> BoxWave FineTouch Capacitive Stylus Instruction Manual for Kia 2024 Telluride Display (12.3 in)

**BoxWave bw-1199-47591-8807**

# BoxWave FineTouch Capacitive Stylus

## INSTRUCTION MANUAL

### 1. Introduction

---

Thank you for choosing the BoxWave FineTouch Capacitive Stylus. This stylus is designed to provide precise and comfortable interaction with your capacitive touchscreen devices, including the Kia 2024 Telluride Display (12.3 in). Its clear disc tip allows for enhanced visibility, ensuring accuracy in your tasks.

### 2. Setup

---

The BoxWave FineTouch Capacitive Stylus requires no complex setup or pairing. It operates immediately upon contact with a capacitive touchscreen.

1. **Uncap the Stylus:** Gently remove the threaded cap from the stylus tip. The cap protects the clear disc tip when not in use.
2. **Begin Use:** Lightly touch the clear disc tip to your device's screen. The stylus is ready for immediate use.

Image: A close-up view of the stylus tip with the protective cap removed, revealing the clear disc. This illustrates the first step of preparing the stylus for use.

**Note:** This stylus does not require Bluetooth connectivity or batteries. It does not support palm rejection or pressure sensitivity features.

### 3. Operating Instructions

---

The FineTouch Capacitive Stylus is designed for intuitive use across various applications on your touchscreen device.

- **Tapping:** Use the stylus tip to tap on icons, select menu options, or activate functions on your screen.
- **Swiping:** Glide the stylus across the screen to scroll through content, navigate pages, or perform swipe gestures.
- **Writing and Drawing:** The clear disc tip provides a precise point of contact, allowing you to see exactly where your input is registered. This enhances accuracy for writing notes, sketching, or detailed drawing tasks.

#### 4. Maintenance

---

Proper care will ensure the longevity and optimal performance of your stylus.

- **Cleaning:** Wipe the stylus body and tip with a soft, dry, lint-free cloth. Avoid using harsh chemicals or abrasive materials.
- **Tip Protection:** Always replace the threaded cap over the clear disc tip when the stylus is not in use. This prevents damage and keeps the tip clean.
- **Storage:** Store the stylus in a clean, dry place, away from extreme temperatures and direct sunlight. The built-in metal clip allows for convenient attachment to pockets or cases.

## 5. Troubleshooting

---

If you encounter issues with your stylus, consider the following common solutions:

- **Stylus Not Responding:**
  - Ensure the clear disc tip is clean and free of debris.
  - Verify your device's screen is clean and dry.
  - Confirm your device's touchscreen is functioning correctly with finger input.

- **Inaccurate Input:**

- Make sure the clear disc tip is fully seated and not damaged.
- Try adjusting the angle at which you hold the stylus.

If problems persist, please refer to the support information provided in Section 7.

## 6. Specifications

---

Feature	Detail
Model Number	bw-1199-47591-8807
Color	Lunar Blue
Item Weight	1 Ounce
Batteries Required	No
Compatibility	Capacitive Touchscreens (e.g., Kia 2024 Telluride Display 12.3 in)
