Aptkdoe HD65

Aptkdoe HD65 Wireless Earbuds User Manual

Model: HD65 | Brand: Aptkdoe

INTRODUCTION

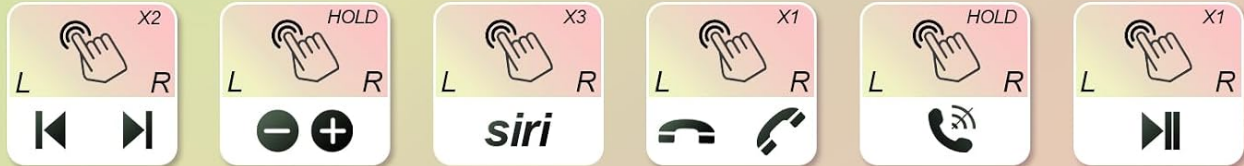

These Aptkdoe HD65 Wireless Earbuds are designed for an immersive audio experience with advanced features for active lifestyles. They offer Hi-Fi stereo sound, extended battery life, and a secure, comfortable fit, making them ideal for sports, workouts, and daily use.

WHAT'S IN THE BOX

- 2 x Wireless earbuds sport
- 1 x Fast Charging Case
- 1 x USB-C Charging Cable
- 3 x Pairs of Earplugs (S, M, L)
- 1 x Instruction Manual

Easy Control with Physical Buttons

Music incoming calls can be controlled at any time

This image displays all items included in the product packaging: two wireless earbuds, a charging case, a USB-C charging cable, three pairs of earplugs (S, M, L), and the user manual.

SETUP

Charging the Earbuds and Case

Before first use, fully charge the earbuds and charging case.

- Connect the provided USB-C charging cable to the charging port on the case.
- Connect the other end to a compatible USB power source.
- The dual LED display on the case will show the remaining power of the charging case and the charging progress of each earbud.

The image shows the rose gold Aptkdoe HD65 earbuds resting in their charging case. The digital LED display on the case indicates the battery percentage of the case and individual charge levels for the left and right earbuds.

Pairing with Your Device

The earbuds feature advanced Bluetooth 5.4 technology for instant pairing.

- Open the charging case. The earbuds will automatically enter pairing mode.
- On your device (smartphone, tablet, laptop), enable Bluetooth.
- Search for "Aptkdoe HD65" in the list of available Bluetooth devices and select it to connect.
- Once connected, the earbuds will automatically pair with this device in the future when the case is opened.

