

MEZE AUDIO ALBA

MEZE AUDIO ALBA Wired In-Ear Monitor Headphones

User Manual

1. INTRODUCTION

Thank you for choosing the MEZE AUDIO ALBA In-Ear Monitor Headphones. Designed for audiophiles, these wired earbuds deliver natural and balanced sound with enhanced lower tones and crisp high notes. The ergonomic design ensures comfort and effective noise isolation, while the durable zinc alloy and anodized aluminum chassis provide a premium feel. This manual will guide you through the setup, operation, and maintenance of your ALBA headphones.

What's in the Box

- ALBA In-Ear Monitors
- 3.93 ft braided cable with 2-pin (0.78 mm) connectors and 3.5 mm gold-plated jack termination
- USB-C Adapter with built-in DAC
- 4 pairs of silicone ear tips (Sizes: S, M, L, XL)
- Eco-leather carrying pouch

2. SETUP

2.1 Attaching the Cable

1. Identify the left (L) and right (R) earbuds and the corresponding cable connectors. The cable connectors are 2-pin (0.78 mm).
2. Carefully align the pins on the cable with the receptacles on the earbuds.
3. Gently push the connectors until they are securely seated. Do not force them.

FREQUENCY RESPONSE
15 Hz - 25 kHz

SENSITIVITY
109 dB at 1kHz

IMPEDANCE
32 ohm

Figure 2: ALBA earbuds with the detachable cable connected.

2.2 Selecting and Attaching Ear Tips

1. Choose the silicone ear tip size (S, M, L, XL) that provides the most comfortable and secure fit for your ears. A proper seal is crucial for optimal sound quality and noise isolation.
2. Gently push the selected ear tip onto the nozzle of each earbud until it is firmly attached.

SILICONE EAR TIPS

Four sizes included: S, M, L, and XL

Figure 3: Attaching a silicone ear tip to the ALBA earbud.

2.3 Connecting the USB-C Adapter

The included USB-C adapter features a built-in DAC (Digital-to-Analog Converter) for high-quality audio. If your device has a USB-C port and lacks a 3.5mm headphone jack, use this adapter.

1. Plug the 3.5mm jack of your ALBA cable into the adapter's 3.5mm port.
2. Connect the USB-C end of the adapter to your smartphone, tablet, or other compatible device.

