## 1. SAFETY INFORMATION

Ensure the safety of your child by adhering to the following guidelines:

- **Adult Supervision:** Always supervise children during play.
- **Stable Placement:** Place the slide on a flat, stable surface to prevent tipping. The triangle support design enhances stability.
- **Weight Limit:** Do not exceed the maximum weight recommendation of 150 pounds (68 kg).
- **Age Range:** Suitable for children aged 1-3 years.
- **Secure Assembly:** Verify all parts are securely fastened before each use.
- **Raised Baffles:** The double-sided raised baffles are designed to prevent rollover accidents. Ensure they are intact.
- **Clear Area:** Ensure the area around the slide is clear of obstacles to prevent injuries.
- **Indoor/Outdoor Use:** This slide is designed for both indoor and outdoor use. Protect from extreme weather conditions when used outdoors.

Figure 1.1: The slide features a thick and stable triangle support to prevent shaking or tilting during use.

Figure 1.2: Double-sided raised baffles enhance safety by preventing rollover accidents.

## 2. PACKAGE CONTENTS

Before assembly, please ensure all components are present and undamaged:

- Slide Body (Main sliding surface)
- Side Supports (Left and Right, often with animal design)
- Steps (Multiple, typically 2-3)
- Handrails (Integrated into side supports or separate)
- Fasteners/Connectors (Screws, nuts, or snap-fit components)
- Basketball Hoop (Optional, if included with model)
- Small Ball (Optional, if included with model)
- Instruction Manual (This document)

If any parts are missing or damaged, contact Baotree customer support immediately.

### 3. ASSEMBLY INSTRUCTIONS

---

The Baotree Toddler Slide is designed for easy assembly, requiring minimal time and effort. Follow these steps:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Attach Side Supports:** Connect the left and right side supports to the main slide body. Ensure they click securely into place or are fastened with the provided connectors.
3. **Install Steps:** Insert the steps into the designated slots on the side supports. Press firmly until they are fully seated and stable.
4. **Secure Handrails:** If separate, attach the handrails to the top of the side supports.
5. **Attach Basketball Hoop (if applicable):** Secure the basketball hoop to the designated area on the side support.
6. **Final Check:** Before allowing use, thoroughly check all connections to ensure they are tight and secure. The slide should not wobble or show any signs of instability.

No special tools are typically required for assembly.

### 4. OPERATING INSTRUCTIONS

---

The Baotree Toddler Slide provides a fun and safe play experience. Follow these simple operating guidelines:

- **Climbing:** Children should climb the steps one at a time, holding onto the handrails for support.
- **Sliding Position:** Instruct children to sit at the top of the slide with their feet first, facing forward.
- **Clear Landing Area:** Ensure the landing area at the bottom of the slide is clear before a child slides down.
- **One Child at a Time:** Only one child should be on the slide at a time to prevent collisions.
- **Extended Cushioning:** The slide features an extended cushioning design with acceleration, uniform speed, and deceleration zones for a smooth and safe descent.
- **Promotes Activity:** Encourage active play to help children develop motor skills, balance, and coordination.

**Figure 4.1:** The slide's design incorporates three distinct zones for a controlled and smooth sliding experience.

## 5. MAINTENANCE

---

Regular maintenance ensures the longevity and safety of your Baotree Toddler Slide:

- **Cleaning:** Wipe down the slide regularly with a damp cloth and mild soap. Rinse thoroughly and dry completely. Avoid abrasive cleaners or harsh chemicals.
- **Inspection:** Periodically inspect all parts for wear, cracks, or damage. Pay close attention to connections, steps, and the sliding surface.
- **Storage:** When not in use, especially during adverse weather, store the slide in a dry, protected area. The folding design allows for compact storage.
- **Outdoor Use:** If used outdoors, regularly check for dirt, leaves, or debris that may accumulate on the slide surface or in the steps.

**Figure 5.1:** The slide features a convenient folding design for space-saving storage.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your Baotree Toddler Slide, refer to the following common solutions:

Problem	Possible Cause	Solution
Slide feels unstable or wobbly.	Loose connections; uneven surface.	Ensure all fasteners are tightened. Move the slide to a flat, level surface.
Difficulty assembling parts.	Parts not aligned correctly; debris in connection points.	Refer to assembly instructions. Check for obstructions and ensure proper alignment before applying pressure.
Child slides too fast/slow.	Friction variation due to dirt or moisture.	Clean the slide surface thoroughly. Ensure it is dry for optimal sliding speed.
Parts appear damaged.	Manufacturing defect; rough handling.	Discontinue use immediately. Contact Baotree customer support for replacement parts or assistance.

## 7. SPECIFICATIONS

---

Feature	Detail
Brand	Baotree
Model Number	J24008-
Material	Plastic
Color	Green
Maximum Weight Recommendation	150 Pounds (approx. 68 kg)
Item Weight	8.13 pounds (approx. 3.7 kg)
Assembly Required	Yes

Feature	Detail
