Langsdom TS15

Langsdom Airfit Open Ear True Wireless Earbuds

INSTRUCTION MANUAL

Product Overview

The Langsdom Airfit Open Ear True Wireless Earbuds are designed for comfort, durability, and high-quality audio. With an ultra-lightweight design and ergonomic fit, they provide a secure and comfortable experience for extended wear, whether during intense workouts or daily activities. Featuring IPX5 water resistance, these earbuds are built to withstand sweat and light rain, making them suitable for various environments. Enjoy seamless connectivity with Bluetooth 5.4, enhanced deep bass, and clear calls thanks to AI-powered noise reduction technology. The included charging case extends the total playtime to 24 hours, ensuring your music and calls are always available.

Setup

Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C charging cable to the charging port on the case and a compatible power source. The indicator light on the case will show charging status.

Wearing the Earbuds

The Airfit earbuds feature an ergonomic earhook design for a secure and comfortable fit. To wear, gently place the earhook over your ear and adjust the earbud into your ear canal. The flexible silicone material ensures a snug fit without causing discomfort, even during vigorous activities.
