## JBL GSPORT-TUNE520BT-BLUE

# JBL Tune 520BT Wireless On-Ear Bluetooth Headphones User Manual

Brand: JBL | Model: GSPORT-TUNE520BT-BLUE

## INTRODUCTION

---

This manual provides detailed instructions for the safe and effective use of your JBL Tune 520BT Wireless On-Ear Bluetooth Headphones. Designed for comfort and superior sound, these headphones feature JBL Pure Bass Sound, advanced Bluetooth 5.3 technology, and a long-lasting battery. This bundle includes a gSport Carbon Fiber Hardshell Travel Case for enhanced protection and portability.

## SETUP

---

### 1. Charging the Headphones

Before first use, fully charge your JBL Tune 520BT headphones. A full charge provides up to 57 hours of playback.

1. Locate the USB-C charging port on the headphone earcup.
2. Connect the provided USB-C cable to the headphone's charging port.
3. Connect the other end of the USB-C cable to a compatible USB power source (e.g., wall adapter, computer USB port).
4. The LED indicator on the headphone will show charging status. It typically turns off or changes color when fully charged. A full charge takes approximately 2 hours.

## 2. Powering On/Off

- To power on: Press and hold the Power button for approximately 2 seconds until the LED indicator lights up.
- To power off: Press and hold the Power button for approximately 3 seconds until the LED indicator turns off.

## 3. Bluetooth Pairing

The JBL Tune 520BT headphones use Bluetooth 5.3 for stable wireless connection.

1. Ensure the headphones are powered off.
2. Press and hold the Power button for approximately 5 seconds until the LED indicator flashes blue rapidly. This indicates pairing mode.
3. On your device (smartphone, tablet, laptop, PC), go to the Bluetooth settings.
4. Turn on Bluetooth and search for available devices.
5. Select "JBL Tune 520BT" from the list of found devices.
6. Once connected, the LED indicator on the headphones will turn solid blue or flash slowly.
7. The headphones can connect to multiple devices simultaneously (multi-point connection). To switch between devices, pause audio on the current device and start playback on the other.

## OPERATING THE HEADPHONES

---

### Music Playback Controls

- **Play/Pause:** Press the multi-function button (usually the JBL logo button or center button).
- **Volume Up:** Press the '+' button.
- **Volume Down:** Press the '-' button.

- **Next Track:** Double-press the multi-function button.
- **Previous Track:** Triple-press the multi-function button.

## Call Management

- **Answer/End Call:** Press the multi-function button once.
- **Reject Call:** Press and hold the multi-function button for 2 seconds.
- **Switch between calls:** During a call, double-press the multi-function button to switch to an incoming call or between active calls.

## Voice Assistant

Activate your device's voice assistant (Siri, Google Assistant, etc.) by pressing and holding the multi-function button for 2 seconds when not on a call.

## JBL Headphones App

For enhanced control and customization, download the JBL Headphones App from your device's app store. The app allows you to personalize sound settings (EQ), manage connections, and access additional features.

## MAINTENANCE

---

Proper care extends the life of your headphones and case.

- **Cleaning:** Use a soft, dry cloth to clean the earcups and headband. For stubborn dirt, slightly dampen the cloth with water. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, store the headphones in the provided gSport Carbon Fiber Hardshell Travel Case

to protect them from dust, scratches, and impacts. The headphones are foldable for compact storage.

- **Battery Care:** Avoid exposing the battery to extreme temperatures. For long-term storage, charge the battery to approximately 50% every few months to maintain its health.
- **Water Exposure:** These headphones are not waterproof. Avoid exposure to rain, sweat, or other liquids.

## TROUBLESHOOTING

---

If you encounter issues with your JBL Tune 520BT headphones, try the following solutions:

Problem	Possible Solution
Headphones do not power on.	Ensure the headphones are charged. Connect to a power source using the USB-C cable.
Cannot pair with device.	Ensure headphones are in pairing mode (rapid blue flashing LED). Turn Bluetooth off and on again on your device. Forget "JBL Tune 520BT" from your device's Bluetooth list and try pairing again. Ensure your device is within Bluetooth range (approx. 10 meters).
No sound or low volume.	Check volume levels on both the headphones and your connected device. Ensure the headphones are properly connected to your device. Try playing audio from a different application or source.
Sound quality is poor.	Move closer to your device to reduce interference. Ensure there are no physical obstructions between the headphones and your device. Check the EQ settings in the JBL Headphones App, if used.
