PURPLE LEAF 12' x 14' Sunroom Hardtop Gazebo Solarium

PURPLE LEAF 12' x 14' Sunroom Hardtop Gazebo Solarium Instruction Manual

Model: 12' x 14' Sunroom Hardtop Gazebo Solarium

1. INTRODUCTION

Thank you for choosing the PURPLE LEAF 12' x 14' Sunroom Hardtop Gazebo Solarium. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor structure. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

Important Safety Precautions:

- Always assemble and disassemble the gazebo with caution to avoid injury.
- Ensure the gazebo is securely anchored to a stable foundation to prevent it from being blown over in strong winds.
- Regularly inspect the gazebo for any signs of damage or wear.
- Maintain the gazebo according to the manufacturer's instructions to ensure its longevity and safety.
- Keep children and pets away from the assembly area.
- Do not use open flames or heating devices too close to the gazebo materials.

3. PARTS LIST

Before beginning assembly, verify that all parts listed in the packaging are present and undamaged. Refer to the detailed parts list provided in your product packaging for specific component identification. If any parts are missing or damaged, contact customer service for assistance.

4. SETUP AND ASSEMBLY

Assembly of this gazebo requires at least two adults. Follow the step-by-step instructions provided in your product packaging. Ensure all connections are secure before use.

4.1. Frame Assembly

Begin by assembling the aluminum frame components. Ensure all bolts and screws are tightened according to the instructions to establish a sturdy base.

4.2. Roof Installation

The galvanized steel double roof provides enhanced weather protection and ventilation. Carefully attach the roof panels to the assembled frame, ensuring proper alignment and secure fastening. The double-layer design allows for better heat insulation and air circulation.

4.3. Sliding Doors and Screens

Install the double sliding doors and the tea-colored PC screens. The PC screens offer privacy and protection from UV, wind, and rain. The mesh screens are designed to allow sunlight and ventilation while keeping insects out. The PC screens are removable and can be stored on the provided shelves.

Magnetic Double Sliding Doors

Fitted with magnetic strips, our sliding doors will hold together more tightly when closed.

5. OPERATING INSTRUCTIONS

5.1. Sliding Doors

The gazebo features double sliding doors for easy entry and exit. Gently slide the doors along their tracks. The magnetic strips ensure the doors remain securely closed when not in use.

5.2. PC Screens and Mesh Screens

The tea-colored PC screens can be easily removed or installed as needed. When removed, they can be stored on the designated shelves. The mesh screens provide insect protection and airflow. Ensure all screens are properly secured to prevent gaps.

5.3. Lighting System

Operate the integrated lights using the designated switch or control mechanism. Refer to the electrical section of your product manual for detailed instructions on power connection and usage.

6. MAINTENANCE

Regular maintenance will extend the life and appearance of your gazebo.

- **Cleaning:** Clean the aluminum frame and galvanized steel roof with mild soap and water. Rinse thoroughly. Clean PC screens and mesh with a soft cloth and mild detergent. Avoid abrasive cleaners.
- **Inspection:** Periodically check all bolts, screws, and connections to ensure they remain tight. Inspect the roof and screens for any signs of wear, tears, or damage.
- **Anchoring:** Ensure the gazebo remains securely anchored to the ground, especially before anticipated strong winds or severe weather.
- **Seasonal Care:** In areas with heavy snowfall, it is recommended to clear snow from the roof to prevent excessive weight accumulation. Consider disassembling and storing screens during extreme weather conditions.

7. TROUBLESHOOTING

If you encounter any issues with your gazebo, refer to the following common problems and solutions:

- **Loose Connections:** If the frame feels unstable, check all bolts and screws and tighten them as necessary.
- **Leaking Roof:** Ensure all roof panels are correctly installed and sealed. Check for any gaps or damaged sections.
- **Sticking Sliding Doors:** Clean the door tracks to remove any debris. Apply a silicone-based lubricant if needed.
- **Damaged Screens:** Replace any torn or heavily damaged PC or mesh screens.

For issues not covered here, please contact PURPLE LEAF customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	PURPLE LEAF
Material	Aluminum & PC Screen
Product Dimensions	167.32"L x 143.7"W x 121.26"H
Item Weight	526.2 Pounds
Frame Material	Aluminum
Water Resistance Level	Water Resistant
Shape	Rectangular
Ultraviolet Light Protection	UV Resistant
Assembly Required	Yes

Color

w/ Brown Screen and Lights
