## TROUBLESHOOTING

### Cover Does Not Fit:

If the cover does not fit your phone, please re-verify your phone model using the steps outlined in the "Setup and Installation" section. This cover is designed for specific models (e.g., Redmi Mi Note 13 Pro Plus 5G) and may not be universally compatible.

### Magnetic Closure Not Holding:

Ensure no foreign objects or excessive cards are placed in the wallet slots that might prevent the magnetic closure from engaging properly. The magnetic strength is sufficient for normal use.

### Difficulty Accessing Ports/Buttons:

Confirm that your phone is correctly seated within the TPU casing. The precision cutouts should align perfectly with your phone's features. If not, gently adjust the phone's position.
