5. CARE AND MAINTENANCE

To ensure the longevity and appearance of your Hot Wheels Character Cars, follow these simple care guidelines:

- **Cleaning:** Wipe the vehicles with a soft, dry cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive cleaners, as these may damage the paint or decals.
- **Storage:** Store the vehicles in a cool, dry place away from direct sunlight to prevent fading of colors and degradation of materials.
- **Handling:** Handle the vehicles with care to avoid chipping paint or bending small parts.

6. SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

- Always supervise young children during play.
- Keep small parts away from infants and toddlers.
- Do not put vehicles or parts in mouth.
- Discard packaging materials responsibly.

7. TROUBLESHOOTING

These die-cast vehicles are simple in design and typically do not require troubleshooting. However, if you encounter any issues, consider the following:

Problem	Possible Cause	Solution
Vehicle does not roll smoothly.	Debris in wheels or axle, or a bent axle.	Check wheels for obstructions and gently remove. If axle is bent, the vehicle may be damaged.
Paint chipping or decals peeling.	Rough handling or exposure to harsh conditions.	This is typically cosmetic wear and tear. Handle with care to prevent further damage.
