

ovios Cloud Sectional Couch 101

ovios Cloud Boneless Couch with L-Shape Chaise Instruction Manual

Model: Cloud Sectional Couch 101

1. SETUP INSTRUCTIONS

The ovios Cloud Boneless Couch is designed for ease of use with no assembly required. Follow these steps to prepare your couch for use:

1. **Unboxing:** The sofa arrives fully assembled and requires no setup. Simply unbox all parts.
2. **Fluffing:** Lightly tap each segment to boost its springiness and volume. This process helps the cushions regain their intended shape after being compressed for shipment.
3. **Expansion Time:** Complete revival of the cushions may take anywhere from 72 hours to a week. Please be patient and allow the couch to return to its fluffy state.

No Assembly Required

2. OPERATING AND USAGE

The ovios Cloud Boneless Couch offers versatile configurations and comfortable seating for various activities.

Modular Design and Flexibility

This modular sectional sofa allows for flexible configurations to suit your space and needs. The minimalist L-shaped design maximizes space, and its modular blueprint enables easy navigation through narrow corridors and tight entrances. The two chic pieces can be arranged to customize your comfort and style.

Figure 3: Examples of versatile layouts for the modular couch, including configurations for sleeping, relaxing, gaming, and playing.

Comfort and Seating

Experience unparalleled luxury with the spacious, cloud-like seating sensation. The couch features a 51-inch lounge chaise, meticulously crafted from high-resilience foam architecture and coil spring reinforcement for

supreme comfort. The deep seat design provides ample space for lounging.

Figure 4: Illustration of the deep seat dimensions, showing a 28-inch seat depth and a 57-inch chaise length for enhanced comfort.

3. MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your ovios Cloud Boneless Couch.

Fabric Care

The couch is upholstered in plush corduroy fabric, known for its softness, warmth, and rich texture. For general cleaning, use a soft brush to remove dust and debris. For spot cleaning, use a damp cloth. The upholstery cleaning code is 'W', indicating that water-based cleaning agents can be used.

Figure 5: Detail of the plush corduroy fabric, emphasizing its breathable, soft, pet-friendly, and pill-resistant characteristics.

Pet-Friendly Design

The plush corduroy fabric is designed to be pet-friendly, offering durability and ease of cleaning for households with animals.

Safety Information

- Supervise children and pets to avoid entrapment risks.
- Keep away from open flames or high heat sources.

4. TROUBLESHOOTING

This section addresses common concerns and provides solutions for your couch.

Cushion Compression and Wrinkles

Due to packaging compression for better shipment, the fabric may have wrinkles, and the cushions may appear flat initially. These wrinkles will gradually disappear, and the cushions will expand over time.

- **Solution:** Lightly tap and fluff each segment of the couch. Allow 72 hours to a week for the couch to fully rebound and achieve its intended fluffy state.

No Assembly Required

Vacuum Packaging: Takes 3-7 days to fully expand

Figure 7: Instructions on how to fluff cushions to aid in their rebound and expansion.
