2. SAFETY INFORMATION

To ensure safe use and prevent injury, especially to children, it is crucial to install the anti-fall device provided with the dresser. Always secure the dresser to a wall using the anti-fall device to prevent tipping. Do not allow children to climb on the dresser or hang from the drawers. Ensure all screws and fasteners are tightened securely during assembly and periodically check for tightness.

6. MAINTENANCE

To maintain the appearance and longevity of your dresser, wipe it with a dry cloth regularly. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish. Ensure the charging station is kept dry and free from spills.

7. TROUBLESHOOTING

7.1. General Issues

- **Drawers not sliding smoothly:** Check that the metal slide rails are correctly installed and free from obstructions. Ensure all screws are tightened.
- **LED lights not working:** Verify that the power cord for the LED lights is securely plugged into the charging station and a power source. Check the remote control or mobile app settings.

- **Charging station not providing power:** Ensure the dresser's main power cord is securely plugged into a functional wall outlet. Check that devices are correctly connected to the AC outlets or USB ports.
