vidaXL 2-Piece Patio Side Tables Instruction Manual

Model: Patio Side Tables (Black Poly Rattan & Acacia Wood Top)

1. INTRODUCTION

This manual provides instructions for the assembly, setup, operation, and maintenance of your vidaXL 2-Piece Patio Side Tables. These tables are designed for outdoor use, offering a functional and space-saving solution for your garden, backyard, or patio.

Image 1.1: The vidaXL 2-Piece Patio Side Tables. This set includes one larger table and one smaller table, both featuring black poly rattan bases and natural acacia wood tops.

The tables feature a durable poly rattan construction and sturdy acacia wood tops. The nesting design

allows the smaller table to be stored within the larger one, optimizing space when not in use.

2. SAFETY INFORMATION

- Ensure all components are securely fastened before use.
- Do not overload the tables.
- Keep children away from the assembly area. Small parts may pose a choking hazard.
- Place tables on a stable, level surface to prevent tipping.
- Avoid placing hot items directly on the wood surface without protection.

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package should contain:

- 1 x Garden side table (large)
- 1 x Garden side table (small)
- Assembly Guide
- Necessary assembly tools (e.g., wrench)

4. ASSEMBLY INSTRUCTIONS

Assembly is required for these patio side tables. Please follow the detailed steps provided in the included Assembly Guide. It is recommended that two people perform the assembly to ensure stability and ease of construction.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify all parts by referring to the parts list in the Assembly Guide.
3. Follow the step-by-step diagrams and instructions in the Assembly Guide to connect the components.
4. Use the provided wrench for tightening fasteners. Ensure all connections are secure but do not overtighten.
5. Once assembled, gently place the tables in their desired location.

5. SETUP AND USAGE

5.1 Placement

These tables are designed for outdoor use. Place them on a flat, stable surface in your garden, backyard, or patio. Ensure they are not exposed to extreme weather conditions for prolonged periods without protection.

5.2 Nesting Feature

The smaller table is designed to nest inside the larger table, providing a space-saving storage solution. To nest, simply lift the smaller table and place it within the larger table's frame.

5.3 General Use

These tables are suitable for holding beverages, snacks, books, or small decorative items. The acacia wood top provides a stable surface. The handle hole on the larger table's top allows for easy removal and access to the nested table or storage space.

6. MAINTENANCE AND CARE

Proper care will extend the lifespan and maintain the appearance of your patio side tables.

- **Cleaning:** Wipe the tables with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly. Avoid harsh chemicals or abrasive cleaners.
- **Wood Care:** The acacia wood tops have an oil finish. To maintain their appearance and protect against weathering, periodic re-oiling may be necessary, especially if exposed to direct sunlight or rain.
- **Protection:** To ensure the furniture remains beautiful, it is recommended to protect it with a waterproof cover when not in use or during adverse weather conditions.
- **Poly Rattan Care:** Poly rattan is weather-resistant and UV-resistant. Clean with water and a soft brush or cloth.

7. TROUBLESHOOTING

- **Table Wobbles:** Ensure the tables are placed on a flat, even surface. Check all assembly fasteners and tighten if necessary.
- **Stains on Wood Top:** For minor stains, clean immediately with a damp cloth. For deeper stains, light sanding and re-oiling may be required (consult a wood care specialist if unsure).
- **Fading Rattan:** While poly rattan is UV-resistant, prolonged exposure to intense sunlight can cause some fading over many years. Using a protective cover when not in use can minimize this.
