Labebe 3-in-1 Foldable Montessori Learning Tower User Manual

Model: Version simple en bois | Brand: Labebe

INTRODUCTION

Thank you for choosing the Labebe 3-in-1 Foldable Montessori Learning Tower. This versatile wooden product is designed to support your child's development by providing a safe and accessible platform for various activities. It functions as a learning tower, a blackboard, and a table, encouraging independence and participation in daily tasks. This manual provides essential information for assembly, safe operation, and maintenance to ensure long-lasting enjoyment and safety.

SAFETY INSTRUCTIONS

- **Adult Supervision Required:** Always supervise your child when they are using the learning tower.
- **Weight Limit:** The learning tower is designed to support a maximum weight of 50 kg (110 lbs). Do not exceed this limit.
- **Age Recommendation:** Suitable for children aged 18 months and older.
- **Stable Placement:** Ensure the learning tower is placed on a flat, stable surface before use.
- **Secure Latches:** When converting between modes, ensure all latches and locking mechanisms are securely engaged.
- **Check for Damage:** Regularly inspect the product for any loose parts, cracks, or damage. Discontinue use if any damage is found and contact customer support.
- **Anti-Tip Design:** The product features a stable base and reinforced support legs to prevent tipping. Always ensure these are properly positioned.

PACKAGE CONTENTS

Please check the package to ensure all components are present before beginning assembly. Refer to the assembly instructions provided with your product for a detailed list of parts and hardware.

SETUP AND ASSEMBLY

The Labebe Learning Tower requires assembly. Follow the step-by-step instructions and diagrams included in your product packaging. A screwdriver (preferably electric for ease) will be required. Ensure all screws are tightened securely for stability.

1. Unpack all components and verify against the parts list.
2. Assemble the main frame according to the provided diagrams, ensuring all wooden panels are correctly oriented.

3. Attach the safety railing and platform, securing them with the designated hardware.
4. Install the triangular table base supports for enhanced stability.
5. Once assembled, double-check all connections for tightness and stability.

OPERATING INSTRUCTIONS

The Labebe Learning Tower offers three primary modes of use:

1. Learning Tower Mode

In this mode, the product functions as a safe step stool, allowing your child to reach countertops, sinks, or tables. Ensure the safety railing is in place and the unit is stable before your child climbs on. This mode is ideal for kitchen activities, self-care at the bathroom sink, or engaging with adults at table height.

2. Blackboard Mode

To convert to blackboard mode, carefully unlock the side buckles and fold the unit to reveal the integrated blackboard. Ensure the unit is securely locked in the blackboard configuration before use. This mode provides a creative space for drawing and learning.

3. Table Mode

The learning tower can also be converted into a small table with a seat. Unlock the buckles and reconfigure the unit as shown in the assembly diagrams. This mode is suitable for eating, playing, or other seated activities. Always ensure the conversion is complete and all locking mechanisms are engaged for stability.

MAINTENANCE

- **Cleaning:** Wipe the wooden surfaces with a damp cloth and mild soap. Avoid abrasive cleaners or harsh chemicals. Dry immediately.
- **Inspection:** Periodically check all screws and fasteners to ensure they are tight. Re-tighten if necessary.
- **Storage:** Store the learning tower in a dry environment away from direct sunlight or extreme temperatures to prevent wood warping or damage.

TROUBLESHOOTING

- **Instability:** If the tower feels unstable, check that all screws are tightened and that it is placed on a level surface. Ensure conversion mechanisms are fully engaged.

- **Difficulty Converting:** If you encounter difficulty converting between modes, ensure all latches are fully disengaged or engaged as required. Do not force the mechanism.
- **Missing Parts:** If any parts were missing upon delivery, please contact Labebe customer support immediately.
