Havells Foodo FP

Havells Foodo 750 W 5 Jar Mixer Grinder Instruction Manual

Model: Foodo FP

1. Product Overview

The Havells Foodo 750 W 5 Jar Mixer Grinder is a versatile kitchen appliance designed for efficient food preparation. It combines the functionalities of a mixer, grinder, and food processor, offering 14 different functions to handle various culinary tasks from chopping and slicing to kneading and juicing.

2. Components and Assembly

Your Havells Foodo Mixer Grinder comes with the following components:

- Main Motor Unit (750W)
- 1.4L Food Processor Bowl with Dual Pusher
- 1.75L Blending Jar with Fruit Filter
- 1.3L Dry Grinding Jar
- 1.75L Liquidizing Jar with Dome Lid
- 0.7L Chutney Jar
- Chopping Blade
- Dough Blade
- Slicing Disc
- Shredding Disc (Fine and Coarse)
- French Fries Blade
- Egg Whisking Blade
- Coconut Scrapping Blade
- Citrus Press Juicer Attachment (Citrus Cone Small)
- Accessory Storage Box

Assembly Instructions:

1. **Motor Unit Placement:** Place the main motor unit on a stable, flat, and dry surface. Ensure the non-slip rubber feet are firmly in contact with the surface.
2. **Jar Attachment:** Select the appropriate jar for your task. Align the jar's base with the coupling on the motor unit. Gently push down and twist clockwise until it locks securely into place. The appliance will not operate if the jar is not properly locked.
3. **Lid and Pusher:** Secure the lid onto the jar. For the food processor bowl, ensure the dual pusher is correctly inserted into the feed tube.
4. **Blade/Disc Installation:** For the food processor bowl, carefully place the desired blade or disc onto the spindle inside the bowl before attaching the lid. Ensure it is seated correctly.

3. Operating Instructions

The Havells Foodo Mixer Grinder offers 14 different functionalities. Always ensure the jar and lid are securely locked before operation.

Speed Control:

The appliance features a 3-speed control rotary switch knob and a pulse mode:

- **Speed 1-3:** Use for continuous operation, increasing speed as needed for different consistencies.

- **Pulse Mode:** For short bursts of power, ideal for chopping, whipping, or quick blending. Hold the knob in the pulse position for desired duration.

Image: Detailed view of the Havells Foodo Mixer Grinder's operational features, including the 3-speed rotary switch, safety lock mechanism, non-slip rubber feet, and the durable stainless steel blades and jars.

Specific Functions:

- **Grinding (Dry/Wet):** Use the 1.3L Dry Grinding Jar for spices, coffee beans, or grains. Use the 1.75L Liquidizing Jar for wet grinding like idli/dosa batter. Ensure ingredients are cut into small pieces.
- **Blending:** The 1.75L Blending Jar with Fruit Filter is ideal for smoothies, milkshakes, and purees. The fruit filter helps in achieving pulp-free juices.
- **Chopping/Slicing/Shredding:** Utilize the 1.4L Food Processor Bowl with the respective blades (Chopping Blade, Slicing Disc, Shredding Discs). Use the dual pusher for even feeding of ingredients.
- **Kneading:** Attach the Dough Blade to the food processor bowl for kneading dough for rotis or bread.
- **Juicing:** Use the Citrus Press Juicer Attachment with the food processor bowl for extracting juice from citrus fruits.
- **Chutney Making:** The 0.7L Chutney Jar is specifically designed for small quantities and fine grinding of chutneys and pastes.

Important: Do not overload the jars. Allow the motor to cool down if operating for extended periods, especially when processing tough ingredients. The ACS Patented Cooling Technology helps maintain motor temperature, but breaks are recommended for very heavy loads.

4. Maintenance and Cleaning

Proper maintenance ensures the longevity and optimal performance of your Havells Foodo Mixer Grinder.

Cleaning Instructions:

1. **Unplug:** Always unplug the appliance from the power outlet before cleaning.
2. **Motor Unit:** Wipe the main motor unit with a soft, damp cloth.**Do not immerse the motor unit in water or any other liquid.**
3. **Jars and Lids:** Wash the jars, lids, and blades/discs with warm soapy water immediately after use. Use a brush for hard-to-reach areas.
4. **Blades:** Handle blades with extreme care as they are very sharp.
5. **Drying:** Ensure all parts are thoroughly dried before storing to prevent rust, especially on stainless steel components.
6. **Dishwasher Safety:** Jars and accessories are **not dishwasher safe**. Hand wash only.

Storage:

Store the appliance and its accessories in a clean, dry place. Utilize the provided accessory storage box to keep all blades and discs organized and protected.

5. Troubleshooting

If you encounter any issues with your Havells Foodo Mixer Grinder, please refer to the following common troubleshooting steps:

Problem	Possible Cause	Solution
Appliance does not start.	• Not plugged in. • Jar/lid not properly locked. • Overload protector tripped.	• Ensure power cord is securely plugged into a working outlet. • Check that the jar is correctly seated and twisted clockwise until locked. Ensure the lid is also securely closed. • Unplug, remove some ingredients, wait 2-3 minutes for the motor to cool, then restart.
Loud noise/vibration during operation.	• Improperly assembled jar/blade. • Overloading. • Uneven surface.	• Ensure jar and blade are correctly assembled and locked. • Reduce the quantity of ingredients. • Place the unit on a stable, flat surface.
Motor stops during operation.	• Overload protector tripped. • Motor overheating.	• Unplug, remove some ingredients, wait 2-3 minutes for the motor to cool, then restart. • Allow the appliance to cool down for at least 15-20 minutes before resuming operation.
Ineffective grinding/blending.	• Insufficient liquid (for wet grinding/blending). • Blades are dull or damaged. • Incorrect jar/blade for the task.	• Add more liquid as required. • Contact customer service for blade replacement. • Refer to "Operating Instructions" to ensure the correct jar and blade are used for the specific task.

6. Technical Specifications
