# Ingnok Portable Monitor Cover Stand Instruction Manual

Model: YNCS2

## INTRODUCTION

---

This manual provides detailed instructions for the proper use and care of your Ingnok Portable Monitor Cover Stand, model YNCS2. Designed specifically for Ingnok portable monitors (YN02D/YN02B), this accessory offers enhanced protection and versatile stand functionality through its magnetic attachment and foldable design. Please read this manual thoroughly before use to ensure optimal performance and longevity of your product.

## PRODUCT OVERVIEW

---

The Ingnok Portable Monitor Cover Stand is an ultra-thin and ultra-light accessory that serves as both a protective cover and a stable stand for compatible Ingnok portable monitors. Its magnetic design allows for easy attachment and versatile positioning.

### Key Features:

- **Compatibility:** Specifically designed for Ingnok portable monitor 15.6 inch (YN02D+YN02B).
- **Magnetic Attachment:** Features a magnetic design for easy and secure attachment to the monitor.
- **Stable Placement:** Includes two grooves at the bottom for stable monitor placement.
- **Adjustable Angles:** Offers flexibility to switch between two different viewing angles (e.g., 45° and 65°).
- **Comprehensive Protection:** Provides all-around protection against scratches and general wear.
- **Portable Design:** Enhances the portability of your monitor, allowing it to be easily carried and used as a stand.

## SETUP INSTRUCTIONS

---

Follow these steps to properly attach and set up your Ingnok Portable Monitor Cover Stand:

### Attaching the Cover Stand:

1. Ensure your Ingnok portable monitor (YN02D/YN02B) is clean and free of debris.
2. Align the top edge of the cover stand with the top edge of the monitor. The magnets will automatically align and secure the cover to the back of the monitor.
3. Gently press along the edges to ensure a firm magnetic attachment.

## OPERATING THE COVER STAND

The cover stand can be easily adjusted to provide two stable viewing angles for your monitor:

### Adjusting Viewing Angles:

1. **Angle 1 (e.g., 65°):** Fold the cover along the designated creases to form a triangular support. Ensure the monitor rests securely in the deeper groove for a more upright position.
2. **Angle 2 (e.g., 45°):** Adjust the fold to utilize the shallower groove, providing a more reclined viewing angle.
3. The magnetic points within the cover will help maintain the chosen angle, providing stability during use.

## CARE AND MAINTENANCE

---

To ensure the longevity and appearance of your Ingnok Portable Monitor Cover Stand, follow these maintenance guidelines:

- **Cleaning:** Wipe the surface with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the material.
- **Protection:** The cover is designed to offer comprehensive protection against scratches. Avoid exposing it to sharp objects that could puncture or severely scratch the surface.
- **Storage:** When not in use, keep the cover stand attached to your monitor or store it flat in a clean, dry environment to prevent deformation.

## TROUBLESHOOTING

---

If you encounter any issues with your Ingnok Portable Monitor Cover Stand, please refer to the following common solutions:

- **Cover does not attach securely:**
  - Ensure the monitor model is Ingnok YN02D or YN02B. This cover is specifically designed for these models and may not be compatible with others.
  - Check for any obstructions between the monitor and the cover that might prevent proper magnetic contact.
  - Verify that the cover is aligned correctly with the monitor's top edge.

- **Stand is unstable:**

- Make sure the monitor is seated firmly within one of the two designated grooves on the stand.
- Ensure the folds of the cover are crisp and fully extended to form a stable triangular base.
- Confirm the stand is placed on a flat, stable surface.

- **Difficulty folding the cover:**

- Refer to Figure 3 and Video 1 in the Setup section for visual guidance on the correct folding technique.
- Practice folding a few times to get accustomed to the design.
