HOW TO FOLD THE BAG

1. Fully open the two side zipper pockets, fold the middle pocket flat.

2. Fold the two side zipper pockets to the center to complete the fold.

Contents of the Rhinowalk MTR4080 package, including the main bag, shoulder strap, external fixing straps, fixing straps, and rain cover.

SETUP AND INSTALLATION

The Rhinowalk MTR4080 bag is designed for secure attachment to various motorcycle racks or passenger seats.

Attaching the Bag

1. **Positioning:** Place the main bag on your motorcycle's rear rack or passenger seat.
2. **Securing with Fixing Straps:** Use the four provided fixing straps. Thread them through the D-rings on the bag and around your motorcycle's frame or rack. Tighten the straps firmly to prevent movement.
3. **Lock-Down Buckles:** Ensure the newly designed lock-down buckles are engaged to prevent straps from slipping during riding.
4. **External Fixing Straps:** For larger items, use the two external fixing straps to secure them to the outside of the bag.

Two Sides Are Supported By **Thick Steel Wires**
To Ensure That The Package,
Version Is Not Deformed And Shaken.

OPERATING INSTRUCTIONS

Expanding Capacity

The MTR4080 bag offers expandable capacity from 60L to 80L.

1. Locate the expansion zippers on both sides of the bag.
2. Unzip these zippers to extend the bag's volume.
3. Zip them back up to return to the compact 60L size.

Using Compartments and Features

- **Side Pockets:** Utilize the large zippered side pockets for easy storage and access to frequently needed items. These pockets contain multiple compartments for organization.
- **Elastic Band:** The elastic band on top of the bag is suitable for carrying or hanging lightweight items.
- **Shoulder Strap:** Attach the included shoulder strap to convert the bag into a duffel bag for off-bike carrying.
- **Rain Cover:** In adverse weather, deploy the rain cover. It features a drawstring to ensure it stays in place even in windy conditions.

MAINTENANCE

- **Cleaning:** Wipe the bag with a damp cloth and mild soap. Do not use harsh chemicals or abrasive cleaners.
- **Drying:** Allow the bag to air dry completely before storage to prevent mold or mildew.
- **Storage:** When not in use, fold the bag for compact storage.
- **Zipper Care:** Periodically clean zippers and apply a silicone-based lubricant to ensure smooth operation.

Step-by-step guide on how to fold the Rhinowalk MTR4080 Motorcycle Saddle Bag for compact storage.

TROUBLESHOOTING

- **Loose Straps:** If straps loosen during riding, ensure the lock-down buckles are fully engaged and tightened. Re-adjust and secure all straps before each ride.
- **Zipper Issues:** If zippers become stiff, clean them and apply a small amount of zipper lubricant. Avoid forcing stuck zippers.
- **Bag Deforming:** The bag's main frame is supported by reinforced steel wire and PE board to maintain shape. Ensure heavy items are placed at the bottom and weight is distributed evenly.
- **Water Leakage:** While the bag is waterproof, ensure the rain cover is properly fitted and all zippers are fully closed during heavy rain.
