EUGAD 4054908266453

EUGAD Wall Cabinet with Adjustable Shelf

Model: 4054908266453

INTRODUCTION

Thank you for choosing the EUGAD Wall Cabinet. This manual provides essential information for the safe and correct assembly, operation, and maintenance of your new cabinet. Please read these instructions carefully before beginning assembly and retain them for future reference.

Image: The EUGAD Wall Cabinet, a white, single-door unit, is shown mounted above a sink in a contemporary bathroom setting, demonstrating its intended use and aesthetic.

Safety Information

- Always read the instructions carefully before assembly.
- Avoid using the cabinet near heat sources or water to prevent damage or injury.
- Ensure the cabinet is securely mounted to the wall.
- Do not exceed the maximum load capacity of 15 kg for safe use.

ASSEMBLY INSTRUCTIONS

Assembly of the EUGAD Wall Cabinet is required. A detailed instruction manual with diagrams is included in the packaging to guide you through each step. Please ensure all components are present before starting assembly.

Components and Dimensions

The cabinet is constructed from high-quality E1 MDF (composite wood), ensuring durability and stability. It features a single door,

metal hinges, a magnetic closure, and a linear handle. The overall dimensions are 30 cm (Width) x 50 cm (Height) x 18.5 cm (Depth).

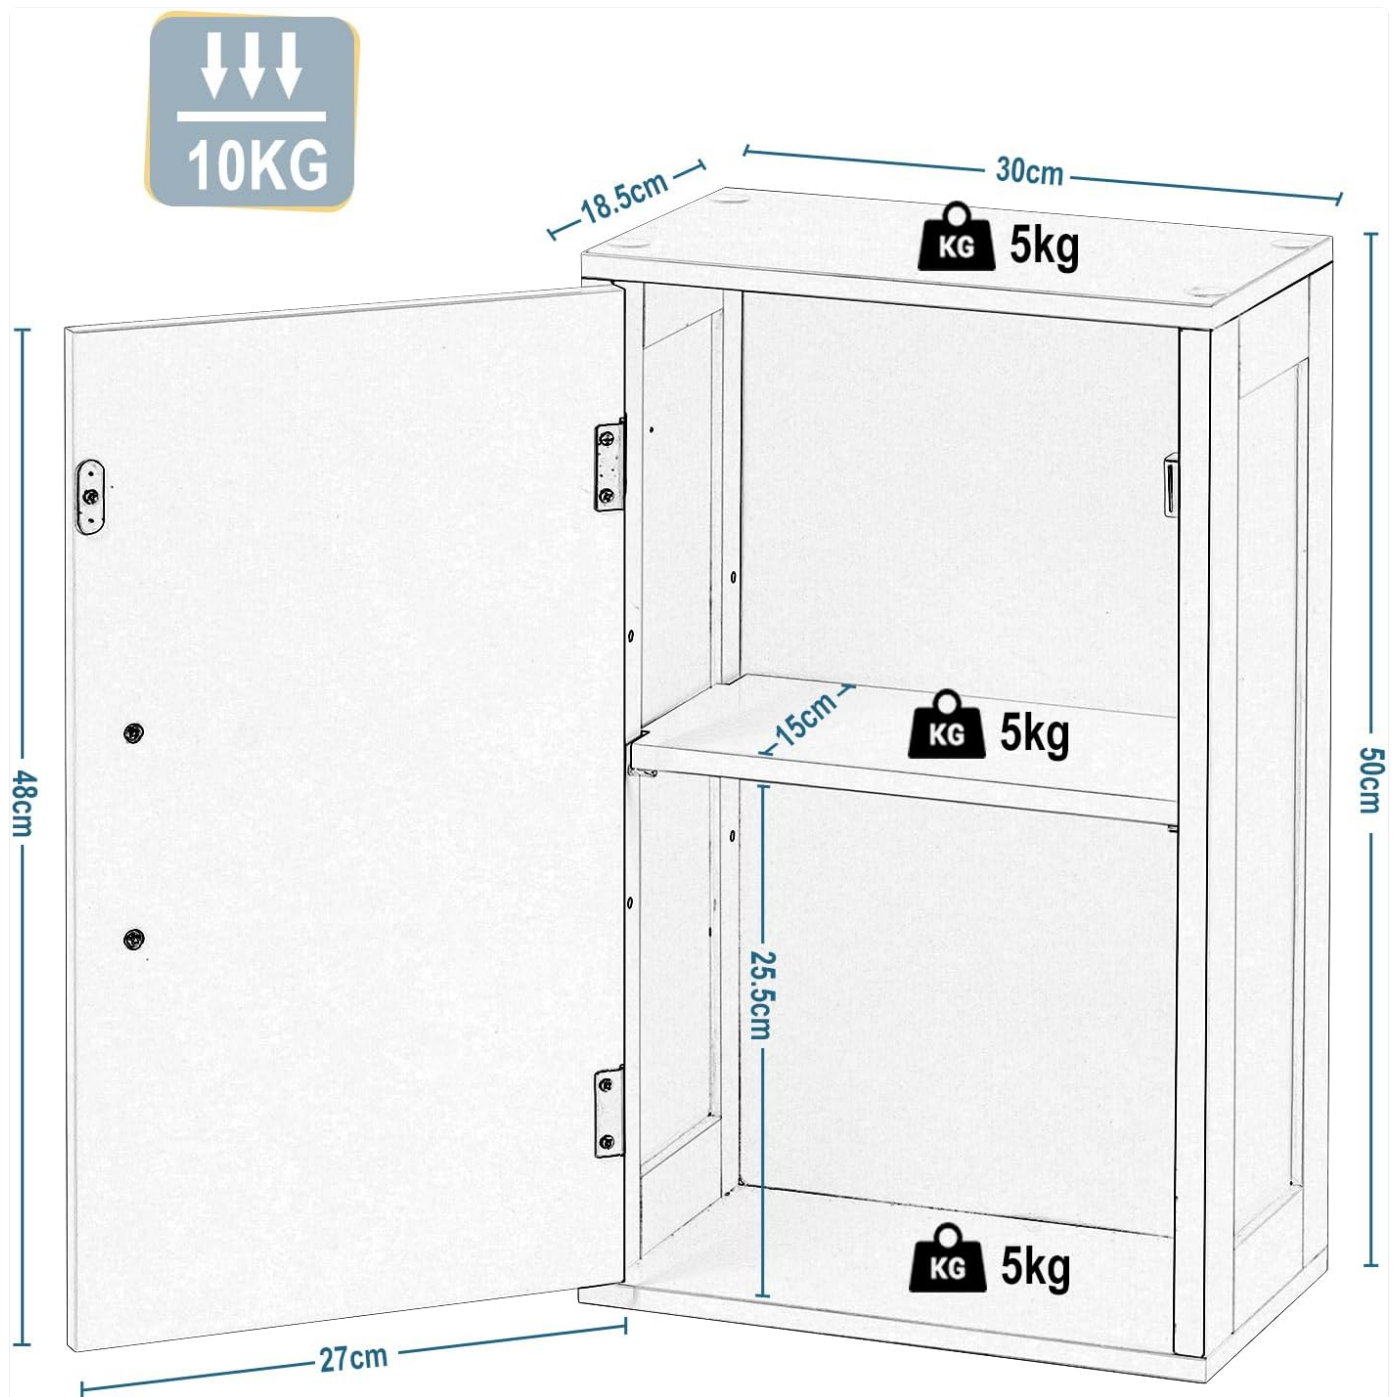

Image: A technical diagram illustrates the cabinet's external dimensions (30cm W, 50cm H, 18.5cm D) and internal shelf dimensions. It also indicates a maximum load capacity of 5kg per shelf and 10kg total for the top surface.

Mounting

