SKY LINE OCEAN Flower House Building Block Set

INSTRUCTION MANUAL

1. Product Overview

The SKY LINE OCEAN Flower House Building Block Set is designed to ignite creativity and enhance cognitive skills in children aged 7 and up. This set features over 579 brightly colored, uniquely shaped bricks made from high-quality, environmentally friendly ABS materials. The blocks connect firmly and are smooth to the touch, ensuring a seamless and enjoyable building experience. The completed model includes integrated LED lights for added visual appeal.

2. Safety Precautions

- **Small Parts Warning:** This set contains small parts which may pose a choking hazard for children under 3 years of age. Adult supervision is recommended during assembly and play.
- **Age Recommendation:** Recommended for children aged 7 years and up.
- **Material Safety:** The building blocks are made from non-toxic, environmentally friendly ABS plastic.
- **Electrical Components:** Handle LED light components with care. Do not immerse in water.

3. Package Contents

Please verify that all components are present before beginning assembly:

- 579+ Building Blocks (various shapes and colors)
- LED Light Kit

- Detailed Step-by-Step Instruction Manual
- Accessory pieces (e.g., miniature furniture, plants, bicycle)

4. Assembly Instructions (Setup)

Follow these steps carefully to assemble your Flower House Building Block Set:

1. **Unpack and Sort:** Carefully open the packaging and sort the building blocks by color and shape. This will make it easier to locate specific pieces during assembly.
2. **Review Instructions:** Before starting, thoroughly review the detailed step-by-step instruction manual provided. Familiarize yourself with the diagrams and sequence of steps.
3. **Build Section by Section:** The manual guides you through building the house in sections. Pay close attention to the orientation of each block and ensure they connect firmly.
4. **Integrate LED Lights:** The LED light kit should be integrated at specific points during the assembly process as indicated in the instruction manual. Ensure wires are neatly tucked away and connections are secure.
5. **Final Touches:** Once the main structure is complete, add the decorative elements, such as the flowers, plants, and miniature accessories, to bring your flower house to life.

5. Operation

Once assembled, the Flower House can be enjoyed as a display piece or for imaginative play. The integrated LED lights add a special touch:

5.1. Powering the LED Lights

Locate the battery compartment for the LED lights (usually at the base or a hidden section of the model). Insert the required batteries (not included, typically button cells or AA/AAA batteries as specified in the assembly manual). Once batteries are installed, activate the lights using the designated switch. The lights will illuminate the interior of the flower house, creating a charming day-to-night effect.

6. Care and Maintenance

- **Cleaning:** To clean the building blocks, gently wipe them with a dry or slightly damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the assembled model or disassembled blocks in a cool, dry place away from direct sunlight to prevent discoloration or warping.
- **Battery Replacement:** If the LED lights dim or stop working, replace the batteries as per the instructions in the assembly manual.

7. Troubleshooting

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Blocks do not fit together securely.	Incorrect block orientation or misaligned pieces.	Refer to the instruction manual to ensure correct block placement and orientation. Apply gentle, even pressure.
LED lights do not turn on.	Batteries are dead, incorrectly inserted, or switch is off.	Check battery polarity, replace batteries if necessary, and ensure the power switch is in the 'ON' position. Verify all light connections.
Missing pieces.	Pieces may be overlooked in packaging or accidentally discarded.	Thoroughly check all packaging materials. If pieces are genuinely missing, contact customer support.
