UGREEN 45025

UGREEN MagFlow Qi2 15W 3-in-1 Wireless Charger User Manual

Model: 45025

Introduction

Thank you for choosing the UGREEN MagFlow Qi2 15W 3-in-1 Wireless Charger. This device is designed to provide convenient and efficient wireless charging for your iPhone, AirPods, and Apple Watch simultaneously. Featuring Qi2 certification and strong magnetic alignment, it ensures a secure and fast charging experience. Please read this manual carefully before use to ensure proper operation and to maximize the product's lifespan.

Package Contents

Please check the package for the following items:

- 1 x UGREEN MagFlow Qi2 3-in-1 Wireless Charger
- 1 x 30W USB-C Power Adapter
- 1 x 1M USB-C to USB-C Charging Cable
- 1 x User Manual

Setup Guide

1. **Connect the Power Adapter:** Insert the included USB-C to USB-C cable into the USB-C port on the UGREEN

MagFlow charger.

2. **Plug into Power:** Connect the other end of the USB-C cable to the included 30W USB-C power adapter, then plug the adapter into a wall outlet.
3. **Power On:** The charger is now ready for use. Ensure the power adapter and cable are securely connected for optimal performance.

Note: *For efficient charging, it is recommended to use the included 30W USB-C power adapter and cable. Using a lower wattage adapter may result in slower charging speeds or inability to charge multiple devices simultaneously.*

Operating Instructions

1. Charging an iPhone

- **Magnetic Alignment:** Place your MagSafe-compatible iPhone (iPhone 12 series and newer) onto the main charging pad. The built-in N52H magnets will automatically align your iPhone for optimal charging.
- **Vertical or Horizontal:** The charger supports both vertical and horizontal orientations, allowing you to use your phone for video calls or media consumption while charging.
- **Case Compatibility:** For magnetic attachment and optimal charging, use a MagSafe-compatible case or remove your phone case before charging.
- **Fast Charging:** The charger delivers up to 15W fast wireless charging for compatible iPhones (requires iOS 17.2 or later for iPhone 13-18 series).

2. Charging AirPods

- Place your AirPods (with wireless charging case) onto the designated charging area on the base of the charger.
- Ensure the AirPods case is centered on the charging pad for proper contact.

3. Charging Apple Watch

- Place your Apple Watch onto the dedicated magnetic charging module.
- The module will magnetically attach to your Apple Watch, initiating charging.

4. Adjustable Stand Feature

The main charging pad for the iPhone can be adjusted to various angles (e.g., 0°, 45°, 70°) to suit your viewing preference. Gently adjust the stand to your desired angle. This allows for comfortable viewing or video calls while your device charges.

5. Important Charging Notes

- **Power Input:** Ensure your power adapter provides sufficient wattage for optimal charging of all devices. Refer to the table below for recommended input power.
- **iOS Version:** For iPhone 13-18 series, iOS 17.2 or later is required for 15W fast wireless charging.
- **Adaptive Charging:** The charger automatically detects your iPhone and AirPods to provide adaptive fast charging.

Compatibility

The UGREEN MagFlow Qi2 15W 3-in-1 Wireless Charger is compatible with a wide range of devices:

- **iPhones:** iPhone 18 Pro/18 Pro Max, 17/17 Air/17 Pro/17 Pro Max, 16/16 Plus/16 Pro/16 Pro Max, 15/15 Plus/15 Pro/15 Pro Max, 14/14 Plus/14 Pro/14 Pro Max, 13/13 Pro/13 Pro Max/13 mini, 12/12 Pro/12 Pro Max/12 mini.
- **AirPods:** AirPods 5/4/3, AirPods Pro 3/2/1.
- **Apple Watch:** All Apple Watch models (iWatch SE, Series 1-10, Ultra 2).
- **Other Qi-enabled devices:** Compatible with other phones and Bluetooth earbuds that support magnetic charging or Qi wireless charging, though magnetic attraction may not be present for non-MagSafe devices.

Safety Features

The UGREEN MagFlow Qi2 charger is equipped with multiple safety protections to ensure a secure charging environment

for your devices:

- **Over-voltage Protection:** Prevents damage from excessive voltage input.
- **Over-current Protection:** Safeguards against excessive current flow.
- **Over-temperature Protection:** Monitors and regulates temperature to prevent overheating.
- **Short-circuit Protection:** Automatically cuts off power in case of a short circuit.
- **Foreign Object Detection (FOD):** Detects metallic foreign objects on the charging surface to prevent hazards.

Brand	UGREEN
Model Number	45025
Wireless Charging Standard	Qi2
Max Wireless Output (iPhone)	15W
Max Wireless Output (AirPods)	5W
Max Wireless Output (Apple Watch)	5W
Input Connector	USB Type-C
Recommended Input Power	30W USB-C Power Adapter (included)
Color	Black
Weight	100 Grams
Special Features	Travel-friendly, Wireless Charging, Universal, Adjustable Stand

Maintenance

- Keep the charger away from water and liquids.
- Clean the surface with a soft, dry cloth. Do not use abrasive cleaners.
- Avoid dropping or subjecting the charger to strong impacts.
- Store in a cool, dry place when not in use.

Troubleshooting

Q: My device is not charging or charging slowly.

- Ensure the charger is connected to the included 30W USB-C power adapter and cable.
- Check if your device is properly aligned on the charging pad. For iPhones, ensure magnetic alignment.
- Remove any thick or non-MagSafe compatible phone cases.
- Verify that your iPhone is running iOS 17.2 or later for 15W fast charging.
- Ensure there are no foreign metallic objects between the charger and your device.

Q: The charger or my device is getting warm during charging.

- It is normal for wireless chargers and devices to become slightly warm during charging.
- If it becomes excessively hot, ensure proper alignment and remove any thick cases.
- The charger has built-in over-temperature protection to prevent damage. If it overheats, it may temporarily stop charging.

Q: Only one or two devices are charging.

- Ensure you are using the included 30W USB-C power adapter. Lower wattage adapters may not provide enough power for simultaneous charging.
- Check the placement of each device to ensure proper contact with its respective charging area.

Warranty and Support

UGREEN products come with a standard warranty. For detailed warranty information, product support, or technical assistance, please visit the official UGREEN website or contact our customer service team through the retailer where you purchased the product.
