Yaheetech 2 Piece Patio Swivel Bar Stools Instruction Manual

Model: 6013391

INTRODUCTION

Thank you for choosing the Yaheetech 2 Piece Patio Swivel Bar Stools. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor furniture. Please read these instructions carefully before use and retain them for future reference.

IMPORTANT SAFETY INFORMATION

WARNING: Failure to follow these safety guidelines may result in injury or product damage.

- Ensure the stool is placed on a stable and level surface to prevent tipping.
- Do not exceed the maximum weight capacity of 130 kg (286 lb) to avoid structural damage or injury.
- For proper assembly, refer to the provided instructions.
- Regularly inspect the stool for any signs of wear or damage.
- Do not stand on the chair for your safety.
- Keep the stool dry and clean by wiping it with a dry cloth.

PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- 2 x Swivel Bar Stool Seats (Texteline fabric)
- 2 x Swivel Mechanisms
- 2 x Base Frames with Footrests
- Assembly Hardware (screws, washers, Allen wrench)
- Instruction Manual

SETUP AND ASSEMBLY

Assembly is required for these bar stools. It is recommended to have two people for easier and quicker assembly. Follow the step-by-step instructions provided in the included assembly guide. Ensure all screws are tightened securely, but do not overtighten. For best results, partially tighten all screws first, then ensure the chair is level before fully tightening them in sequence.

OPERATING INSTRUCTIONS

These bar stools are designed for comfortable outdoor seating. The 360-degree swivel seat allows for easy rotation, facilitating conversation and movement without needing to reposition the entire chair. The integrated footrest provides additional comfort and support for your feet.

SMOOTH SWIVEL DESIGN

RELAX YOUR FEET

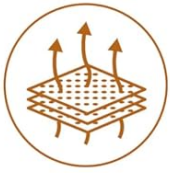

Figure 4: The annular footrest provides a comfortable position for your feet.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your Yaheetech Patio Swivel Bar Stools, follow these maintenance guidelines:

- **Cleaning:** Wipe clean with a dry cloth. For stubborn dirt, use a mild soap solution and a soft cloth, then rinse thoroughly and dry immediately.
- **Weather Protection:** While designed for outdoor use with weather-resistant textiline and metal, prolonged exposure to extreme weather conditions (heavy rain, snow, intense sun) may affect the product's lifespan. Consider using outdoor furniture covers or storing the stools indoors during harsh weather.
- **Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.

- **Adjustable Foot Pads:** Ensure the adjustable foot pads are properly set to maintain stability on uneven surfaces.

Textilene Material

Very breathable, durable, long service life

Figure 5: The textiline material is designed for durability and breathability.

TROUBLESHOOTING

If you encounter any issues with your bar stools, refer to the following common solutions:

- **Wobbling:** Check that the adjustable foot pads are correctly set and that all assembly screws are securely tightened. Ensure the stool is on a flat, level surface.
- **Difficulty Swiveling:** Inspect the swivel mechanism for any obstructions. Ensure it is clean and free from debris. If the mechanism feels stiff, a small amount of silicone-based lubricant may be applied, avoiding contact with fabric.
- **Loose Parts:** Regularly inspect and tighten any loose screws or bolts. Do not use the chair if any structural components are loose or damaged.

PRODUCT SPECIFICATIONS

Brand	Yaheetech
Model Number	6013391
Color	Black/Brown
Product Dimensions	25"D x 28.5"W x 49.5"H
