5. Operating Instructions

- **Placement:** Position the cage in a quiet, safe indoor area where your pet will feel secure and protected from household disturbances.
- **Introducing Your Pet:** Gently place your small animal into the cage. Provide fresh water and appropriate food immediately.
- **Access:** The cage features secure doors for easy access to your pet and for routine care. Ensure doors are properly latched after use.
- **Using the Pull-out Tray:** The bottom pull-out tray is designed for convenient waste collection. Regularly check and empty the tray to maintain hygiene.

6. Maintenance and Cleaning

Regular cleaning is essential for your pet's health and the longevity of the cage.

- **Daily Cleaning:** Remove and clean the pull-out tray daily. Wash with mild soap and water, rinse thoroughly, and dry completely before reinserting.
- **Weekly Deep Cleaning:** Once a week, remove your pet and all accessories from the cage. Wipe down all metal surfaces of the cage with a pet-safe disinfectant or mild soap and water. Rinse thoroughly to remove all cleaning residues and dry completely.
- **Accessory Cleaning:** Clean the water bowl and food dishes daily. The mesh foot mat should be cleaned regularly to prevent accumulation of waste.

7. Troubleshooting

- **Cage Instability:** If the cage feels wobbly, re-check all connection points and ensure they are securely latched. Make sure the cage is on a flat, even surface.
- **Difficulty with Tray Removal:** Ensure the tray is not obstructed by bedding or other items inside the cage. Pull gently and evenly.
- **Rusting:** While the cage is coated, prolonged exposure to moisture or harsh chemicals can cause rust.

Ensure the cage is always dried thoroughly after cleaning.
