# Yaheetech 8x5' Grill Gazebo Instruction Manual

Model: YTfotp0001001 | Brand: Yaheetech

## INTRODUCTION

The Yaheetech 8x5' Grill Gazebo is designed to provide a dedicated all-weather grilling station for your outdoor space. Crafted from durable polyester fabric with a water- and tear-resistant PA coating, it offers reliable protection from the elements. The galvanized metal frame, reinforced with crossbars, ensures stability. This gazebo features a three-tiered vented top for optimal airflow, reducing heat buildup and offering better wind resistance. It also includes convenient amenities such as height-adjustable shelves, a long hanging rod with S-shaped hooks, and a built-in bottle opener.

## SETUP AND ASSEMBLY

Assembly of the Yaheetech Grill Gazebo typically takes approximately one hour for a single person, with clear instructions and labeled parts provided to simplify the process. All necessary tools and components are included. The gazebo's versatile design allows for stable installation on various surfaces. For lawns or gardens, use the provided ground stakes to secure the structure. For concrete or wood decks, the frame can be fastened with bolts for a firm and permanent hold.

Detailed dimensions of the grill gazebo, including height, width, and shelf adjustability.

## FEATURES

The gazebo is equipped with two spacious mesh shelves, adjustable to heights of 36" or 40.4", providing convenient access to grilling essentials. A long hanging rod and ten S-shaped hooks offer ample space for organizing tools, gloves, and cleaning cloths. The three-tiered vented top is crucial for optimal airflow, preventing heat buildup from your grill and enhancing wind resistance. The polyester fabric with PA coating ensures water and tear resistance, protecting your grilling area.

## CONVENIENT DESIGNS

**Top Hook for  
Lights/Plants**

**Built-in Bottle  
Opener**

**10 Removable  
S-shaped Hooks**

**Height-adjustable  
Shelf on Each Side**

## OPERATING INSTRUCTIONS

To operate your Yaheetech Grill Gazebo effectively, ensure the adjustable side shelves are set to a comfortable height for your grilling needs. Utilize the S-shaped hooks on the hanging rod to keep your grilling tools organized and within easy reach. The built-in bottle opener provides a convenient way to open beverages while you cook. The 3-tiered vented top is designed to allow smoke and heat from your grill to escape efficiently, maintaining a comfortable environment underneath. Always ensure the gazebo is properly anchored to the ground using the provided stakes or bolts for stability, especially in windy conditions.

## MAINTENANCE

To ensure the longevity of your Yaheetech Grill Gazebo, regular maintenance is recommended. Clean the polyester fabric canopy periodically with mild soap and water, then rinse thoroughly and allow to air dry completely before storage. Avoid using harsh chemicals or abrasive cleaners that could damage the material. Inspect the galvanized metal frame for any signs of rust or damage, especially at connection points. Tighten any loose bolts or screws as needed. During periods of severe weather, such as strong winds or heavy snow, it is advisable to remove the canopy and store the frame to prevent damage.

## TROUBLESHOOTING

- **Gazebo Instability:** Ensure all frame connections are securely tightened. Verify that the gazebo is properly anchored to the ground using either the ground stakes (for soft surfaces) or bolts (for hard surfaces) as per the setup instructions.
- **Canopy Fabric Appears Loose:** During assembly, ensure the fabric is stretched tautly over the frame. Over time, fabric may slightly stretch; ensure all attachment points are secure.
- **Heat Buildup Under Canopy:** The 3-tiered vented top is designed for airflow. Ensure no obstructions are blocking the vents. Proper ventilation is key to dissipating heat and smoke.

## SPECIFICATIONS

Attribute	Value
Brand	Yaheetech
Material	Polyester, Alloy Steel
Style	Grill Gazebo
Product Dimensions	96.06"L x 59.25"W x 105.91"H
Frame Material	Galvanized Steel
Water Resistance Level	Water Resistant
Shape	Rectangular
Ultraviolet Light Protection	Yes
Assembly Required	Yes
Color	Brown
Item Weight	50.4 pounds
Item model number	YTfotp0001001

## WARRANTY & SUPPORT

For warranty information or product support, please refer to the documentation included with your purchase or visit the official Yaheetech website. Keep your proof of purchase for any warranty claims.