DONGLE INCLUDED

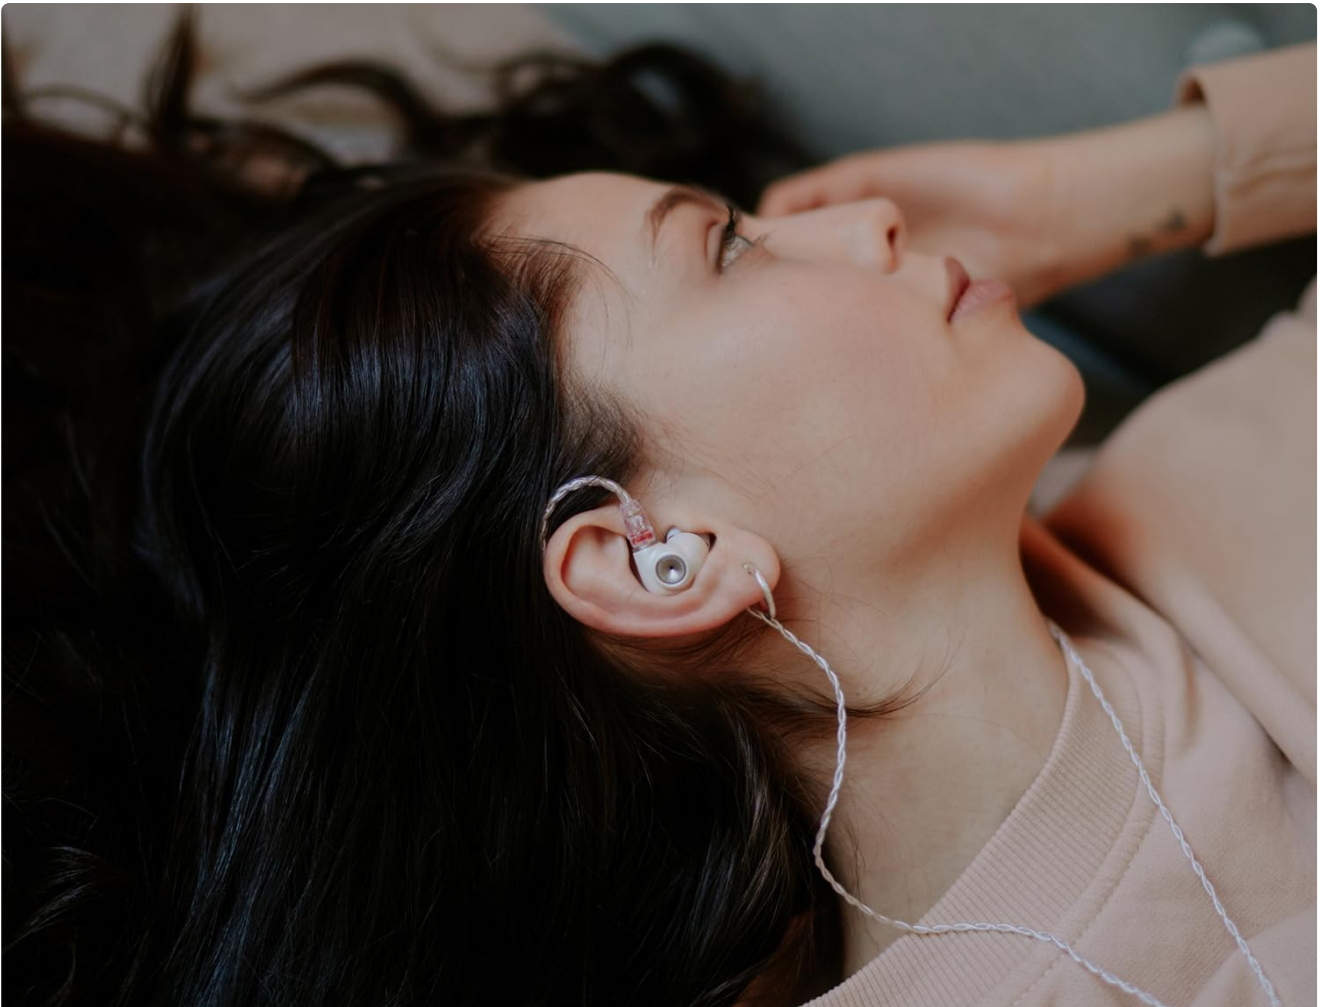

Pair your earphones with any source that has a USB-C connector

3. OPERATING INSTRUCTIONS

3.1 Wearing the Earbuds

For optimal comfort and sound, insert the earbuds into your ears with the cable looping over the top of your ear. This ergonomic design helps secure the earbuds and reduces cable noise.

COMFORTABLE

3.2 Connecting to Your Device

Plug the 3.5mm jack directly into your audio source or use the USB-C adapter as described in Section 2.3. Ensure the connection is firm for uninterrupted audio.

