## Sony SRSULT10D

# Sony ULT Field 1 Portable Bluetooth Speaker Instruction Manual

## PRODUCT OVERVIEW

---

The Sony ULT Field 1 is a compact, ultra-portable Bluetooth speaker designed for powerful sound and durability. It features a dedicated ULT button for enhanced bass, an IP67 rating for water, dust, rust, and shock resistance, and a 12-hour battery life. Its versatile design includes a detachable multi-way strap for easy carrying, making it ideal for various environments and activities.

## GETTING STARTED

---

### What's in the Box

- Speaker

- Strap belt
- USB Type-C Cable (A to C)

## Charging the Speaker

Connect the supplied USB Type-C cable to the speaker's charging port and a compatible USB power adapter (not included). The CHARGE indicator will illuminate during charging and turn off when fully charged. A full charge provides up to 12 hours of playback.

## Power On/Off

Press and hold the **Power** button located on the top panel until the power indicator lights up to turn the speaker on. To turn off, press and hold the **Power** button again until the indicator turns off.

## Bluetooth Pairing

When the speaker is turned on for the first time, it automatically enters Bluetooth pairing mode. The Bluetooth indicator will flash rapidly. On your device, enable Bluetooth and select "ULT FIELD 1" from the list of available devices. Once connected, the Bluetooth indicator will stop flashing and remain lit. For subsequent connections, the speaker will automatically connect to the last paired device.

## OPERATING YOUR SPEAKER

---

### Controls

The top panel of the speaker features intuitive controls:

- **Power Button:** Turns the speaker on/off.
- **Bluetooth Button:** Initiates Bluetooth pairing mode.
- **Play/Pause Button:** Controls media playback.
- **Volume +/- Buttons:** Adjusts the speaker's volume.
- **ULT Button:** Activates or deactivates the ULT Power Sound mode for enhanced bass.

### ULT Power Sound Mode

Press the **ULT** button to activate the ULT Power Sound mode. This feature enhances the bass and overall sound pressure, providing a deeper and more impactful audio experience. Press the button again to toggle the mode off.

## Hands-Free Calling

The speaker includes a built-in microphone with echo-canceling technology, allowing for clear hands-free calls. When a call comes in, press the **Play/Pause** button to answer, and press it again to end the call.

## MAINTENANCE AND CARE

---

### Durability Features

The Sony ULT Field 1 boasts an IP67 rating, making it:

- **Waterproof:** Can be submerged in water up to 1 meter for 30 minutes.
- **Dustproof:** Protected against dust ingress.
- **Rustproof:** Resistant to rust, suitable for use near saltwater.
- **Shockproof:** Designed to withstand impacts and drops.

Ensure the cap covering the USB-C port is securely fastened to maintain its waterproof and dustproof performance.

### Cleaning

To clean the speaker, wipe it with a soft, dry cloth. For stubborn dirt, use a cloth lightly dampened with water. Avoid using alcohol, benzene, thinners, or any abrasive cleaning agents, as these can damage the surface.

## TROUBLESHOOTING

---

- **No Power:** Ensure the speaker is charged. Connect it to a power source using the USB Type-C cable.

- **No Sound:** Check the volume level on both the speaker and your connected device. Ensure the Bluetooth connection is active and stable.
- **Poor Sound Quality:** Move the speaker closer to your connected device to improve Bluetooth signal. Ensure no obstacles are blocking the signal. Try toggling the ULT mode on/off to see if it improves the sound for your content.
- **Bluetooth Disconnection:** If the speaker disconnects frequently, try re-pairing the device. Ensure the speaker is within the Bluetooth range (10 meters).
