## 6. MAINTENANCE AND CARE

Proper care and maintenance will extend the life and appearance of your FIONESO Makeup Vanity Desk.

- **Cleaning:** Wipe the surfaces with a dry, soft cloth. For stubborn marks, a slightly damp cloth followed immediately by a dry cloth can be used. Avoid abrasive cleaners or harsh chemicals.
- **Mirror Care:** Clean the mirror surface with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.
- **Hardware:** Periodically check all screws, bolts, and fasteners to ensure they are tight. Re-tighten as needed to maintain structural integrity.
- **Environment:** Avoid placing the vanity desk in direct sunlight or near heat sources, as this can cause warping or discoloration of the wood finish. Maintain a stable room temperature and humidity.