WHAT COMES WITH OUR EARPHONES

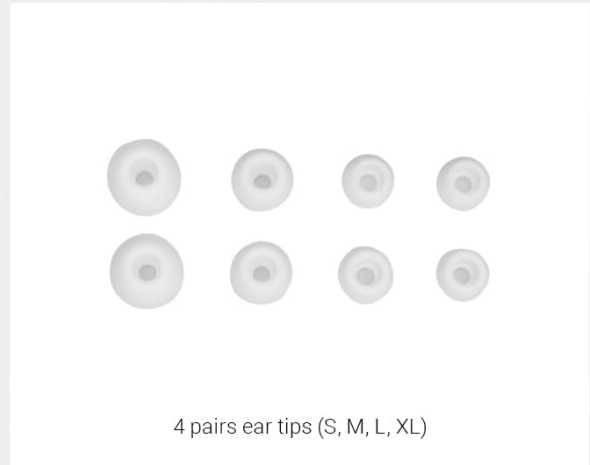

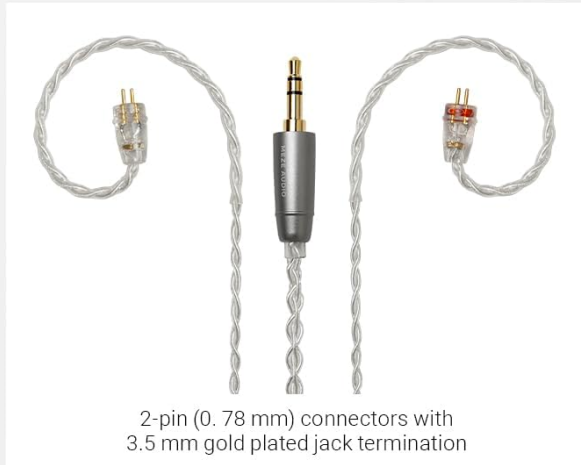

Figure 6: Connecting ALBA earbuds to a smartphone using the USB-C adapter.

3.3 Volume Control and Playback

Control volume and playback functions directly from your connected audio device. The ALBA cable does not feature inline controls to maintain audio signal integrity.

4. COMFORT AND FIT

The ALBA earbuds are designed for extended listening comfort. The ergonomic shape and lightweight construction minimize ear fatigue. Experiment with the four included sizes of silicone ear tips (S, M, L, XL) to find the perfect fit for your ear canals. A snug fit not only enhances comfort but also significantly improves passive noise isolation and bass response.

Figure 7: The ergonomic design of ALBA earbuds ensures a comfortable fit.

5. CARE AND MAINTENANCE

To ensure the longevity and optimal performance of your MEZE AUDIO ALBA headphones, follow these care guidelines:

- **Cleaning:** Gently wipe the earbuds and cable with a soft, dry cloth. For ear tips, remove them from the earbuds and clean with mild soap and water, then rinse thoroughly and allow to dry completely before reattaching.
- **Storage:** Always store your ALBA headphones in the provided eco-leather carrying pouch when not in use. This protects them from dust, dirt, and physical damage.
- **Avoid Moisture:** These headphones are not water-resistant. Avoid exposure to liquids, high humidity, and extreme temperatures.
- **Handle with Care:** The detachable cable connectors are designed for durability but should be handled gently during attachment and detachment to prevent damage to the pins or receptacles.

Figure 8: Store your ALBA headphones in the eco-leather pouch for protection.

6. TROUBLESHOOTING

If you encounter any issues with your MEZE AUDIO ALBA headphones, please refer to the following common solutions:

- **No Sound:**

- Ensure the cable is securely connected to both the earbuds and your audio source/adaptor.
- Check the volume level on your audio device.
- Test with a different audio source or device to rule out device-specific issues.
- If using the USB-C adapter, ensure it is fully inserted and recognized by your device.

- **Poor Sound Quality (Muffled, Low Bass, or Tinny Sound):**

- Verify that the ear tips are correctly attached and form a tight seal in your ear canal. Try different sizes of ear tips.
- Ensure the cable connectors are fully seated in the earbuds.
- Check the audio source for high-quality audio files.

- **Earbuds Falling Out:**

- Experiment with all four sizes of silicone ear tips to find the most secure fit.
- Ensure you are wearing the earbuds with the cable looped over your ear for added stability.

If these steps do not resolve your issue, please contact MEZE AUDIO customer support for further assistance.

7. SPECIFICATIONS

Feature	Specification
Brand	MEZE AUDIO
