## 1. INTRODUCTION

Thank you for purchasing the BTHFST LED Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new dresser. Please read it thoroughly before use and retain it for future reference.

Image 1.1: The BTHFST LED Dresser featuring six drawers, two pull-out trays, and integrated LED lighting.

## 2. SETUP AND ASSEMBLY

The BTHFST LED Dresser requires assembly. Please follow the included instructions carefully. All necessary tools and clearly labeled parts are provided in the package.

### 2.1 Unpacking

- Carefully remove all components from the packaging.
- Verify that all parts listed in the instruction manual are present.
- Keep packaging materials until assembly is complete to avoid misplacing small parts.

### 2.2 Assembly Steps

Refer to the detailed assembly guide provided with your product for step-by-step instructions. Ensure all connections are secure before proceeding.

### 2.3 Anti-Tipping Device Installation

For safety, it is crucial to install the anti-tipping devices. These devices secure the dresser to the wall, preventing accidental tipping, especially in households with children or pets.

Image 2.1: Illustration of the anti-tipping device securing the dresser to a wall, demonstrating correct installation for enhanced stability.

Image 2.2: A close-up view of the anti-tipping strap, showing how it connects the dresser to the wall for safety.

### 3. OPERATING INSTRUCTIONS

#### 3.1 LED Light Operation

The integrated RGB LED lights offer customizable ambiance. They can be controlled via a mobile application or a physical button.

- **Mobile App Control:** Download the designated app (refer to the assembly guide for app name/QR code). Through the app, you can select from over 60,000 colors, adjust brightness, choose dynamic modes, activate music sync, and set timing functions.
- **Button Control:** Use the inline button controller to cycle through preset colors and modes.

Image 3.1: The dresser illuminated with blue LED lights, illustrating the various control options including app and button control, color selection, dynamic modes, music mode, and timing functions.

Image 3.2: A visual representation of the mobile application interface, demonstrating options for customizing LED light settings such as color, dynamic effects, music synchronization, and scheduling.

### 3.2 Pull-Out Trays

The dresser features two pull-out trays designed to expand the usable desktop space. These trays are ideal for temporarily holding small items such as remote controls, glasses, watches, keys, or electronic devices.

- To use, gently pull the tray outwards from beneath the tabletop.
- To retract, push the tray back into its original position until it is flush with the dresser.

## The 2 Trays Expand Desktop Space

Image 3.3: The pull-out tray in an extended position, showcasing its utility for holding a tablet and other personal items, thereby expanding the available surface area.

Image 3.4: A detailed view of the pull-out tray, demonstrating its capacity to organize small daily essentials.

### 3.3 Drawer Usage

The six large drawers are equipped with metal slides for smooth operation. They provide ample storage for various items.

- Gently pull the handles to open the drawers.
- Push firmly to close them completely.
- Avoid overloading drawers to ensure smooth operation and prevent damage.

Image 3.5: The dresser with several drawers open, illustrating the generous storage capacity for clothing and other personal belongings.

## 4. MAINTENANCE

### 4.1 Cleaning

- Wipe the dresser surfaces with a dry, soft cloth.
- Avoid using abrasive cleaners, harsh chemicals, or excessive moisture, as these can damage the finish.
- For stubborn marks, a slightly damp cloth followed by a dry cloth may be used.

## 4.2 General Care

- Periodically check all screws and fasteners to ensure they remain tight. Retighten as necessary.
- Keep the dresser away from direct sunlight and extreme temperature changes to prevent warping or fading.
- Avoid placing hot items directly on the surface; use coasters or protective pads.

## 5. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights not working	Power cable not connected LED strip damaged Controller malfunction	Ensure power cable is securely plugged into an outlet and the dresser. Check for visible damage to the LED strip. Contact customer support if the issue persists after checking connections.
Drawers stick or do not close smoothly	Overloaded drawer Misaligned drawer slides Loose screws on slides	Reduce the weight or volume of items in the drawer. Ensure drawers are correctly seated on the slides. Tighten any loose screws on the drawer slides.
Dresser feels unstable	Loose assembly fasteners Anti-tipping device not installed Uneven floor surface	Check and tighten all assembly screws. Install the anti-tipping device as per instructions. Place shims under the dresser feet if the floor is uneven.

## 6. SPECIFICATIONS

Feature	Detail
Brand	BTHFST
Model Name	6 Drawer Dresser
Model Number	DJ503367_2
Product Dimensions	15.9"D x 47.3"W x 33.3"H
Color	Black
Material	Engineered Wood
Number of Drawers	6
Special Features	RGB LED Lights (App & Button Control), 2 Pull-Out Trays, Anti-Tipping Device
