Safety Information

It is crucial to adhere to all safety guidelines during assembly and use to ensure the longevity of the product and user safety. Please read the following information carefully:

- Always assemble the desk according to the provided instructions.
- Ensure the desk is properly anchored to the wall or floor to prevent tipping, especially when using the mobile file cabinet.
- Be aware of the maximum weight capacity of the desk and file cabinet to prevent structural damage or accidents.
- Never place heavy objects on the edges or near the corners of the desk to maintain stability.

Setup and Assembly

The Tribesigns Office Desk and Mobile File Cabinet are designed for straightforward assembly. The package includes all necessary hardware kits and a user manual with picture instructions. Using an electric screwdriver can facilitate the assembly process.

Components Included:

- Desk components (desktop panels, metal frame legs, support beams)
- Mobile File Cabinet components (panels, drawers, wheels)
- Hardware Kits (screws, bolts, nuts, L-keys, etc.)
- User Manual (this document)

Assembly Steps:

1. Unpack all components and verify against the parts list in the included manual.
2. Begin by assembling the desk frame according to the picture instructions. Ensure all connections are secure.
3. Attach the desktop panels to the assembled frame.
4. Proceed with assembling the mobile file cabinet, including the drawers and attaching the four rolling wheels.
5. Once both units are assembled, position them as desired. The desk and cabinet are independent structures, allowing for flexible arrangement.

Operating and Features

The Tribesigns Office Desk and Cabinet set is designed to enhance productivity and organization in your workspace. Its features are optimized for comfort, durability, and efficient storage.

Key Features:

- **Cost-Effective Combination:** This set provides a cohesive and functional office solution, eliminating the need to source matching desk and cabinet units separately. Both pieces are designed for lasting use.
- **Sturdy and Stable Construction:** The desk features a 1.18-inch thickened desktop, significantly more robust than standard desktops. The heavy-duty metal frame ensures the L-shaped computer desk can support up to 300 pounds, providing a reliable and stable work surface.
- **Optimized Storage and Organization:**

- The integrated storage rack with a back panel under the desk offers ample space for books, power strips, and storage boxes, helping to keep your workspace tidy.
- The mobile file cabinet includes two drawers, designed to keep office supplies neatly hidden and organized.

- **Versatile Mobile File Cabinet:** The cabinet is equipped with wheels, allowing it to be easily moved and positioned wherever needed. It functions as a convenient assistant for organizing various items:
  - The top shelf is suitable for placing items like calendars, printers, plants, or sound devices.
  - The middle shelf can hold clips, staplers, notepads, documents, and printer paper.
  - An upper drawer is provided for privacy items such as notepads or earphones.
  - A deep bottom drawer is specifically designed for hanging letter-size files, ensuring important documents are easily accessible.

Maintenance

Proper care and maintenance will ensure the longevity and appearance of your Tribesigns Office Desk and Cabinet.

- **Cleaning:** Clean the desk surfaces and cabinet with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Metal Parts:** Avoid prolonged contact with water for metal parts to prevent rust or corrosion. Dry immediately if wet.
- **Weight Distribution:** Distribute weight evenly across the desktop and within the cabinet drawers and shelves to prevent stress on the structure.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

Troubleshooting

While the Tribesigns Office Desk and Cabinet are designed for durability and ease of use, minor issues may occasionally arise. Here are some common concerns and potential solutions:

- **Wobbling Desk/Cabinet:**
  - Ensure all assembly screws and bolts are fully tightened.
  - Verify that the desk is placed on a level surface. Adjust leg levelers if present, or use shims if needed.
- **Drawers Sticking/Not Sliding Smoothly:**

- Check if the drawer slides are properly aligned and free of obstructions.
- Ensure the drawers are not overloaded, which can cause misalignment.

- **Missing Parts:**
  - Carefully re-check all packaging materials.
  - If parts are genuinely missing, contact Tribesigns customer support with your purchase details.

For any issues not covered here, or if problems persist, please refer to the "Warranty and Support" section for contact information.
