HOMCOM 35" Collapsible Drop Leaf Dining Table Instruction Manual

Model: 83A-111V80AK

1. SAFETY INFORMATION

Please read and understand all safety instructions before assembling and using the HOMCOM 35" Collapsible Drop Leaf Dining Table. Failure to follow these instructions may result in injury or product damage.

- Always assemble the table according to the provided instructions.
- Be cautious when folding and unfolding the table to avoid pinch points.
- Do not exceed the maximum weight capacity of 132 lbs (60 kg).
- Ensure the table is stable and properly anchored before use, especially in small spaces.
- Keep the table away from heat sources and sharp objects to prevent damage to the tabletop and potential injury.
- Regularly check all fasteners to ensure they remain tight.

2. PRODUCT OVERVIEW

The HOMCOM 35" Collapsible Drop Leaf Dining Table is designed for versatility and space-saving functionality, suitable for various indoor settings.

Key Features:

- **Accommodates More Guests & Saves Space:** Features two drop leaves, allowing the table to expand for up to four people or fold down for compact storage.
- **Versatile Functionality:** Adapts to various needs, from dining to a temporary workspace.
- **Modern Aesthetic:** Subtle wood-textured surface complements contemporary kitchen and dining room decor.
- **Quality Construction:** Made with melamine-coated particleboard and solid pine wood legs for durability.

and stability.

- **Rounded Desktop:** Designed with rounded edges to minimize knocks and bumps.

3. ASSEMBLY INSTRUCTIONS

Assembly is required for this product. It is recommended that one person performs the assembly. Please

ensure all parts are present before beginning.

Before You Begin:

- Unpack all components and lay them out on a clean, soft surface to prevent scratches.
- Verify that all parts and hardware listed in the packaging are present.
- Tools Recommended: Screwdriver (included).

Step-by-Step Assembly:

1. **Attach Legs to Base:** Securely fasten the solid pine wood legs to the table's central support structure using the provided hardware. Ensure all screws are tightened evenly.
2. **Assemble Drop Leaf Mechanisms:** Attach the drop leaf support mechanisms to the underside of the main tabletop and the drop leaves. Ensure they move freely and lock securely.
3. **Connect Tabletop Sections:** Join the main tabletop section with the drop leaves, ensuring proper alignment and secure attachment.
4. **Final Tightening:** Once all components are in place, re-check and tighten all screws and fasteners to ensure the table is stable and rigid. Do not overtighten.

Note: The assembly process involves multiple screws. Follow the pictorial instructions provided in your product packaging carefully for precise steps.

4. OPERATING INSTRUCTIONS

The HOMCOM Drop Leaf Dining Table offers flexible configurations to suit your space and needs.

Folding and Unfolding Drop Leaves:

