# vidaXL Gray Poly Rattan Garden Storage Box with Wheels Instruction Manual

Model: 365326

## 1. INTRODUCTION

---

Thank you for choosing the vidaXL Gray Poly Rattan Garden Storage Box with Wheels. This manual provides essential information for the safe assembly, operation, and maintenance of your new storage box. Please read these instructions carefully before use and retain them for future reference.

This versatile storage box is designed for outdoor use, offering a convenient solution for storing cushions, garden tools, and other outdoor items. Its durable poly rattan construction, steel frame, and water-resistant inner bag ensure longevity and protection for your belongings.

## 2. SAFETY INFORMATION

---

- **Read all instructions:** Before assembly and use, carefully read and understand all instructions in this manual.
- **Adult assembly required:** Assembly should be performed by adults only. Keep children away during assembly.
- **Check all parts:** Ensure all parts are present and undamaged before beginning assembly. Do not use if any parts are missing or broken.
- **Stable surface:** Always place the storage box on a flat, level, and stable surface to prevent tipping.
- **Weight limit:** Do not overload the storage box. Refer to the specifications for maximum capacity.
- **Children and pets:** Do not allow children or pets to play inside the storage box. There is a risk of suffocation or entrapment.
- **Lid safety:** The lid is equipped with a gas spring for smooth opening and to prevent accidental closing. Always ensure hands are clear when closing the lid.

- **Moving the box:** Use the integrated wheels and handle for moving the box. Ensure the path is clear and level to avoid accidents.
- **Flammable materials:** Do not store flammable, corrosive, or hazardous materials inside the box.
- **Weather protection:** While the box is water-resistant, prolonged exposure to extreme weather conditions may affect its longevity. Consider additional protection during severe weather.

### 3. PACKAGE CONTENTS

---

Please check that all components are included in your package. If any parts are missing or damaged, contact vidaXL customer support immediately.

- Poly Rattan Panels (sides, front, back, lid, bottom)
- Powder-Coated Steel Frame Components
- Removable Water-Resistant Bag
- Wheels (2 units)
- Handle (1 unit)
- Gas Spring Mechanism (1 unit)
- Assembly Hardware (screws, bolts, washers, nuts, etc.)
- Assembly Tool (e.g., Allen key, wrench)
- Instruction Manual (this document)

### 4. SETUP AND ASSEMBLY

---

Follow these steps to assemble your vidaXL Garden Storage Box. It is recommended to have two adults for assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a clean, soft surface to prevent scratches.
2. **Assemble the Base Frame:** Connect the steel frame components for the base using the provided hardware. Ensure all connections are secure but do not fully tighten screws until the entire frame is assembled.
3. **Attach Side Panels:** Secure the poly rattan side panels to the assembled base frame. Pay attention to the orientation of the panels.
4. **Install Wheels and Handle:** Attach the two wheels to one end of the base frame and the handle to the opposite end, following the specific instructions in the included hardware guide.
5. **Assemble Top Frame and Lid:** Construct the steel frame for the lid and attach the poly rattan lid panel.
6. **Attach Gas Spring:** Mount the gas spring mechanism to the lid and the main body of the storage box as indicated in the detailed assembly diagram. This allows for smooth opening and holding of the lid.
7. **Insert Water-Resistant Bag:** Place the removable water-resistant bag inside the assembled storage box, ensuring it fits snugly and covers the interior.
8. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws and bolts. Do not overtighten.

## 5. OPERATING INSTRUCTIONS

---

Using your vidaXL Garden Storage Box is straightforward:

- **Opening the Lid:** Gently lift the lid. The integrated gas spring will assist in opening and hold the lid in an open position, providing safe and easy access to the contents.
- **Closing the Lid:** Carefully push the lid down until it closes completely. Ensure no items are obstructing the closing path.
- **Storing Items:** Place items inside the removable water-resistant bag. This bag provides an extra layer of protection against moisture.
- **Moving the Storage Box:** To move the box, lift the end with the handle and pull or push the box using the wheels. Ensure the path is clear of obstacles.

## 6. MAINTENANCE

Proper maintenance will extend the life and appearance of your storage box.

- **Cleaning the Exterior:** Wipe the poly rattan surface with a soft cloth dampened with mild soap and water. Rinse thoroughly with clean water and dry completely. Avoid abrasive cleaners or brushes that could damage the material.
- **Cleaning the Interior Bag:** The removable water-resistant bag can be wiped clean with a damp cloth. Ensure it is completely dry before placing items back inside to prevent mold or mildew.
- **Frame Inspection:** Periodically check the steel frame for any signs of rust or damage. If rust appears, clean it and apply a rust-inhibiting paint.
- **Hardware Check:** Regularly inspect all screws and bolts to ensure they remain tight. Tighten if necessary.
- **Wheel Maintenance:** Keep the wheels free of debris. Lubricate the wheel axles periodically with a silicone-based

spray if movement becomes stiff.

- **Winter Storage:** During winter months or periods of non-use, consider storing the box in a sheltered area or covering it with a protective cover to prolong its lifespan.

## 7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Lid does not open smoothly or stay open.	Gas spring improperly installed or damaged.	Check gas spring installation. Ensure it is securely attached at both ends. If damaged, contact customer support for a replacement.
Wheels are stiff or do not roll easily.	Debris in wheel mechanism; lack of lubrication.	Clean any debris from the wheels and axles. Apply a silicone-based lubricant to the axles.
Water inside the storage box.	Water-resistant bag not properly installed or damaged; lid not fully closed.	Ensure the water-resistant bag is correctly positioned and undamaged. Verify the lid is fully closed. The box is water-resistant, not waterproof; avoid direct heavy rain exposure if possible.
Box feels unstable or wobbly.	Loose assembly hardware; uneven surface.	Check and tighten all assembly screws and bolts. Move the box to a flat, level surface.

## 8. SPECIFICATIONS

**Brand:** vidaXL

**Model Number:** 365326

**Color:** Gray

**Material:** Polyethylene (PE) Rattan, Powder-Coated Steel Frame

**Product Dimensions (L x W x H):** 42.1" x 21.7" x 19.7" (107 cm x 55 cm x 50 cm)
