PETKIT Filter Unit Rect

PETKIT Filter Unit Rect for EVERSWEET MAX Cordless Water Fountain: Instruction Manual

1. INTRODUCTION

This manual provides instructions for the proper use and maintenance of the PETKIT Filter Unit Rect. These filters are designed to ensure your pet receives clean and fresh drinking water from the compatible PETKIT EVERSWEET MAX Cordless Water Fountain.

2. PRODUCT COMPONENTS

Each package contains 5 individually sealed PETKIT Filter Unit Rect replacement filters. Each filter is designed for optimal performance and hygiene.

3. COMPATIBILITY

The PETKIT Filter Unit Rect is specifically designed for use with the PETKIT EVERSWEET MAX Cordless Water Fountain (105 fl oz/3L automatic cat fountain). Ensure your fountain model is compatible before use.

COMPATIBILITY
Suitable for PETKIT EVERSWEET MAX (cordless)

Image: A cat drinking from the compatible PETKIT EVERSWEET MAX Cordless Water Fountain.

4. FILTRATION SYSTEM

The filter unit employs a multi-layer filtration system, utilizing double filter components and a high-density micropore filter. This system effectively removes pet hair, sediment, and other impurities, while sintered activated charcoal adsorbs residual chlorine and odors, enhancing water taste and purity.

INDULGE IN EVERY SIP

High-density Filter Cotton

Filter impurities such as hair.

Sintered Activated Carbon

Adsorb residual chlorine and odor to promote taste.

Image: Diagram detailing the multi-layer filtration system.

5. PREPARATION FOR USE

Before installing a new filter, it is essential to soak it in clean water for at least 10 minutes. This process helps to activate the filter media and remove any loose carbon particles, ensuring optimal performance from the first use.

ALWAYS FRESH WATER

2-4 weeks filter replacement cycle

* Please rinse it thoroughly before use.

6. INSTALLATION

After preparing the filter, install it into the designated slot within your PETKIT EVERSWEET MAX Cordless Water Fountain. Ensure it is seated correctly to allow for proper water flow and filtration.

Video: A tutorial demonstrating the installation of PETKIT filters into the fountain.

7. MAINTENANCE

Regular cleaning of the water fountain is crucial for maintaining water quality and extending the life of the filter and pump. It is recommended to clean the fountain and replace the water once a week during warmer seasons and every two weeks in other seasons.

Video: A tutorial demonstrating how to easily clean the PETKIT EVERSWEET MAX fountain components.

8. REPLACEMENT SCHEDULE

For your pet's health and to ensure continuous clean water, replace the filter every 2-4 weeks. The PETKIT app, if used with your fountain, will provide timely reminders for filter replacement.

9. SPECIFICATIONS

Attribute	Detail
Product Name	Filter Unit Rect
Brand	PETKIT
Material	Cotton, Sintered Activated Charcoal
Product Dimensions	2.75"D x 6.49"W x 4.52"H (Packaging)
Item Weight	5.6 ounces
Unit Count	5 filters per pack
Product Benefits	Removes Odor, Filters Impurities
External Testing Certification	CE
