## Blue Tees Golf Player Go

# Blue Tees Golf Player Go GPS Speaker Instruction Manual

Model: Player Go | Brand: Blue Tees Golf

## INTRODUCTION

The Blue Tees Golf Player Go is a compact, AI-powered GPS speaker designed to enhance your golf game. Preloaded with over 40,000 courses worldwide, this device provides audible GPS readings, Bluetooth audio, and advanced course data when paired with the Blue Tees Game App. Its durable, waterproof design and built-in magnetic strip ensure reliability and convenience on the course.

## FEATURES

- **AI-Powered GPS Speaker:** Provides precise yardages with audible GPS readings.
- **Auto Course Recognition:** Instantly loads course data for over 40,000 courses worldwide.
- **Bluetooth Audio:** Enjoy your favorite music during your round.
- **16+ Hour Battery Life:** Ensures extended use without frequent recharging.
- **IPX7 Waterproof:** Designed to withstand various weather conditions.
- **Built-in Magnetic Strip:** Securely attaches to golf carts or other magnetic surfaces.
- **Action Button:** Programmable for audible distances, club selection, driving distances, play/pause, and track skipping.
- **App Integration:** Pairs with the Blue Tees Game App for advanced scoring, dynamic green views, and shot tracking.
- **Party Mode Pairing:** Connect two Player Go speakers or a Player Go with a Player+ for enhanced audio.

The Player Go leverages AI for precise yardage adjustments based on environmental factors.

Key features of the Player Go, including its compact design and robust connectivity.

## SETUP

1. **Charging:** Before first use, fully charge the Player Go using the provided USB-C cable. The charging port is located on the side of the device.
2. **Power On:** Press and hold the main Action Button (marked with an 'X' or golf tee icon) until the indicator light illuminates.
3. **Bluetooth Pairing:** Activate Bluetooth on your smartphone. On the Player Go, press and hold the Bluetooth pairing button (if separate, otherwise the Action Button might initiate pairing mode). Select 'Blue Tees Player Go' from your device's Bluetooth list.
4. **App Installation:** Download the Blue Tees Game App from your smartphone's app store. Follow the in-app instructions to connect your Player Go and access course data.
5. **Mounting:** Utilize the built-in magnetic strip to securely attach the Player Go to your golf cart or any compatible magnetic surface.

# AUDIBLE GPS DISTANCES

The powerful magnetic strip on the Player Go ensures secure attachment during your round.

## OPERATING INSTRUCTIONS

1. **Audible Distances:** Once connected to the app and a course is recognized, press the Action Button to hear audible distances to the front, center, and back of the green, as well as hazard distances.
2. **Music Playback:** Use the volume buttons (+/-) to adjust audio levels. The play/pause button (triangle icon) controls music playback. Press the Action Button twice to skip tracks.
3. **Auto-Course Recognition:** The Player Go automatically detects the golf course you are playing on when connected to the app, providing immediate access to relevant data.
4. **Party Mode:** To pair two Player Go speakers or a Player Go with a Player+ speaker, ensure both devices are in pairing mode and follow the instructions in the Blue Tees Game App for Party Mode setup.
5. **App Features:** Use the Blue Tees Game App for detailed course maps, shot tracking, advanced scoring, and dynamic green views.

Yards

## AUDIBLE DISTANCES

Never question your distances again. The Player GO provides audible distances to the nearest hazards, as well as your distances from the front, center, and back of the green.

Never question your distances again. The Player Go provides audible distances to the nearest hazards, as well as your distances from the front, center, and back of the green.

## AUTO-COURSE RECOGNITION

When paired with the Blue Tees Game mobile app, you can see the course closest to you. With over 40,000 courses mapped, you will have access to most course's data, like distances and hazards.

Pair your Player Go speakers together, or pair with your Player+ to deliver the ultimate listening power.

## MAINTENANCE

- **Cleaning:** The Player Go is IPX7 waterproof, allowing it to be rinsed under water for cleaning. Ensure the charging port cover is securely closed before exposing to water. Do not use harsh chemicals or abrasive materials.
- **Battery Care:** To prolong battery life, avoid fully discharging the device frequently. Charge the device regularly, especially if it will be stored for an extended period.
- **Storage:** Store the Player Go in a cool, dry place away from direct sunlight and extreme temperatures.

# BUILT-IN MAGNETIC STRIP

The IPX7 waterproof rating ensures the Player Go can withstand splashes and rain.

## TROUBLESHOOTING

---

- **Device Not Powering On:** Ensure the device is fully charged. Connect it to a power source and try again.
- **Bluetooth Connection Issues:** Make sure Bluetooth is enabled on your smartphone and the Player Go is in pairing mode. Try unpairing and re-pairing the device. Ensure no other devices are interfering with the connection.
- **Inaccurate GPS Readings:** Ensure the Player Go has a clear line of sight to the sky for optimal GPS signal. Verify that the Blue Tees Game App is updated to the latest version and that course data is downloaded.
- **No Audio from Speaker:** Check the volume levels on both the Player Go and your connected smartphone. Ensure the device is not muted.
- **App Functionality Issues:** Close and restart the Blue Tees Game App. If problems persist, try reinstalling the app.
