User Manual

PU Leather Wallet Case for Alcatel 1B 2022 / TCL 303 / Vodafone Smart P12

1. INTRODUCTION

This manual provides instructions for the proper use and maintenance of your new PU Leather Wallet Case. This case is designed to provide protection and added functionality for your compatible smartphone.

1.1 Compatibility

This wallet case is compatible with the following smartphone models:

- Alcatel 1B 2022 (Model 5031)
- TCL 303
- Vodafone Smart P12

2. SETUP AND INSTALLATION

Follow these steps to properly install your smartphone into the wallet case:

1. **Prepare your device:** Ensure your smartphone is clean and free of dust or debris.
2. **Insert the phone:** Gently align your smartphone with the soft TPU inner shell of the case. Start by inserting one side of the phone into the flexible frame, then carefully press the other side until the phone is fully seated and secure within the shell. Ensure all buttons and ports align with the case's cutouts.
3. **Close the cover:** Fold the front flap of the wallet case over the screen. The magnetic closure will secure the flap in place.

3. OPERATING INSTRUCTIONS

3.1 Using the Card Slot Holder

The wallet case features integrated card slots and a cash pocket for your convenience.

- **Accessing slots:** Open the front flap of the case to reveal the card slots and cash pocket on the inner left side.
- **Inserting cards:** Slide your credit cards, ID cards, or other similar-sized cards into the designated slots.
- **Storing cash:** Fold banknotes and place them into the larger pocket behind the card slots.

3.2 Kickstand Function

The case can be folded into a kickstand for hands-free viewing.

1. **Open the case:** Fully open the front flap of the wallet case.
2. **Fold into stand:** Bend the back cover of the case along the designated crease to form a triangular stand. The magnetic closure can help stabilize the stand.
3. **Position your phone:** Place your phone horizontally on a flat surface, resting on the folded kickstand.

4. MAINTENANCE AND CARE

To ensure the longevity and appearance of your wallet case, follow these care instructions:

- **Cleaning:** Wipe the exterior with a soft, slightly damp cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive water.
- **Storage:** Store the case away from direct sunlight, extreme temperatures, and high humidity when not in use.
- **Avoid Overstuffing:** Do not overfill the card slots or cash pocket, as this can stretch the material and weaken the magnetic closure.
- **Protect from Sharp Objects:** Keep the case away from sharp objects to prevent scratches or punctures.

5. TROUBLESHOOTING

5.1 Case Does Not Fit Properly

If the case does not seem to fit your phone correctly:

- **Verify Compatibility:** Double-check that your phone model is listed under the compatible devices in Section 1.1.
- **Re-installation:** Remove your phone and carefully re-install it, ensuring it is fully seated within the TPU inner shell.

5.2 Magnetic Closure Not Holding

If the magnetic closure is not securing the flap:

- **Check for Obstructions:** Ensure no cards, cash, or other items are preventing the flap from closing completely.

- **Avoid Overstuffing:** Overfilling the card slots can weaken the magnetic hold. Remove some items if necessary.