New Bluetooth 5.3 Technology and One-step Pairing

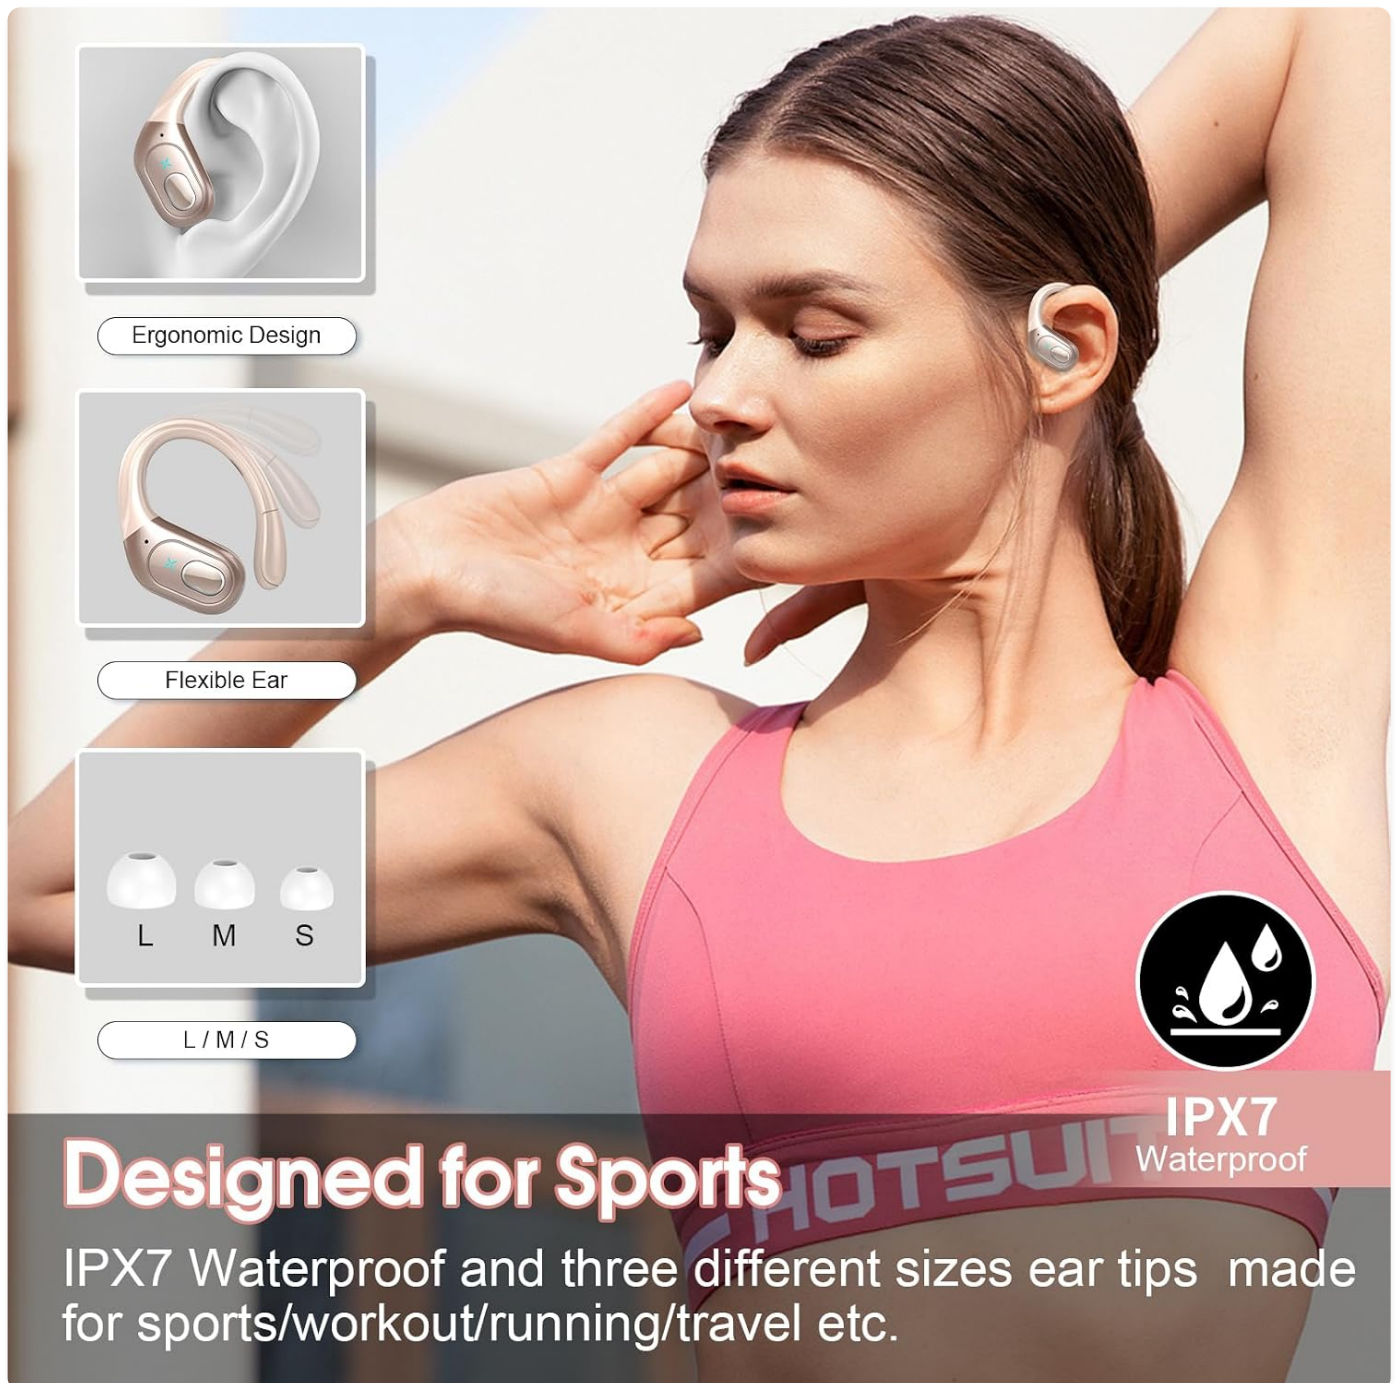

This graphic depicts the seamless pairing process of the earbuds with a mobile device, highlighting the efficiency of Bluetooth 5.4 technology for stable and quick connections.

