6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your bench, follow these care guidelines:

- **Cleaning:** For general cleaning, gently wipe the velvet-feel fabric with a soft, damp cloth. For spills, blot immediately with a clean, dry cloth. Avoid harsh chemicals or abrasive cleaners.
- **Dusting:** Regularly dust the bench with a soft brush or vacuum with an upholstery attachment to prevent dust buildup.

- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

- **Wobbly Bench:** If the bench feels unstable, check that all leg screws are tightened. Adjust the rotating foot pads on the bottom of each leg to level the bench on uneven surfaces.
