

CACOE K08

CACOE K08 10-inch AZERTY Bluetooth Wireless Keyboard with Touchpad and Backlight User Manual

Model: K08

1. INTRODUCTION

Thank you for choosing the CACOE K08 10-inch AZERTY Bluetooth Wireless Keyboard with Touchpad and Backlight. This manual provides essential information for setting up, operating, and maintaining your keyboard. Please read it carefully before use to ensure optimal performance and longevity of your device.

2. SAFETY INFORMATION

- Keep the keyboard away from water, fire, and high temperatures.
- Do not attempt to disassemble or repair the device yourself.
- Use only the provided or certified charging cable.
- Avoid dropping or subjecting the keyboard to strong impacts.
- Clean the keyboard with a soft, dry cloth. Do not use liquid cleaners.

3. PACKAGE CONTENTS

Please check the package for the following items:

- CACOE K08 Bluetooth Wireless Keyboard with Touchpad
- USB-C Charging Cable
- User Manual

4. PRODUCT OVERVIEW

The CACOE K08 keyboard features a compact design with an integrated touchpad and adjustable backlight. It is designed for universal compatibility with various tablets.

5.2 Bluetooth Pairing

Follow these steps to connect your keyboard to your device:

1. Slide the power switch on the keyboard from OFF to ON.
2. Press and hold the **Fn + C** keys simultaneously for 3-5 seconds. The Bluetooth indicator light will flash rapidly.
3. On your tablet or device, go to **Settings > Bluetooth** and turn Bluetooth ON.
4. Search for "Wireless Keyboard" in the list of available devices and tap to pair.

6. OPERATING INSTRUCTIONS

6.1 Backlight Control

The keyboard features a 7-color backlight with adjustable brightness.

- **Activate/Adjust/Deactivate Backlight**: Press **Fn + Light Bulb icon** key. Each press cycles through brightness levels (Low, Medium, High, Off).
- **Change Backlight Color**: Press **Fn + RGB icon** key. Each press cycles through the 7 available colors.

Note: If the battery level is below 20%, the backlight may not turn on or may turn off automatically to conserve power. Please recharge the keyboard.

Les instructions suivantes s'appliquent uniquement aux claviers rétro-éclairés.

Appuyez sur ces touches pour activer/régler/désactiver le rétroéclairage. Lorsque le rétroéclairage est éteint, appuyez sur ces touches une fois pour l'allumer. Appuyez à nouveau sur ces touches pour augmenter la luminosité d'environ 20 %, appuyez à nouveau sur ces touches pour augmenter la luminosité d'environ 20 % supplémentaires, et appuyez une dernière fois sur ces touches pour éteindre le rétroéclairage.

Appuyez sur ces touches pour faire défiler les différentes couleurs du rétroéclairage. Remarque : Lorsqu'il reste moins de 20 % de batterie, le clavier éteint le rétroéclairage. Si le rétroéclairage ne peut pas être allumé ou s'il s'éteint immédiatement après s'être allumé, veuillez recharger le clavier.

Touches de fonction :

6.2 Touchpad Gestures

The integrated touchpad supports various multi-finger gestures for intuitive control:

- **Move Cursor:** Slide one finger across the touchpad.
- **Vertical/Horizontal Scroll:** Slide two fingers up/down or left/right.
- **Switch Active Applications:** Swipe three fingers upwards simultaneously.
- **Zoom In/Out:** Pinch two fingers together or spread them apart diagonally.

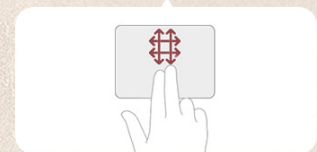

Utilisation du pavé tactile

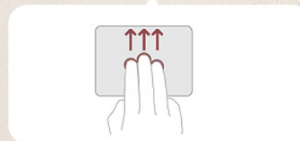

- **Déplacer le curseur :**
Déplacer le doigt

- **Défiler vertical/horizontal :**
Deux doigts se déplaçant de haut en bas ou d'un côté à l'autre

- **Basculer entre les dernières applications actives :**
Trois doigts glissant vers le haut en même temps

- **Effectuer un zoom avant ou arrière :**
Deux doigts s'écartant ou se rapprochant en diagonale

6.3 Function Keys

The top row of keys provides quick access to various functions when pressed with the **Fn** key:

- **Fn + F1:** Home Screen
- **Fn + F2:** Screen Brightness Down
- **Fn + F3:** Screen Brightness Up
- **Fn + F4:** Copy
- **Fn + F5:** Take Screenshot
- **Fn + F6:** Change Input Method
- **Fn + F7:** Previous Track

- **Fn + F8:** Play/Pause
- **Fn + F9:** Next Track
- **Fn + F10:** Mute
- **Fn + F11:** Volume Down
- **Fn + F12:** Volume Up

6.4 Special Characters (AZERTY Layout)

To type special characters like '@' and '€' on the AZERTY layout, the method may vary slightly depending on your operating system. Ensure your device's input language is set to French (AZERTY).

For iOS:

- **@:** Option + 0
- **€:** Option + E

For Android/Windows:

- **@:** Alt Gr + 0
- **€:** Alt Gr + E

8. TROUBLESHOOTING

If you encounter issues with your keyboard, please refer to the following common solutions:

- **Keyboard not connecting via Bluetooth:**
 - Ensure the keyboard is charged and powered on.
 - Make sure Bluetooth is enabled on your device.

- Press **Fn + C** to enter pairing mode (Bluetooth indicator will flash).
- Forget the device ("Wireless Keyboard") from your device's Bluetooth settings and try pairing again.
- **Incorrect characters or layout (e.g., QWERTY instead of AZERTY):**
 - Ensure the keyboard is set to the correct operating system mode (**Fn + Q** for iOS, **Fn + W** for Android, **Fn + E** for Windows).
 - On your device, go to keyboard settings and ensure the physical keyboard layout is set to AZERTY or French.
- **Backlight not working:**
 - Check the battery level and recharge the keyboard if necessary. The backlight may not function if the battery is low.
 - Press **Fn + Light Bulb icon** to cycle through brightness levels and turn it on.
- **Touchpad not responding:**
 - Ensure the keyboard is properly connected.
 - Restart the keyboard and your device.

If the problem persists, please contact customer support.

9. WARRANTY AND SUPPORT

CACOE products come with a standard manufacturer's warranty. For detailed warranty information, technical support, or any questions regarding your product, please refer to the contact information provided on the product packaging or visit the official CACOE website.

We are committed to providing excellent customer service and support.