EN: WARNING!!! Don't disassemble, hit, or burn the device.

ES: ¡Advertencia! No desarmes, golpees ni quemes el dispositivo.

IT: Avvertimento!!! Non smontare, colpire o bruciare il dispositivo.

DE: Warnung!!! Zerlegen, schlagen oder verbrennen Sie das Gerät nicht.

FR: Attention !!! Ne démontez pas, ne frappez pas et ne brûlez pas l'appareil.

This image focuses on the earbud's design, emphasizing the ENC (Environmental Noise Cancellation) microphone that helps eliminate background noise for clearer calls.

Extended Playtime

Enjoy up to 15 hours of continuous use on a single charge, with the portable charging case providing an additional 5-6 charges for a total of 75 hours of playtime.

75 Hours Long Battery Life

Enjoy longer music time with charging case

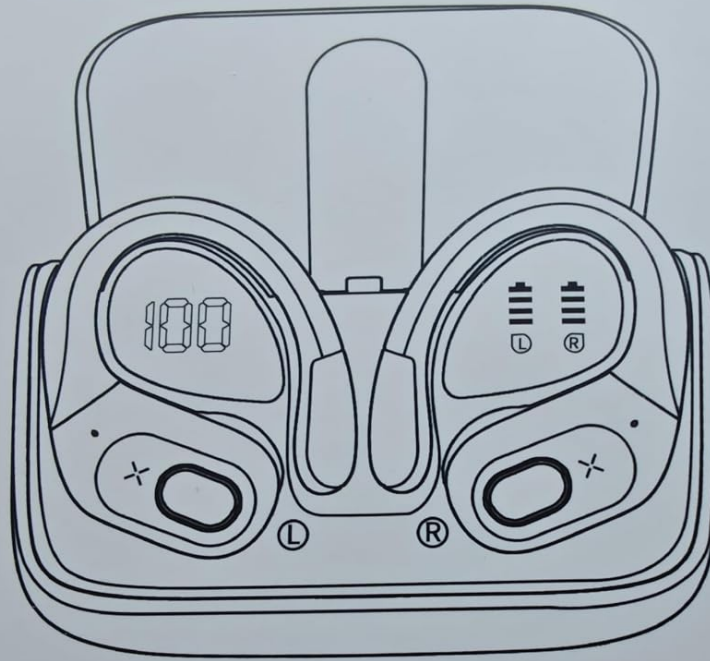

This graphic breaks down the impressive battery performance: 1.5 hours for fast charging, 15 hours on a single earbud charge, and a total of 60 hours from the charging case, summing up to 75 hours of total playtime.

Ergonomic Sports Design and IPX7 Waterproof

The ear hooks are made of innovative TPU material for a secure and comfortable fit, preventing them from falling off during activities. The IPX7 waterproof rating protects against sweat and rain.

Color

The image displays the three different sizes of ear tips (S, M, L) included with the earbuds, designed to ensure a comfortable and secure fit for various ear contours during physical activity.

MAINTENANCE

- Keep the earbuds and charging case clean and dry.
- Use a soft, dry cloth to wipe down the surfaces.
- Avoid exposing the earbuds to extreme temperatures or direct sunlight for prolonged periods.
- Store in the charging case when not in use to protect them and maintain charge.

TROUBLESHOOTING

Pairing Issues

- Ensure both earbuds are in the charging case and the case has sufficient battery.
- Turn off Bluetooth on your device and turn it back on.
- Forget "Aptkdoe HD65" from your device's Bluetooth settings and attempt to pair again.
- If issues persist, try resetting the earbuds (refer to the included instruction manual for specific reset procedures).

Sound Issues

- Check the volume levels on both your device and the earbuds.
- Ensure the earbuds are properly seated in your ears and the correct ear tip size is used for optimal sound.

- Clean any debris from the ear tips or speaker mesh.
- Move closer to your connected device to avoid interference.
