EUGAD 60x30x60cm

EUGAD Bamboo Bathroom Under-Sink Cabinet Instruction Manual

Model: 60x30x60cm

1. PRODUCT OVERVIEW

The EUGAD Bamboo Bathroom Under-Sink Cabinet is designed to provide practical storage in your bathroom. Constructed from high-quality bamboo, this cabinet features slatted doors for ventilation and an adjustable internal shelf to accommodate various item sizes. It includes a cut-out for sink siphons, making it suitable for most standard under-sink installations.

2. SAFETY INFORMATION

WARNING:

- Avoid overloading the cabinet to prevent tipping.
- Use with caution to prevent damage or injury.
- Ensure the cabinet is placed on a stable, level surface.
- Keep small parts away from children during assembly.

3. PACKAGE CONTENTS

Before assembly, please verify that all components are present and undamaged. If any parts are missing or damaged, contact customer support.

- Cabinet panels (top, bottom, sides, back, doors)
- Adjustable shelf
- Hardware kit (screws, dowels, hinges, magnetic closures, metal knobs)
- Assembly manual (this document)

4. SETUP AND ASSEMBLY INSTRUCTIONS

This under-sink cabinet features a simple structure for straightforward assembly. Follow these steps carefully, referring to the provided illustrations.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Side Panels:** Attach the side panels to the bottom panel using the provided screws and dowels. Ensure the pre-drilled holes align correctly.
3. **Install Back Panel:** Secure the back panel to the assembled frame.
4. **Attach Top Panel:** Fasten the top panel, ensuring the siphon cut-out is correctly oriented for your sink. The siphon cut-out measures approximately 14.5 x 19.5 cm.
5. **Install Adjustable Shelf:** Insert the shelf supports into the desired height holes. The shelf is adjustable by 6 cm increments. Place the shelf onto the supports. The internal space is divided into two compartments by this shelf.

6. **Attach Doors:** Mount the hinges to the doors and then attach the doors to the cabinet frame. Ensure the doors open and close smoothly.
7. **Install Knobs and Magnetic Closures:** Attach the metal knobs to the doors and install the magnetic closures to ensure the doors remain shut.
8. **Final Placement:** Position the assembled cabinet under your sink. Ensure it is stable and level.

5. OPERATING INSTRUCTIONS (USAGE)

The EUGAD Bamboo Bathroom Under-Sink Cabinet is designed for storing bathroom essentials. Its features enhance functionality and durability.

- **Storage:** Utilize the two compartments created by the adjustable shelf to organize items of varying heights, such as detergents, shower gels, towels, and other toiletries.
- **Adjustable Shelf:** To adjust the shelf height, remove the shelf, reposition the shelf supports to the desired level (6 cm increments), and then place the shelf back. You can also remove the shelf entirely for larger items.
- **Slatted Doors:** The louvered door design promotes air circulation, helping to prevent moisture accumulation inside the cabinet.
- **Siphon Cut-out:** The integrated cut-out in the top panel allows the cabinet to fit neatly around most standard sink siphons, maximizing under-sink storage space.

6. MAINTENANCE

To ensure the longevity and appearance of your bamboo cabinet, follow these maintenance guidelines:

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals, as these can damage the bamboo finish.
- **Moisture:** Although bamboo is naturally resistant to moisture, it is recommended to wipe away any standing water immediately to prevent water damage.
- **Inspection:** Periodically check all screws and fittings to ensure they remain tight. Tighten if necessary.
- **Ventilation:** The slatted doors aid ventilation. Ensure the bathroom is well-ventilated to minimize humidity.

7. TROUBLESHOOTING

This section addresses common issues you might encounter with your cabinet.

- **Cabinet is wobbly:**

- Ensure all screws are tightened securely.
- Verify the cabinet is on a level surface. Adjust if necessary.
- **Doors do not close properly:**
 - Check hinge alignment and adjust if needed.
 - Ensure magnetic closures are correctly installed and aligned.
- **Shelf is difficult to adjust:**
 - Ensure no items are on the shelf when attempting to adjust its height.
 - Verify shelf supports are fully inserted into the holes.

8. SPECIFICATIONS

Brand:	EUGAD
Model:	Under-Sink Cabinet
Dimensions (L x W x H):	60 x 30 x 60 cm (23.6 x 11.8 x 23.6 inches)
