## HOGOKIDS HG1007

# HOGOKIDS City Police Station Building Set User Manual

Model: HG1007

### PRODUCT OVERVIEW

---

The HOGOKIDS City Police Station Building Set (Model HG1007) is a comprehensive building block toy designed for children aged 6 years and up. This 734-piece set allows for the construction of a detailed three-level police station, complete with various police vehicles and accessories, fostering imaginative play and a sense of justice.

Key components include a police station, a helicopter, a police motorcycle, a police car, an armored car, and additional military-themed accessories. The set also features integrated LED lights to enhance the play experience, illuminating the police station's interior.

## SAFETY INFORMATION

---

**WARNING: This product contains small parts and is not suitable for children under 3 years of age due to choking hazards. Adult supervision is recommended during assembly and play.**

## SETUP AND ASSEMBLY

---

The HOGOKIDS City Police Station Building Set requires assembly. Please follow the detailed, step-by-step instructions provided in the included physical instruction manual. Each bag of building blocks is typically numbered to correspond with specific assembly stages, simplifying the construction process.

- 1. Unpack Components:** Carefully open the product packaging and lay out all bags of building blocks and the instruction manual. Verify that all 734 pieces are present before beginning assembly.
- 2. Follow Instructions:** Refer to the printed instruction manual for precise assembly steps. The manual provides visual diagrams for each stage of construction, including the police station structure, vehicles, and accessories.
- 3. LED Light Installation:** The set includes LED lights. Follow the specific instructions in the manual for proper installation and

connection of the lighting components. Ensure batteries (if required and not included) are inserted correctly.

4. **Vehicle Assembly:** Assemble the helicopter, police motorcycle, police car, and armored car according to their dedicated sections in the manual. Pay attention to movable parts like propellers and wheels.

## OPERATING INSTRUCTIONS

Once assembled, the HOGOKIDS City Police Station offers various interactive features for engaging play.

- **LED Lights:** Locate the light switch, typically on the police station structure, to activate the integrated LED lights. These lights illuminate the interior rooms, enhancing nighttime play scenarios.
- **Movable Features:**
  - The right-side door of the jail cell can be opened and removed for dynamic play.
  - Doors with gray handles on the police station can be opened and closed.
  - The helicopter's propellers are designed to spin, simulating flight.

- The police car's tires allow for smooth, quick sliding movement.
- The crane on the armored vehicle is functional and can be used to hook and move objects, such as the fence.
- **Role-Playing:** Utilize the various vehicles, the police station, and your imagination to simulate police operations, car chases, and upholding justice within the city.

## MAINTENANCE

Proper care and maintenance will ensure the longevity of your HOGOKIDS City Police Station Building Set.

- **Cleaning:** To clean the building blocks, wipe them gently with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic or paint. Do not submerge blocks with electronic components (like LED lights) in water.
- **Storage:** Store the building set in a cool, dry place away from direct sunlight and extreme temperatures. Keeping the blocks in their original box or a dedicated storage container will help prevent loss of pieces and protect them from dust.
- **Battery Replacement:** If the LED lights dim or stop working, replace the batteries according to the instructions provided in the original manual. Ensure correct battery type and polarity.

## TROUBLESHOOTING

This section addresses common issues you might encounter with your building set.

Problem	Possible Cause	Solution
Missing Pieces	Pieces may have been overlooked during unpacking or lost during play.	Carefully check all packaging materials and the play area. If pieces are genuinely missing from a new set, contact HOGOKIDS customer support.
LED Lights Not Working	Batteries are dead, incorrectly installed, or the switch is off.	Ensure the light switch is in the "ON" position. Check battery orientation and replace with fresh batteries if needed. Verify all connections are secure.
Blocks Don't Fit Together	Incorrect block placement or orientation.	Refer to the instruction manual to confirm the correct block type and orientation for the step you are on. Ensure blocks are pressed firmly together.

## SPECIFICATIONS

---

- **Model Number:** HG1007
- **ASIN:** B0CXGYQRYB
- **Brand:** HOGOKIDS
- **Number of Pieces:** 734
- **Recommended Age:** 6 years and up (Manufacturer recommended age)
