4. ASSEMBLY INSTRUCTIONS

Assembly is designed to be straightforward with clear, detailed instructions and pre-drilled, marked components. It is recommended to have two people for assembly. An estimated assembly time is approximately 1-2 hours.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the provided labels (numbers and letters) and cross-reference with the instruction manual.
3. Attach the round table legs to the base of the cabinet following the diagrams.

4. Assemble the main frame of the cabinet, ensuring all connections are secure.
5. Install the drawer runners and assemble the three drawers.
6. Insert the adjustable shelves into the designated slots.
7. Attach the fluted glass doors using the provided hinges. Adjust hinges as needed for proper alignment.
8. Install the built-in wine glass rack.
9. If included, install the LED light strip according to the separate instructions.
10. Securely mount the cabinet to the wall using the anti-tipping device.

8. MAINTENANCE

To maintain the appearance and longevity of your cabinet:

- Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- For glass doors, use a standard glass cleaner and a lint-free cloth.
- Avoid placing hot items directly on the surface; use coasters or protective mats.
- Periodically check and tighten any loose screws or fittings.
- Keep the cabinet away from direct sunlight and excessive moisture to prevent warping or discoloration.

9. TROUBLESHOOTING

If you encounter any issues during or after assembly, refer to the following common solutions:

- **Wobbly Cabinet:** Ensure all screws and cam locks are fully tightened. Verify that the cabinet is placed on a level surface. Adjust the anti-tipping device if necessary.
- **Misaligned Doors/Drawers:** Adjust the hinges on the doors or the runners on the drawers. Most hinges allow for minor adjustments to align the doors properly.
- **Missing Parts:** Double-check the packaging. If parts are genuinely missing, contact customer support with your purchase details.
- **LED Lights Not Working:** Ensure the power adapter is securely plugged into both the light strip and a working power outlet. Check the remote control battery.
