

GAOMON FC001

GAOMON FC001 Folding Chair User Manual

Model: FC001

1. INTRODUCTION

Thank you for choosing the GAOMON FC001 Folding Chair. This manual provides essential information for the safe and effective use of your new folding chairs. Please read it thoroughly before use and retain it for future reference. The GAOMON FC001 chairs are designed for versatility, comfort, and durability, making them suitable for a variety of indoor and outdoor settings.

2. SAFETY INFORMATION

- **Weight Capacity:** Do not exceed the maximum weight capacity of 350 pounds (approximately 158 kg) per chair. Overloading can cause damage or injury.
- **Stable Surface:** Always place the chair on a flat, stable, and level surface to prevent tipping.
- **Pinch Points:** Exercise caution when folding and unfolding the chair to avoid pinching fingers or hands in the moving parts.
- **Children:** Keep children away from the folding mechanism. Adult supervision is recommended when children are using or near the chairs.
- **Inspection:** Before each use, inspect the chair for any signs of damage, loose screws, or worn parts. Do not use if damaged.
- **Indoor Use:** While durable, these chairs are primarily designed for indoor use or sheltered outdoor environments. Prolonged exposure to harsh weather may affect their lifespan.

3. PRODUCT OVERVIEW

The GAOMON FC001 Folding Chair is engineered for comfort and convenience. Key features include:

- **Ergonomic Backrest:** Designed to fit body curves for enhanced comfort.
- **Sturdy Metal Frame:** Features a triangular structure for improved stability and durability.
- **Protective Foot Pads:** Equipped with non-slip foot pads to prevent scratches on floors.

- **Foldable Design:** Allows for easy storage and portability when not in use.

4. SETUP

The GAOMON FC001 Folding Chair requires no assembly. It arrives ready for immediate use.

4.1 Unfolding the Chair

1. Hold the chair by the top of the backrest and the front edge of the seat.
2. Gently pull the backrest and seat apart until the chair legs fully extend and lock into place. You may hear a click indicating it is securely open.
3. Ensure all four legs are firmly on the ground and the chair is stable before sitting.

5. OPERATING INSTRUCTIONS

Once unfolded and stable, the GAOMON FC001 Folding Chair is ready for use. It is suitable for various applications:

- **Dining Chair:** Use around dining tables for meals.
- **Office Chair:** Provides a comfortable seating option for temporary office setups.
- **Camping Chair:** Portable for outdoor activities (ensure sheltered use).
- **Reading Chair:** Comfortable for extended periods of sitting.

5.1 Folding the Chair for Storage

1. Ensure no one is sitting on the chair.
2. Grasp the top of the backrest and the front edge of the seat.
3. Push the backrest and seat towards each other, allowing the legs to fold inward.
4. Once folded, the chair becomes compact for easy storage.

6. CARE AND MAINTENANCE

- **Cleaning:** Wipe the chair surfaces with a soft, damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Drying:** Ensure the chair is completely dry before folding and storing to prevent rust or mildew.
- **Storage:** Store chairs in a dry, cool place away from direct sunlight and extreme temperatures.
- **Lubrication:** Periodically check the folding mechanisms and apply a small amount of silicone-based lubricant if movement becomes stiff.

7. TROUBLESHOOTING

- **Chair is wobbly:** Ensure all legs are fully extended and locked into place. Check that the chair is on a flat, even surface.

- **Difficulty folding/unfolding:** Check for any obstructions in the folding mechanism. Apply a small amount of lubricant to the joints if necessary. Do not force the mechanism.
- **Scratches on floor:** Verify that the protective foot pads are intact and properly seated on each leg. Replace if damaged.

If you encounter issues not listed here, please contact customer support.
