Aheaplus B0CX5BPKNH

Aheaplus Multi-Function Lift-Top Coffee Table (Model B0CX5BPKNH) User Manual

1. INTRODUCTION

This manual provides comprehensive instructions for the Aheaplus Multi-Function Lift-Top Coffee Table, Model B0CX5BPKNH. Designed for versatility, this table transforms to suit various needs, from a compact coffee table to an extended dining surface for multiple guests, while offering integrated power and ambient lighting. Please read this manual thoroughly before assembly and use to ensure proper function and longevity of your product.

Image 1.1: The Aheaplus Multi-Function Lift-Top Coffee Table configured as a dining table.

2. SAFETY INFORMATION

Prior to operating the lift-top mechanism, ensure the lower table section is raised first to prevent potential damage to the unit or injury. Always exercise caution when adjusting the table's height and configuration. Keep hands clear of moving parts. Do not overload the table or storage compartments beyond their intended capacity.

Caution: Lower table must be raised first to avoid damage

3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Tabletop panels
- Base frame components
- Lift mechanism hardware
- Storage compartment panels
- Lower shelf
- LED light strip
- Power outlet unit (with 3 AC outlets, 2 USB ports, 6.5FT power cord)
- Assembly Guide
- Tools (Allen wrench, screwdriver)

- Fasteners (screws, bolts, nuts)

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires one person and can be completed within 45 minutes to 2 hours, depending on experience. While one person can assemble it, having a second person is recommended for attaching the tabletop to the lift mechanism for ease and safety. Follow the numbered steps in the included Assembly Guide. All parts are labeled for easy identification.

1. **Unpack and Identify Parts:** Lay out all components and hardware. Refer to the parts list in the Assembly Guide.
2. **Assemble the Base Frame:** Secure the metal base frame components using the provided fasteners.
3. **Install Storage Compartments:** Attach the internal storage panels to the base structure.
4. **Mount the Lift Mechanism:** Secure the lift mechanism to the base. Ensure proper alignment.
5. **Attach the Tabletop:** Carefully align and attach the tabletop panels to the lift mechanism. This step is easier with two people.
6. **Install LED Light Strip:** Adhere the LED strip to the designated area on the lower shelf or inside the storage compartment. Connect it to the power source.
7. **Install Power Outlet Unit:** Secure the power outlet unit to the side of the table. Route the power cord as instructed.
8. **Final Checks:** Ensure all screws are tightened and the table is stable. Test the lift mechanism, LED lights, and power outlets.

5. OPERATING INSTRUCTIONS

5.1. Lift-Top Mechanism

- **To Raise the Tabletop:** Gently lift the main tabletop surface. The spring-assisted mechanism will elevate it smoothly.
- **To Extend to Dining Table:** Once raised, the tabletop panels can be folded outwards to create a larger surface.
- **To Lower the Tabletop:** Ensure the extended panels are folded back in. Gently push down on the main tabletop surface until it returns to the coffee table position. **Always ensure the lower table section is raised first before lowering the main top to prevent damage.**

5.2. LED Light Strips

- The LED lights can be controlled via the included remote control or a smartphone application.
- Features include 20 static colors, 21 dynamic modes, and 5 light flashing modes to customize ambiance.
- The memory function retains the last selected lighting mode when the unit is powered off and on again.

5.3. Power Outlets & USB Ports

- The integrated power unit includes 3 standard AC outlets and 2 USB charging ports.
- Connect electronic devices for charging or power. The unit is located on the side of the table for easy access.

6. FEATURES OVERVIEW

The Aheaplus Multi-Function Lift-Top Coffee Table is designed for adaptability and convenience.

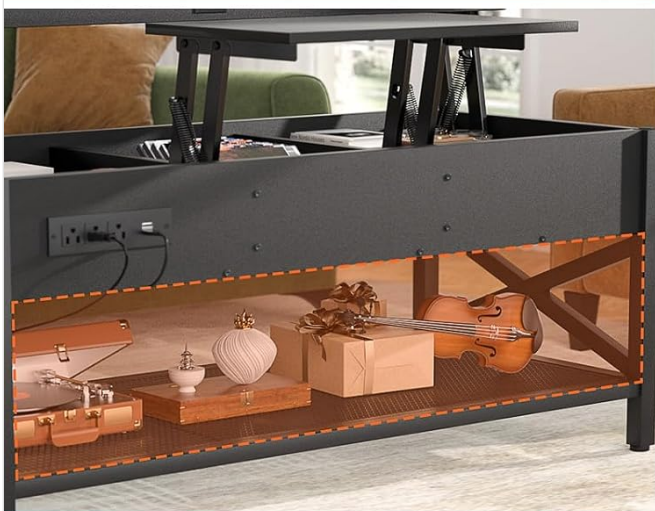

- **Versatile 4-in-1 Design:** Functions as a traditional coffee table, a raised workspace, an extended dining table for up to 8 people, and a storage unit.
- **Integrated Power:** Equipped with 3 AC outlets and 2 USB ports for convenient charging of electronic devices.
- **Dynamic LED Lighting:** Features customizable LED light strips with multiple colors and modes, controllable by remote or app, enhancing ambiance.
- **Ample Storage:** Includes hidden compartments beneath the lift-top surface and an open lower shelf for organizing items.
- **Durable Construction:** Built with a high-quality metal support mechanism, wooden construction, X-support, and a rigid metal frame for stability and longevity.

7. MAINTENANCE

Regular maintenance ensures the longevity and appearance of your coffee table.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Spills:** Promptly clean any spills to prevent staining, especially on wooden surfaces.
- **Lift Mechanism:** Periodically check the lift mechanism for smooth operation. Do not apply excessive force.
- **Electrical Components:** Ensure the power cord and outlet unit are free from damage. Do not expose electrical components to moisture.

8. TROUBLESHOOTING

This section addresses common issues you might encounter.

- **Lift Mechanism is Stiff or Uneven:**

- Check for any obstructions beneath the tabletop or within the mechanism.
- Ensure all assembly screws for the lift mechanism are securely tightened.
- Verify that the lower table section is raised first before attempting to lower the main top.

• **LED Lights Not Working:**

- Confirm the power cord for the LED strip is securely plugged into a working outlet.
- Check the connection between the LED strip and its controller.
- Ensure the remote control batteries are functional.

• **Power Outlets/USB Ports Not Functioning:**

- Verify the main power cord for the table is securely plugged into a working wall outlet.
- Check for any tripped circuit breakers in your home.
- Ensure devices are properly plugged into the outlets/ports.

9. SPECIFICATIONS

Feature	Detail
Brand	Aheaplus
Model Number	B0CX5BPKNH
Product Dimensions (Fully Expanded)	42"D x 39"W x 26.6"H
Color	Black
Recommended Uses	Dining, Working, Storing, Gathering
Shape	Rectangular
Included Components	Assembly Guide, Tools
Frame Material Type	Metal
Top Material Type	Wood
Base Type	Leg
Seating Capacity (Expanded)	8
Unextended Seating Capacity	2
Is Electric	Yes (LED lights, Power outlets)
Indoor Outdoor Usage	Indoor
Recommended People for Assembly	1
Tools Recommended For Assembly	Screw Driver
Style Name	Modern

10. WARRANTY AND SUPPORT

Aheaplus provides customer support for product inquiries and assistance. For any quality problems or questions regarding assembly, operation, or parts, please contact our customer service team. Our experienced team will respond within 24 hours to assist you.

ASK A QUESTION ABOUT THIS MANUAL
