3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components and hardware are present and undamaged. Refer to the detailed packing list included with your product for a complete inventory. If any parts are missing or damaged, please contact customer support.

4. ASSEMBLY INSTRUCTIONS

Assembly of the IRONCK Vanity Desk is required. All necessary hardware and a step-by-step instruction manual are provided in the packaging. Due to the product's weight (127 pounds) and the number of components, it is highly recommended to have two people for assembly and to allocate sufficient time for completion.

- Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
- Identify all parts and hardware by comparing them to the provided parts list.
- Follow the numbered steps in the included assembly manual precisely.

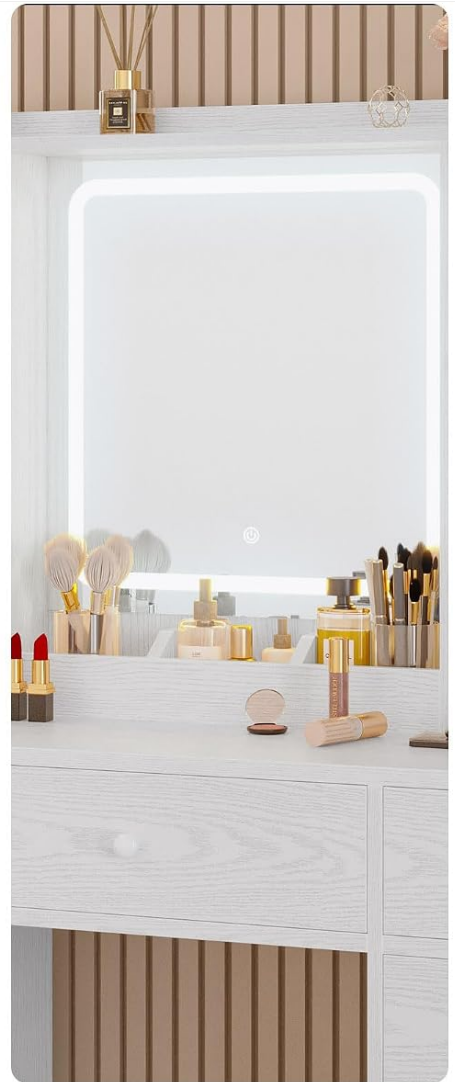

- Some users find it helpful to assemble the 11 drawers first to manage the numerous small components before constructing the main frame.
- Ensure all screws and fasteners are tightened securely, but do not overtighten to avoid damaging the material.
- Assistance will be needed when lifting and attaching the upper mirror section to the lower desk base.

6. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your IRONCK Vanity Desk.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- **Electrical Components:** Always unplug the vanity desk before cleaning any electrical components or the mirror surface.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the MDF board material.
- **Placement:** Avoid placing the vanity desk in direct sunlight or near heat sources to prevent warping or discoloration.

7. TROUBLESHOOTING

If you encounter any issues with your IRONCK Vanity Desk, please consider the following common solutions:

- **LED Lights Not Working:** Ensure the power cord is securely plugged into a functional wall outlet. Check if the smart touch

switch is responsive.

- **Charging Station Not Functioning:** Verify that the vanity desk is plugged in and receiving power. Test the outlets and USB ports with different devices.
- **Drawers Sticking/Not Closing Properly:** Check for any obstructions within the drawer slides. Ensure the drawer slides are correctly aligned and securely fastened.
- **Stability Issues:** Confirm that all assembly hardware is tightened. If the desk is on an uneven surface, consider using furniture levelers.

For issues not resolved by these steps, please refer to the detailed troubleshooting section in your product's original manual or contact customer support.
