Yoidesu Yoidesucw4bapgvik-12

Yoidesu Smart Glasses Model Yoidesucw4bapgvik-12 User Manual

Your guide to setup, operation, and maintenance.

1. INTRODUCTION

Thank you for choosing the Yoidesu Smart Glasses Model Yoidesucw4bapgvik-12. These innovative smart glasses combine stylish eyewear with advanced audio technology, offering hands-free communication, music playback, and smart assistant integration. Designed for comfort and convenience, they feature open-ear speakers, dual microphones, and IP5 water resistance, making them ideal for various activities including driving, sports, and study.

2. PACKAGE CONTENTS

Please verify that all items are present in your package:

- Yoidesu Smart Glasses (with clear lenses)
- Polarized Night Vision Clip-on Lens
- Polarized Clip-on Lens
- USB Charging Cable
- Dust Cloth
- Instruction Manual (this document)

An overhead view of the package contents, including the smart glasses, night vision clip-on lenses, polarized clip-on lenses, a USB charging cable, and a cleaning cloth.

3. PRODUCT FEATURES

3.1 Voice Control

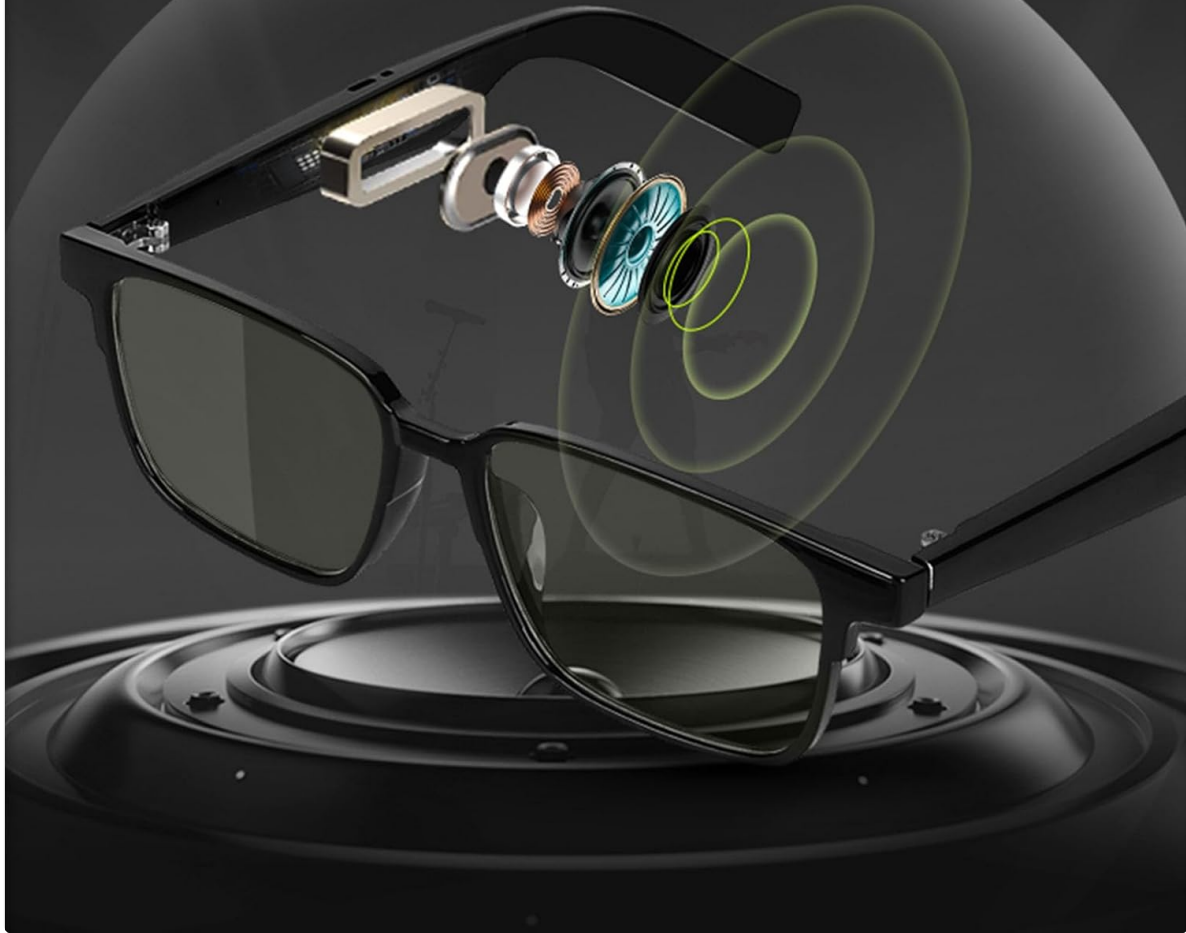

Integrated smart assistant and Bluetooth 5.3 technology enable hands-free calling, music playback, and access to directions, weather, and traffic updates.