DROP LEAF DESIGN

You can go three ways as needed

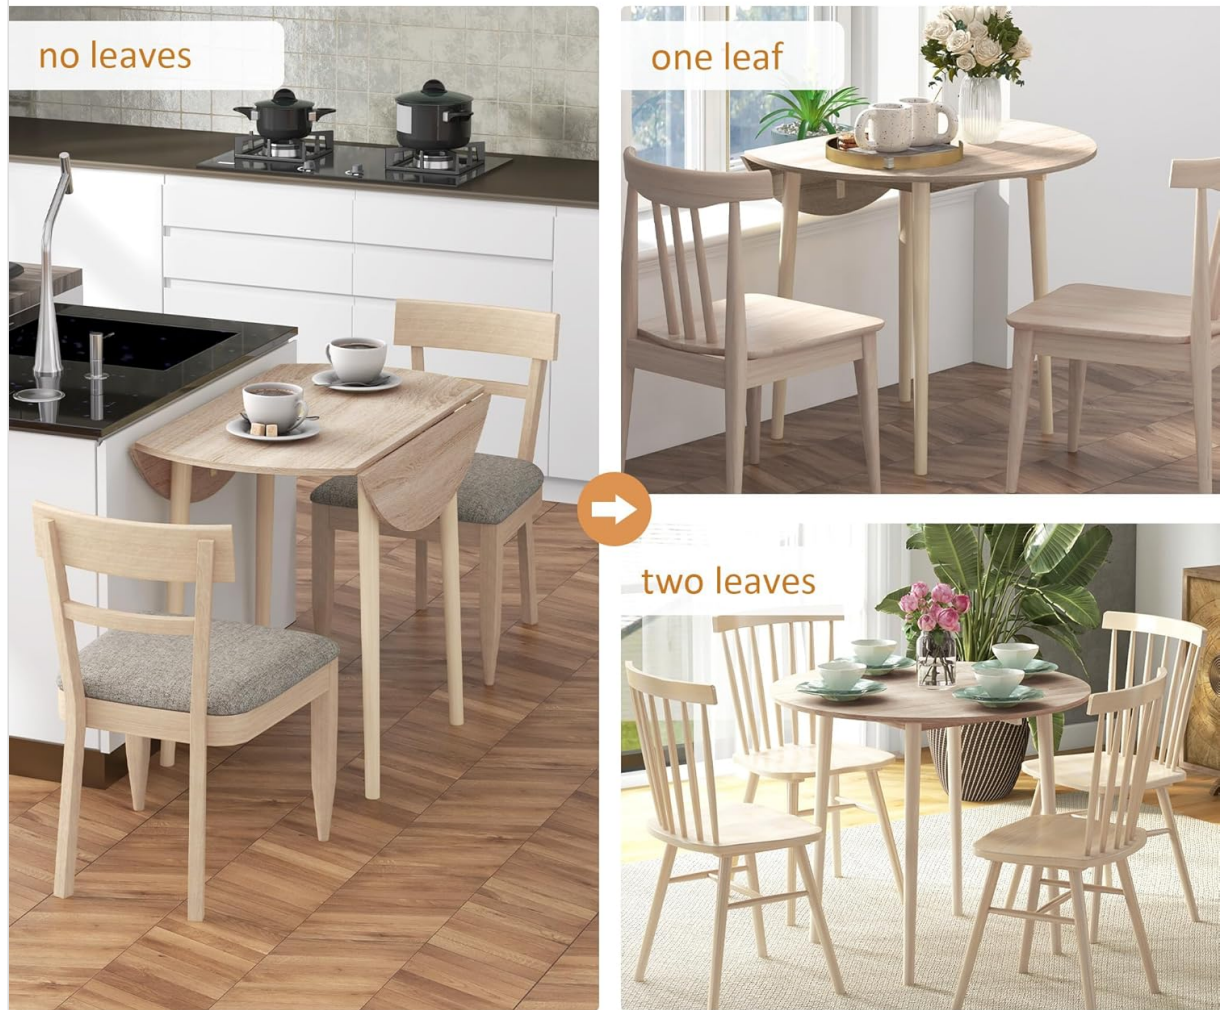

Image 4.1: Visual representation of the table's versatility, demonstrating its use with no leaves extended (half-circle against a wall), one leaf extended (oval shape), and both leaves extended (full round table).

1. **To Extend a Leaf:** Gently lift the drop leaf until it is level with the main tabletop. Pull out the support arm located underneath the main tabletop until it locks into place, supporting the extended leaf.
2. **To Fold a Leaf:** Push the support arm back towards the center of the table to disengage the lock. Carefully lower the drop leaf downwards until it hangs vertically alongside the table legs.

Image 4.2: A detailed view of the drop leaf hinge and support mechanism, illustrating how the leaf folds down.

Always ensure the support arms are fully engaged when leaves are extended to maintain stability.

5. MAINTENANCE AND CARE

Proper care will extend the life and appearance of your HOMCOM dining table.

Cleaning Instructions:

- Wipe with a dry cloth. For spills, use a slightly damp cloth immediately and then dry thoroughly.
- Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the melamine finish.

General Care:

- Periodically check and tighten all hardware to ensure structural integrity.
- Avoid placing hot items directly on the tabletop; use coasters or placemats.
- Protect the table from direct sunlight and extreme temperature changes to prevent warping or discoloration.
- When moving the table, lift it rather than dragging it to prevent damage to the legs and floor.

ROUNDED DESKTOP

Safe from knocks and bumps

Image 5.1: The rounded desktop design, which helps prevent accidental bumps and provides a smooth surface for daily use.

6. TROUBLESHOOTING

If you encounter any issues with your HOMCOM dining table, refer to the following common problems and solutions.

Common Issues:

- **Tabletop Wobbles:**

Solution: Ensure all leg fasteners are securely tightened. Check that the table is placed on a level surface. Adjust leg levelers if applicable (not explicitly stated for this model, but a general troubleshooting step).

- **Drop Leaves Do Not Extend/Fold Smoothly:**

Solution: Check for any obstructions in the hinge mechanism. Ensure the support arms are clean and move freely. Apply a small amount of silicone lubricant if necessary.

- **Tabletop and Base Misalignment (after assembly):**

Solution: This can occur if the tabletop and base were not perfectly aligned during initial assembly. Disassemble the connection between the tabletop and base, realign carefully, and re-fasten. Ensure all screws are inserted straight and fully tightened.

- **Scratches or Minor Damage to Surface:**

Solution: For minor scratches, a furniture repair marker matching the oak finish may be used. For deeper damage, contact customer support for advice.

7. SPECIFICATIONS

Detailed specifications for the HOMCOM 35" Collapsible Drop Leaf Dining Table.