This cabinet is designed for wall mounting. Ensure you use appropriate hardware for your wall type (e.g., drywall anchors, concrete screws) to securely fasten the cabinet. The maximum weight capacity for the entire cabinet is 15 kg.

OPERATING INSTRUCTIONS

Adjustable Shelf

The cabinet includes one adjustable shelf, allowing you to customize the storage space according to your needs. The shelf can be adjusted in three positions, moving up or down by 5 cm increments. This flexibility helps accommodate items of various heights.

Regale Herausnehmbar

Image: A close-up view inside the cabinet highlights the adjustable shelf. The image shows how the shelf can be moved to different heights, indicated by arrows and a '5cm' label, to create flexible storage compartments.

Door Mechanism

The single door is equipped with durable metal hinges for smooth opening and closing. A magnetic catch ensures the door remains securely closed, protecting the contents from dust and dirt. The linear metal handle provides a comfortable grip for easy access.

MAINTENANCE

The EUGAD Wall Cabinet is designed for easy maintenance. Its high-quality E1 MDF construction is moisture-resistant and scratch-resistant, ensuring long-lasting appearance and functionality.

Cleaning

To clean the cabinet, simply wipe it with a dry cloth. For minor spills or marks, a slightly damp cloth can be used, followed by drying with a clean, dry cloth. Avoid using abrasive cleaners or harsh chemicals, as these may damage the surface finish.

Image: A hand is shown wiping the white surface of the cabinet with a cloth, illustrating the ease of cleaning and the moisture-resistant properties of the material.

TROUBLESHOOTING

If you encounter any issues during assembly or use, please refer to the detailed manual included with your product. For further assistance, contact EUGAD customer support.