3.2 Open Ear Audio

The open-ear speaker design provides comfortable audio without blocking ambient sounds, allowing you to enjoy music while remaining aware of your surroundings.

Open Ear Speakers

With open ear speakers, you can say goodbye to the discomfort caused by wearing headphones for a long time.

A cutaway diagram highlighting the integrated open-ear speakers within the smart glasses frame, showing sound waves emanating outwards.

3.3 Easy Connectivity & Dual Microphones

Connects seamlessly with iOS and Android devices. Built-in dual microphones ensure clear hands-free calls, even in noisy environments.

Built in microphone

Dual microphones pick up your voice clearly and privacy mode is automatically activated to prevent eavesdropping.

3.4 Privacy Mode

An automatic privacy mode activates during calls to minimize sound leakage, ensuring your conversations remain private.

3.5 IP5 Water Resistance

Rated IP5 for water resistance, these glasses are protected against sweat and light rain, suitable for outdoor activities.

3.6 Magnetic Clip-on Lenses

The glasses are compatible with magnetic clip-on lenses, including polarized and night vision options, to adapt to various lighting conditions and protect your eyes from harmful blue light and UV rays.

A detailed graphic showing the magnetic charging mechanism and key charging specifications: 90 minutes charging time, 20 days standby time, 6 hours playing time, and 2x110 mAh battery capacity.

4. SETUP GUIDE

4.1 Charging the Glasses

1. Connect the magnetic charging cable to a USB power source (e.g., computer USB port, wall adapter).
2. Align the magnetic connectors of the cable with the charging ports on the arms of the smart glasses. The magnets will snap into place.
3. The indicator light on the glasses will show charging status (refer to LED indicator section for details). A full charge takes approximately 90 minutes.

4.2 Powering On/Off

- **Power On:** Long press the touch control area on either temple for approximately 3 seconds until you hear a power-on prompt.
- **Power Off:** Long press the touch control area on either temple for approximately 4 seconds until you hear a power-off prompt.

4.3 Bluetooth Pairing

1. Ensure the smart glasses are powered on and in pairing mode (indicator light will flash, usually blue).
2. On your smartphone or device, enable Bluetooth and search for available devices.
3. Select "Yoidesu Smart Glasses" (or similar name) from the list of found devices.
4. Once connected, the indicator light will typically turn solid blue or off, and you will hear a confirmation tone.

5. OPERATING INSTRUCTIONS

5.1 Touch Controls

The Yoidesu Smart Glasses feature intuitive touch controls on the temples. Use two fingers for tap and slide gestures.

Touch Control

Flexible & Convenient

Incoming Call Mode

Double-tap: answer/hang up

	Slide back (Left temple)	Previous song
	Slide forward (Right temple)	Volume +
System	Slide back (Right temple)	Volume -
	Long press (4s)	Power off
	Triple-tap	Activate voice assistant

6. MAINTENANCE AND CARE

- **Cleaning:** Use the provided dust cloth or a soft, lint-free cloth to clean the lenses and frame. For stubborn smudges, use a specialized lens cleaning solution. Avoid harsh chemicals.
- **Storage:** When not in use, store the glasses in their protective case to prevent scratches and damage.
- **Water Exposure:** While IP5 water resistant, avoid submerging the glasses in water or exposing them to heavy rain. Dry immediately if they get wet.

- **Temperature:** Do not expose the glasses to extreme temperatures (hot or cold) as this can affect battery life and electronic components.

7. TROUBLESHOOTING

- **Cannot Power On:** Ensure the glasses are fully charged. Connect to the magnetic charger and wait a few minutes before attempting to power on again.
- **Cannot Pair with Device:**
 - a. Ensure Bluetooth is enabled on your device and the glasses are in pairing mode.
 - b. Move the glasses closer to your device.
 - c. Turn off and on Bluetooth on your device, then try pairing again.
 - d. If previously paired, forget the device in your phone's Bluetooth settings and re-pair.
- **No Sound or Low Volume:**
 - a. Check the volume level on both the glasses (via touch control) and your connected device.
 - b. Ensure the glasses are properly connected via Bluetooth.
 - c. Confirm that the audio output on your device is set to the smart glasses.
- **Call Quality Issues:**
 - a. Ensure the microphones are not obstructed.
 - b. Move to a quieter environment if experiencing excessive background noise.
 - c. Check Bluetooth connection stability.
