Kuulaa KL-YD57

Kuulaa 10000mAh Magsafe Battery Pack Instruction Manual

Model: KL-YD57 | Brand: Kuulaa

1. INTRODUCTION

The Kuulaa 10000mAh Magsafe Battery Pack is a compact and powerful portable charger designed to provide convenient power on the go. Featuring a slim profile and strong magnetic attachment, it offers both wireless (MagSafe compatible) and wired (USB-C PD 20W) charging capabilities for a wide range of devices, including iPhone 15/14/13/12 series and other compatible smartphones.

Figure 1: The Kuulaa 10000mAh Magsafe Battery Pack attached to an iPhone, highlighting its ultra-slim profile.

Its 10000mAh capacity ensures extended battery life for your devices, making it an ideal companion for travel, work, or daily use. The pass-through charging feature allows you to charge both the power bank and your device simultaneously.

Wireless & Wired Charging

Max 15W/7.5W
Magnetic Charging

Max 20W PD

2. WHAT'S INCLUDED

Please check the package contents to ensure all items are present:

- 1 x Kuulaa 10000mAh Magnetic Power Bank
- 1 x USB-A to USB-C Charging Cable
- 1 x User Manual

3. SETUP

3.1 Initial Charging of the Power Bank

Before first use, fully charge your Kuulaa 10000mAh Magsafe Battery Pack. Connect the provided USB-A to USB-C cable to the USB-C port on the power bank and plug the USB-A end into a compatible power adapter (not included). The LED indicator lights on the power bank will illuminate to show charging progress.

USB C Fast Charging

3.2 Attaching to Your Device (Magnetic)

For magnetic wireless charging, align the power bank with the back of your MagSafe-compatible iPhone (iPhone 12 series or newer). The strong magnets will snap the power bank securely into place. Ensure your iPhone has a MagSafe-compatible case or no case for optimal magnetic connection.

4. OPERATING INSTRUCTIONS

4.1 Wireless Charging (MagSafe Compatible)

Once magnetically attached to your compatible iPhone, the power bank will automatically begin wireless charging. The wireless charging indicator light on the power bank will illuminate. To stop wireless charging, simply detach the power bank from your device.

4.2 Wired Charging (USB-C Output)

To charge devices via wired connection, use a USB-C to USB-C cable (or the provided USB-A to USB-C cable with an appropriate adapter) and connect your device to the USB-C port on the power bank. The power bank supports up to 20W Power Delivery (PD) for fast charging compatible devices.

Figure 7: The USB-C port supports 20W Power Delivery output.

4.3 Simultaneous Wired & Wireless Charging (Pass-through)

The power bank supports pass-through charging, allowing you to charge both the power bank itself and a connected device simultaneously. Connect the power bank to a power source via its USB-C input, and then attach your iPhone for wireless charging or connect another device via the USB-C output.

4.4 Battery Indicator Lights

The power bank features LED indicator lights to show the remaining battery level. Typically, each light represents approximately 25% of the battery capacity. Press the power button briefly to check the current battery level.

4.5 Official Product Video

Your browser does not support the video tag.

Video 1: This video demonstrates the key features of the Kuulaa 10000mAh Magsafe Power Bank, including its snap-to-charge functionality, strong magnetic hold, fast recharging capabilities via USB-C, pass-through charging, and simultaneous wired and wireless charging. It also highlights the product's slim design and pocketability.

Video 2: This video showcases the 10000mAh Magsafe Power Bank, emphasizing its magnetic attachment, slim design, and ability to charge devices wirelessly and simultaneously.

5. MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the surface of the power bank. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the power bank in a cool, dry place away from direct sunlight and extreme temperatures.

- **Handling:** Avoid dropping or subjecting the power bank to strong impacts, as this may damage internal components.
- **Water Exposure:** This device is not waterproof. Keep it away from water and high humidity.

6. TROUBLESHOOTING

6.1 Power Bank Not Charging

- Ensure the charging cable is securely connected to both the power bank and the power adapter.
- Verify that the power adapter is functioning correctly and the power outlet is active.
- Try using a different USB-C cable or power adapter.

6.2 Device Not Charging Wirelessly

- Ensure your device is MagSafe compatible (iPhone 12 series or newer).
- Check that the power bank is properly aligned with the charging coil on your device.
- Remove any non-MagSafe compatible cases from your phone that might interfere with magnetic connection or wireless charging.
- Ensure the power bank has sufficient charge.

6.3 Device Not Charging Via USB-C

- Ensure the USB-C cable is securely connected to both the power bank and your device.
- Try using a different USB-C cable.
- Verify that your device's charging port is clean and free of debris.

6.4 Magnetic Connection is Weak

- Ensure your iPhone is MagSafe compatible.
- If using a case, ensure it is a MagSafe-compatible case. Standard cases may weaken the magnetic connection.
- Clean the magnetic surfaces on both the power bank and your device/case.

7. SPECIFICATIONS

Feature	Specification
Model Number	KL-YD57
Battery Capacity	10000mAh
Wireless Charging Output	Max 15W / 7.5W (Magnetic)
Wired Charging Output (USB-C)	Max 20W PD

Product Dimensions	3.94 x 0.47 x 2.76 inches
Item Weight	3.17 ounces (90 Grams)
Battery Type	Lithium Polymer
Number of Ports	1 (USB-C)

8. WARRANTY AND SUPPORT

The Kuulaa 10000mAh Magsafe Battery Pack comes with an **18-month limited warranty** from the date of purchase. This warranty covers manufacturing defects and issues arising from normal use.

For warranty claims, technical support, or any questions regarding your product, please contact Kuulaa customer service through the retailer's platform or the official Kuulaa website. Please have your purchase receipt and product model number (KL-YD57) ready when contacting support.
