AODK 57-inch L-Shaped Gaming Computer Desk

AODK L-Shaped Gaming Desk User Manual

Model: 57-inch L-Shaped Gaming Computer Desk

Brand: AODK

INTRODUCTION

Thank you for choosing the AODK 57 Inch L Shaped Gaming Computer Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

Figure 1: Fully assembled AODK L-Shaped Gaming Computer Desk, showcasing its L-shape, integrated monitor stand, LED lighting, and storage solutions.

SAFETY INFORMATION

To ensure safe use and prevent damage, please adhere to the following safety guidelines:

- **Assembly Surface:** Always assemble the desk on a stable, level, and clean surface to prevent scratching or damage to the desk components or your flooring.
- **Tipping Prevention:** Secure the desk to the wall using the provided anti-tip hardware, especially if children or pets are present, to prevent accidental tipping.
- **Weight Capacity:** Do not overload the shelves, drawers, or desktop. Refer to the specifications section for maximum weight capacities.
- **Electrical Safety:** Keep all electrical components (power outlets, USB ports, LED lighting) dry and away from heat sources. Unplug the desk from the power source when not in use, during assembly, or before cleaning.
- **Children and Pets:** Keep small parts and assembly tools out of reach of children and pets during assembly. Ensure the desk is stable and all components are securely fastened before use.

- **Manufacturer Instructions:** Always follow the manufacturer's instructions for assembly, use, and maintenance. Any modifications to the product may void the warranty and pose safety risks.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. If any parts are missing or damaged, please contact AODK customer service immediately.

Component	Quantity	Description
Desktop Panels	Various	L-shaped main desktop and monitor stand sections.
Metal Frame Components	Various	Legs, support bars, and shelf frames.
Storage Drawers	2	Fabric drawers with handles for storage.
File Cabinet	1	Integrated storage cabinet.
Power Outlet & USB Hub	1	Unit with 3 AC outlets and 2 USB charging ports.
LED Lighting Strip	1	RGB LED strip with remote/controller.
Hardware Pack	1	Screws, bolts, nuts, and assembly tools (e.g., Allen wrench).
Instruction Manual	1	This document.

SETUP AND ASSEMBLY

The AODK L-Shaped Gaming Desk is designed for straightforward assembly. All necessary tools are included. Follow these steps carefully:

1. **Unpack and Identify:** Lay out all components on a soft, clean surface. Refer to the parts list and diagrams in the included printed instructions to identify each piece.
2. **Assemble Frame:** Begin by assembling the main metal frame components. Securely attach the legs and support bars using the provided screws and Allen wrench. Do not overtighten screws until all components are loosely fitted.
3. **Attach Desktop Panels:** Carefully place the desktop panels onto the assembled frame. Align the pre-drilled holes and secure the panels with screws. Ensure the monitor stand section is correctly oriented.
4. **Install Storage Units:** Insert the storage drawers into their designated slots. Assemble the file cabinet and CPU tower sections as per the diagrams, integrating them into the desk structure.
5. **Integrate Power Hub:** Install the power outlet and USB charging hub into its designated cutout on the desktop. Route the power cord neatly.
6. **Apply LED Lighting:** Adhere the RGB LED lighting strip to the underside of the monitor shelf or other desired locations using its adhesive backing. Connect it to the power source as instructed.
7. **Final Tightening:** Once all components are in place and aligned, systematically tighten all screws to ensure the desk is stable and secure.
8. **Anti-Tip Installation:** Attach the anti-tip hardware to the desk and secure it to a wall stud according to the instructions to prevent accidental tipping.

OPERATING INSTRUCTIONS

Power Outlets & USB Charging Ports

Figure 3: Integrated power strip with 3 AC outlets and 2 USB ports for convenient device charging.

The desk is equipped with a built-in power strip featuring 3 standard AC outlets (120V/12A) and 2 USB charging ports (5V/2A). Simply plug the desk's main power cord into a wall outlet. You can then plug in your computer, monitors, gaming gear, smartphones, and other electronic devices directly into the desk for convenient power access.

LED Lighting System

Figure 4: Customizable RGB LED lighting strips, offering various lighting modes and color options.

The integrated RGB LED lighting strip offers customizable ambiance. Use the included remote control or controller to:

- **Change Colors:** Select from 10 different color variations to match your mood or setup.
- **Adjust Lighting Modes:** Choose from 10 lighting modes, including static colors, fading, flashing, and more.
- **Brightness Control:** Increase or decrease the brightness of the LEDs.

Storage Solutions

Figure 5: Ample storage options including a file cabinet and two drawers for organizing essentials.

The desk provides various storage options to keep your workspace organized:

- **Storage File Cabinet:** Use for hanging files or larger items.
- **Two Storage Drawers:** Ideal for smaller accessories, stationery, or personal items.
- **Double-Tier Shelves:** Located on the side, perfect for books, decor, or additional equipment.
- **CPU Tower Space:** Dedicated area to house your computer tower, keeping it off the floor and integrated into the desk design.

Ergonomic Monitor Stand

Figure 6: The full-sized monitor stand promotes better posture and reduces neck and back strain.

The full-sized monitor stand elevates your display(s) to an ergonomic viewing height, helping to reduce strain on your neck and back during long periods of use. It also provides additional space underneath for storing keyboards, mice, or other peripherals when not in use.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your AODK desk:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or polishes that may damage the finish. For stubborn marks, a mild soap solution can be used, followed by drying thoroughly.
- **Spills:** Immediately wipe up any spills to prevent liquid from seeping into the engineered wood or damaging electrical components.
- **Heat and Moisture:** Avoid placing hot items directly on the desktop. Use coasters for drinks. Keep the desk away from direct sunlight and excessive humidity to prevent warping or discoloration.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.
- **Electrical Components:** Ensure the power outlets and USB ports are free from dust and debris. Do not attempt to repair or modify the electrical components yourself.

TROUBLESHOOTING

If you encounter any issues with your AODK desk, refer to the common problems and solutions below. If the problem persists, contact AODK customer service.

Problem	Possible Cause	Solution
Desk is wobbly/unstable.	Loose screws or uneven floor.	Ensure all screws are fully tightened. Adjust leveling feet if present, or place shims under legs on uneven surfaces.
Power outlets/USB ports not working.	Desk not plugged in, circuit breaker tripped, or faulty device.	Check if the desk's main power cord is securely plugged into a working wall outlet. Check your home's circuit breaker. Test with a different device.
LED lights not turning on/changing colors.	Loose connection, remote battery dead, or LED strip damage.	Ensure the LED strip is properly connected to its power source and controller. Replace remote battery. If still not working, contact support.
Drawers are difficult to open/close.	Misalignment or obstruction.	Check if the drawers are inserted correctly and not overloaded. Ensure no items are obstructing the drawer path.

SPECIFICATIONS

Feature	Detail
Product Dimensions (D x W x H)	31.5" x 55" x 34.7" (79.9cm x 139.7cm x 88.1cm)
