Yaheetech Zero Gravity Recliner Chairs

MODEL: YT-00135518

Instruction Manual

1. Product Overview

The Yaheetech Zero Gravity Recliner Chairs are designed for outdoor relaxation, offering an adaptive reclining system and convenient features. This set includes two chairs with pillows, cup holder trays, and a carry strap for portability.

- **Adaptive Reclining System:** Features a zero-gravity reclining mechanism that is adjustable and lockable, providing optimal support at various angles.
- **Durable Construction:** Made with highly-resilient fabric and a robust, water-resistant metal frame for long-lasting use.
- **Portability:** Includes shoulder straps for easy transport and a foldable structure for effortless storage.
- **Detachable Tray:** An accessory tray is included, capable of holding a phone, a tablet, and two beverages.
- **No Assembly Required:** Chairs come pre-assembled and are ready for immediate use.

2. Safety Information

Please read and adhere to the following safety guidelines to ensure safe operation and prevent injury or damage.

- Always assemble and disassemble the chair with care. Do not force the chair into positions.
- Place the chair on stable, level surfaces to prevent tipping.
- Do not exceed the maximum weight capacity of **251 pounds**.
- Keep the chair away from heat sources and open flames.
- Do not leave the chair unattended when in use, especially with children or pets nearby.
- Always follow the manufacturer's instructions for proper use and care.

3. Setup and Unfolding

Your Yaheetech Zero Gravity Recliner Chairs come fully assembled, requiring no complex setup. Simply unfold and prepare for use.

1. **Unpack:** Carefully remove the chairs from their packaging.
2. **Unfold:** Gently pull the chair open until it reaches its fully extended position. Ensure all legs are firmly on the ground.
3. **Attach Tray:** If desired, attach the detachable cup holder tray to the side of the chair by aligning the slots and pressing firmly.

4. **Adjust Headrest:** Position the movable pillow headrest to your preferred height for neck or lumbar support.

4. Operating Instructions

The Zero Gravity Recliner Chairs offer an easy-to-use reclining mechanism for personalized comfort.

1. **Reclining:** While seated, gently push back with your feet and lean your body backward. The chair will smoothly recline.
2. **Locking Position:** Once you find your desired reclining angle, locate the locking levers on both armrests. Push these levers away from you to lock the chair securely in place.
3. **Returning Upright:** To return to an upright position, release the locking levers by pulling them towards you. Then, gently push forward with your feet and lean your body forward.

4. **Using Tray:** The detachable tray can hold your beverages, phone, or tablet for easy access while relaxing.

5. Maintenance and Care

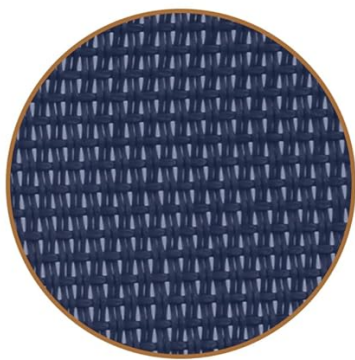

Proper maintenance ensures the longevity and appearance of your recliner chairs.

- **Cleaning:** Wipe clean with a damp cloth. For stubborn stains, use a mild soap solution and rinse thoroughly. Allow to air dry completely before folding or storing.
- **Storage:** When not in use, especially during inclement weather or off-season, fold the chairs and store them in a dry, protected area. The foldable design allows for compact storage in a garage or car trunk. Use the included carry strap for convenient transport.
- **Inspection:** Periodically check all bolts, screws, and bungee cords to ensure they are tight and secure.

Replace any worn or damaged parts immediately.

6. Troubleshooting

If you encounter any issues with your Yaheetech Zero Gravity Recliner Chairs, please refer to the following common solutions:

- **Chair not reclining smoothly:** Ensure the locking levers are fully disengaged. Check for any obstructions in the reclining mechanism.
- **Chair feels unstable:** Verify that the chair is placed on a flat, stable surface. Inspect all frame connections and bungee cords for tightness and integrity.
- **Tray not attaching securely:** Ensure the tray is correctly aligned with the attachment points on the armrest and pressed firmly into place.

For persistent issues or further assistance, please contact Yaheetech customer support.

7. Product Specifications

Feature	Specification
Brand	Yaheetech