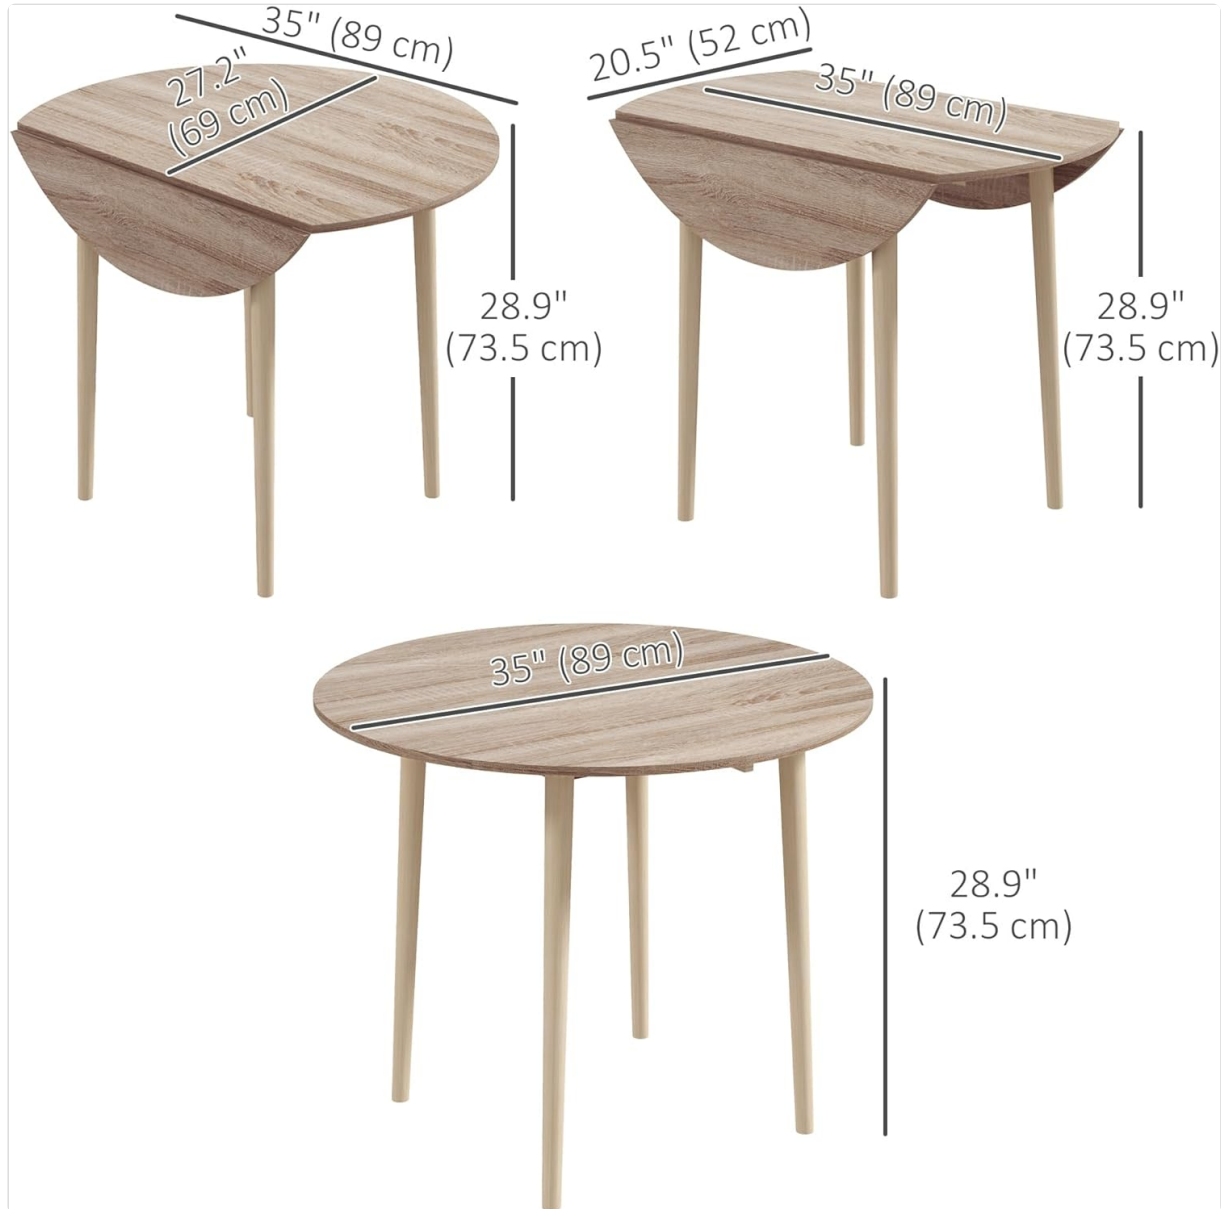

Image 7.1: Dimensional diagram illustrating the table's size when fully extended (35" Dia. x 28.9" H), with one leaf folded (35" L x 27.2" W x 28.9" H), and with both leaves folded (35" L x 20.5" W x 28.9" H).
