## Quimoo Makeup Vanity

# Quimoo Makeup Vanity Desk User Manual

Model: Makeup Vanity

## INTRODUCTION

This user manual provides detailed instructions for the assembly, operation, and maintenance of your Quimoo Makeup Vanity Desk. Designed with ample storage and adjustable lighting, this vanity desk enhances your daily routine. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

## IMPORTANT SAFETY INFORMATION

Please adhere to the following safety guidelines to prevent injury or damage to the product:

- Do not overload drawers to prevent tipping or damage.
- Exercise caution with sharp edges during the assembly process.
- Ensure the product is stable and not at risk of tipping over before and during use.
- Do not use the vanity desk near water or with wet hands, especially when operating the electrical components.
- Always follow the assembly instructions carefully and verify stability after completing assembly.

## PACKAGE CONTENTS

Verify that all components are present before beginning assembly. Refer to the included parts list in your packaging for specific quantities.

- Vanity Desk Frame (Engineered Wood panels)
- Mirror with Integrated LED Lights
- 5 Storage Drawers
- Storage Shelves
- Metallic Silver Handles
- Assembly Hardware (screws, dowels, cam locks, etc.)
- Instruction Manual (this document)

## SETUP AND ASSEMBLY

Assembly is required for this vanity desk. It is recommended to have two people for assembly. Please follow the step-by-step instructions provided in the separate assembly guide included with your product. All parts are labeled for ease of identification.

Key assembly points:

- Identify all components and hardware using the provided list.
- Assemble the main desk frame first, ensuring all connections are secure.
- Install the drawer slides onto the desk frame and the drawers.
- Attach the mirror unit to the desk, ensuring it is firmly secured.
- Insert the drawers into their respective compartments.
- Connect the LED light power cable to a suitable power outlet.

## OPERATING INSTRUCTIONS

### LED Mirror Lights

The integrated LED lights offer customizable illumination for your makeup application needs.

- **Power On/Off:** Locate the touch switch on the mirror surface. A short press will turn the lights on or off.
- **Change Color Mode:** With the lights on, short press the touch switch to cycle through the three available color modes:
  - Cool White (approx. 6500K)
  - Warm White (approx. 4500K)
  - Warm Yellow (approx. 3500K)
- **Adjust Brightness:** With the lights on, long press the touch switch to continuously adjust the brightness level. Release the switch when the desired brightness is achieved.

## Drawer Usage

The vanity desk features five smooth-gliding drawers and open storage shelves for organizing your cosmetics, jewelry, and accessories.

- **Opening/Closing:** Gently pull or push the metallic silver handles to open and close the drawers. The drawers are designed with smooth slides for effortless operation.
- **Storage Optimization:** Utilize the various drawer sizes and open shelves to categorize and store items efficiently. The large main drawer is ideal for bulkier items, while the smaller side drawers are perfect for organizing makeup and smaller accessories.

## MAINTENANCE

To maintain the appearance and longevity of your Quimoo Makeup Vanity Desk, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Light Bulbs:** The LED bulbs are designed for long-term use. If replacement is ever needed, consult the manufacturer for compatible parts.
- **Hardware:** Periodically check and tighten any loose screws or fittings to ensure structural integrity.

## TROUBLESHOOTING

If you encounter any issues with your vanity desk, refer to the following common solutions:

| Problem                                   | Possible Cause   | Solution   |
|---|--|--|
| Lights not turning on                     | Power cable not connected; power outlet issue; touch switch malfunction. | Ensure the power cable is securely plugged into a working outlet. Test the outlet with another device. If issues persist, contact customer service.            |
| Drawers are stiff or not sliding smoothly | Overloaded drawer; debris in slides; misaligned slides.                  | Reduce drawer contents. Check for and remove any obstructions in the drawer slides. Verify that the drawer slides are correctly aligned and securely fastened. |
| Vanity feels wobbly                       | Loose connections; uneven floor.   | Check all screws and fittings and tighten them as necessary. Ensure the vanity is placed on a flat, level surface.   |
