Obee Odee UP670S

Obee Odee 4-in-1 Baby Bassinet, Pack and Play, Bedside Crib Sleeper, Diaper Changer (Model UP670S) - Instruction Manual

1. SAFETY INFORMATION

Please read and understand all instructions before assembly and use of this product. Failure to follow these warnings and instructions could result in serious injury or death.

- Always follow assembly instructions carefully.
- Keep the mosquito net fully zipped when in use to prevent entrapment.
- Ensure the bottom locking mechanism is securely fastened before placing a child in the crib.
- Do not leave children unattended while using this product.
- Discontinue use of the bassinet feature when the infant begins to push up on hands and knees or has reached the maximum weight of 40 pounds, whichever comes first.
- Always place your baby on their back to sleep.

2. PRODUCT OVERVIEW

The Obee Odee 4-in-1 Baby Bassinet is a versatile nursery solution designed to adapt to your child's growth. It functions as a crib, bedside sleeper, playard, and diaper changing station. Key features include a soft mattress, mosquito net, bottom storage, and a toy bar.

3. COMPONENTS

Verify all components are present before beginning assembly:

- Main Playard Frame
- Mattress/Base Board
- Bassinet Insert
- Diaper Changer Unit
- Mosquito Net with Canopy

- Toy Bar with Hanging Toys
- Storage Organizer
- Carry Bag

4. SETUP

4.1 Unfolding the Playard

1. Remove the playard from its carry bag.
2. Separate the legs and pull the center hub upwards until the side rails lock into place. Ensure all four side rails are securely locked.
3. Push the center hub down until the base is flat.
4. Insert the mattress/base board into the bottom of the playard.

5. OPERATING MODES

5.1 Bassinet Mode

The elevated bassinet insert provides a comfortable and accessible sleeping area for newborns and younger infants. This mode keeps your baby at a convenient height for easy access and monitoring.

Figure 4: The bassinet mode provides an elevated sleeping surface.

5.2 Bedside Sleeper Mode

To use as a bedside sleeper, lower one side of the playard by disengaging the side rail locks. This allows the bassinet to sit flush against your bed, providing close proximity for nighttime feedings and comfort.

5.3 Diaper Changer Mode

The detachable changing table can be placed on top of the playard rails. It features waterproof fabric for easy cleaning and a wrap-around design for added security. Side storage shelves are available for diapers and bottles.

5.4 Playard Mode

Once your baby outgrows the bassinet insert, remove it to utilize the full depth of the playard. This creates a secure and spacious area for your child to play and explore.

7. MAINTENANCE

7.1 Cleaning

- Wipe down all plastic and metal parts with a damp cloth and mild soap.
- The waterproof fabric of the changing table can be easily wiped clean.
- For fabric components, refer to the care label for specific washing instructions. Do not use harsh abrasives or bleach.

7.2 Storage

When not in use, fold the playard according to the instructions and store it in its carry bag in a cool, dry place.

8. TROUBLESHOOTING

- **Playard not locking:** Ensure all side rails are pulled up completely until they click into place before pushing down the center hub.
- **Difficulty folding:** Make sure the mattress is removed and the center hub is pulled up before attempting to release the side rail locks.
- **Wobbly structure:** Double-check that all locking mechanisms are fully engaged.
