provides significant space for organizing makeup essentials, jewelry, and other personal items. The drawers feature silent, smooth-gliding metal slides for effortless operation.

Image: An overhead view of the vanity desk with all five drawers pulled open, revealing their spacious interiors filled with various cosmetic and personal items, highlighting the storage capacity.

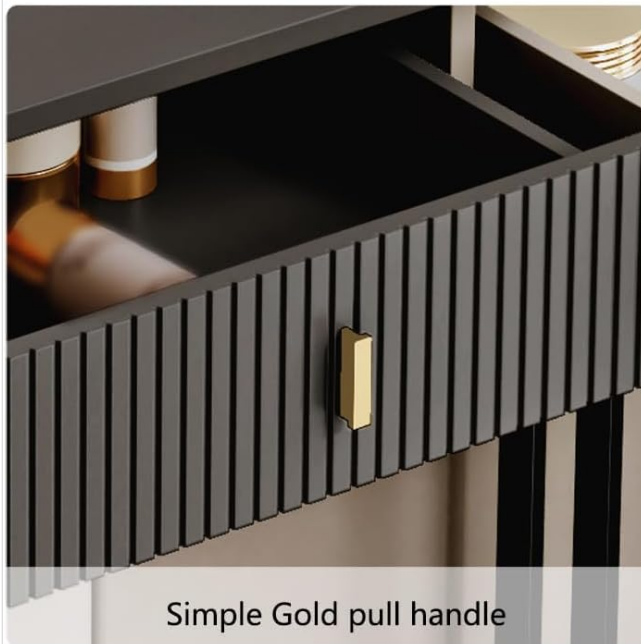

- **Durable Construction:** Constructed from E0 grade environmental protection density board (MDF) and featuring sturdy metal legs, the vanity desk is designed for stability and durability. The surface is scratch-resistant and moisture-resistant, making it easy to clean.

Silent Smooth Slides

SETUP AND ASSEMBLY

This product requires self-assembly. The package includes all necessary hardware and clear, concise instructions to guide you through the process. While assembly is designed to be straightforward, having basic tools may be beneficial.

Assembly Tips:

- Unpack all components and verify against the parts list provided in the instruction manual.
- Lay out all hardware and separate by type to ensure easy identification.
- Follow the step-by-step instructions carefully. Do not overtighten screws unless specified.
- Consider assembling on a soft, clean surface to prevent scratches to the furniture pieces.
- For optimal stability, ensure all connections are secure once assembly is complete.

『 Good quality with heart 』

we choose to make it like this

....

- * ample use of materials
- * heavy weight
- * higher stability

**The bottom panel
can be made like this**

....

- * skimp on quality
- * small weight
- * poor stability

Image: A visual comparison illustrating the robust construction of the vanity's base, emphasizing the use of ample, heavy materials for higher stability compared to lighter, less stable alternatives.

OPERATING INSTRUCTIONS

LED Mirror Operation:

1. **Power On/Off:** Locate the touch-sensitive power button on the mirror surface. Tap once to turn the LED lights on or off.
2. **Change Light Color:** With the lights on, tap the power button repeatedly to cycle through the three available light colors: natural, warm, and cool.
3. **Adjust Brightness:** To dim or brighten the lights, press and hold the power button. The brightness will gradually adjust. Release the button when the desired brightness level is reached.

Adjusting Cabinet Position:

The storage cabinet is designed to be flexible. It can be moved along the main desk to adjust the overall width of the vanity or to change its position from left to right. Gently slide the cabinet to your desired location. Ensure it is stable before placing heavy items on it.

MAINTENANCE

To ensure the longevity and appearance of your leejdn Vanity Desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the surface with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be used, followed immediately by a dry cloth to prevent moisture damage. Avoid harsh chemicals or abrasive cleaners.
- **Spills:** Promptly clean up any spills to prevent staining or damage to the MDF material.
- **Drawer Slides:** The metal drawer slides are designed for smooth operation. If they become stiff over time, a small amount of silicone-based lubricant can be applied.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a lint-free cloth. Avoid spraying cleaner directly onto the mirror's edges or electrical components.
- **Stability Check:** Periodically check all screws and connections to ensure they remain tight and secure. Retighten as necessary.

TROUBLESHOOTING

If you encounter any issues with your vanity desk, please refer to the following common solutions:

Problem	Possible Cause	Solution
LED Mirror Lights Not Working	Power cable disconnected; power outlet issue; mirror sensor dirty.	Ensure the power cable is securely plugged into the mirror and a working outlet. Clean the touch sensor area on the mirror.
Drawers are Stiff or Not Sliding Smoothly	Drawer slides are dry or misaligned; items obstructing the drawer.	Check for obstructions. Apply a small amount of silicone lubricant to the drawer slides. Ensure the slides are correctly aligned during assembly.
Vanity Feels Unstable/Wobbly	Loose screws; uneven floor; cabinet not properly positioned.	Retighten all assembly screws. Adjust the leveling feet on the metal legs if your floor is uneven. Ensure the movable cabinet is securely placed.
Missing Parts During Assembly	Packaging error.	Carefully check all packaging materials. If parts are still missing, contact customer support with your purchase details.
